50 MINERS TRAPPED BY FIRE

CAMORRIST WITNESS FAINTS

Accused Priest Topples Over on Stand as Result of Fast

Climax Comes at Height of Dramatic Situation in Murder Trial

VITERBO, April 7.—Again the trial of the Camorrists was interrupted today when Ciro Vitozzi, the accused priest, weakened by a self-imposed fast, fainted. He was under interrogation and had worked himself into such a state of mental and physical exhaustion that he tumbled over against the steel bars of the prisoners' cage.

Lawyers and carabineers rushed to his assistance and in the confusion President Bianchi declared the sitting suspended. At the same time the court ordered Vitozzi to break his fast with the yolks of half a dozen eggs.

The climax came opportunely for Vitozzi following his declaration that he had abstained from food for forty-eight hours. He had been telling a story of his alleged persecution in prison and the recital was not without dramatic effect.

LOCK OF MOTHER'S HAIR.

"With me in my cell," said the priest, "I had a lock of hair from the head of that holy soul, my mother. This was taken from me on the order of a magistrate who insisted that the hair was that of some woman companion of mine. What nonsense! Why, it was even gray. Can any one imagine a greater profanation?"

Here the accused man invoked the soul of his mother in support of his statement and the recollection of what he described as the insults to her memory overwhelming him, he was seized with a fit of weeping. Between his sobs he cried out:

"I have been fasting for forty-eight hours, supported during my whole interrogation by divine power."

With theso words he collapsed.

RAPI HAS SORE THROAT.

Giovanni Rapi was not present when the trial was resumed this morning. His physician certified that he was suffering from a sore throat as a result of having "cried too much during his interrogation."

The proceedings opened with the

Discharged Clerk Sends Protest to Hitchcock

'Act of Gravest Injustice,' Writes Accused Clerk of Action in Dismissing Her.

SAN FRANCISCO, April 7.—Mary Joesten, one of the clerks in the dead letter department of the San Francisco postoffice, who were dismissed for dishonesty, sent a letter yesterday to Postmaster-General Hitchcock at Washington, asking to be informed of the charges against her. She protests that her dismissal is "an act of the gravest injustice" and indicates her belief that it was due to some improper influence. Another of the discharged clerks, Mattie Fitzgerald, sent a protest to the local postmaster, Arthur Fisk. She received only a formal reply.

Gallant Pilot Drops Big Bouquet to Queen of Wurtemberg.

FRIEDERICHSHAFEN, Germany, April 7.—In his dirigible balloon, the new Deuschland, Count Zeppelin, with a number of passengers, set out at 8:25 o'clock this morning for Stuttgart to greet King William II. of Wurtemberg and Queen Charlotte on the occasion tomorrow of their silver wedding anniversary. From Stuttgart the airship will proceed to Baden-Baden and Duseldorf.

King William is an enthusiast in aerial navigation and in July, 1908, both he and the queen took a flight with Zeppelin over Lake Constance. It was the first time in history that a reigning king and queen dared such an adventure.

STUTTGART, Wuertemberg, April 7.—The Deutschland arrived here at 3 o'clock this afternoon and circled over the royal palace while Count Zeppelin dropped a parachute bouquet with his greetings to the King and Queen. A landing was made in the suburbs, where additional passengers were taken on.

WOMEN FIRST TO BE SAVED FROM SHIP

Heavy Swells Dash Against the Stranded Steamship Prinzess Irene.

Work of Rescue Begins in a High Sea While Many Vessels Stand By.

NEW YORK, April 7.—All of the 1720 passengers on the stranded steamship Prinzess Irene had been safely transferred to the Prinze Friederich Wilhelm at 5 o'clock.

LONE HILL LIFE SAVING STATION, L. I., April 7.—With the orders, "women first," transshipment of passengers from the stranded Prinzess Irene was begun at 1 o'clock this afternoon when a surf boat bearing fifteen women left the Irene's lee side and headed for the relief ship Prinz Friederich Wilhelm.

The sea was running too high for the boat to make the trip to the Prinz Wilhelm safely. It ran alongside the tug Timmons on the lee side of the Irene and put the passengers on board. Other boat loads followed and the tug left the Irene with its first load at 2:19 o'clock.

NEW YORK, April 7.—In practically the same position in which it suddenly found itself while groping through the fog yesterday morning, daylight today disclosed the big North German Lloyd steamer Prinzess Irene stuck fast in the sands of Fire Island beach on the edge of the "Graveyard of the Atlantic," the treacherous sand pit which skirts Southern Long Island. Those of the 1720 pasengers who arose early after a sleepless night and surveyed their predicament from the decks of the big liner, saw to the leeward the lifesavers who had been patrolling the beach all night. When they looked seaward they were spat in the face by the spray of great swells which an incoming wind was piling higher and higher in threatening onslaught against the ship's broadside.

WIND INCREASING.

A twenty-mile wind from the southwest, which beat against the vessel at midnight as it lay broadside to it, had increased a little at dawn, and the government prediction was for still brisker and colder weather during the day. The tugs which had pulled at the Prinzess Irene at high tide this morning had hauled the stern of the vessel 25 degrees from its original position, but their efforts had unfortunately pushed the stem deeper into the sandbar.

At the Hoboken docks daylight saw preparations being made to send the Irene's sister ship, Prinz Frederick Wilhelm, to the scene for the transfer of the passengers, if this proves possible.

The steamship Prinz Frederick Wilhelm left Hoboken shortly before 9 o'clock this morning bound for the Irene.

Captain Petersen sent a wireles to the delelict destroyer Seneca this morning, asking how many passengers the Seneca and the Mohawk could carry. The Seneca sent word back that it could take about 600 passengers and the cutter Mohawk 400.

McComb Loses Point In Misconduct Trial

Indicted Clerk of Justice's Court Refused Information by Judge.

SAN FRANCISCO, April 7.—Superior Judge Cabaniss today denied a motion made to furnish particulars in the case of G. S. McComb, clerk of the justice's court, indicted for misconduct in office.

It was alleged that McComb had absented himself during business hours, and his counsel, Judge Golden, requested that the specific time and date be furnished.

It was this request that the court denied, and the matter was continued until April 22 to be set.

Sheriff Smith Has Two Strings to Bow

Sonoma Officer Hunts for Chisholm and Postoffice Theft Evidence.

SAN FRANCISCO, April 7.—Sheriff Smith of Sonoma county, who has been in this city since yesterday in connection with the Chisholm case, is also searching for a clew to the perpetrators of the robbery of the Healdsburg postoffice. The sheriff has received some information which he believes may lead to the capture of the offenders.

CHAUFFEUR IS THREATENED BY MOB

Big Crowd Attempts to Beat Autoist Who Runs Down Messenger Boy.

The Police Arrive in Time to Prevent Violence and Arrest Driver.

After he had run down 14-year-old Lester Hawkins, seriously injuring him, Larkin G. Day, a negro chauffeur in the employ of William Letts Oliver, president of the California Cap Works, narrowly escaped violence at the hands of an infuriated mob this morning. The lad, an Enquirer messenger, was riding a bicycle and had turned into Fourteenth street from Broadway when Day and his machine suddenly emerged from behind a street car. Before the boy could move the front wheel of the auto had passed over his leg. Had Day not been able to turn his machine toward the gutter the rear wheel would have passed over Hawkins' head and probably killed him.

A large crowd quickly gathered and threatened the chauffeur with a severe beating. But for the timely arrival of Detective Flynn and Policemen Forrest and Conley, Day would have doubtless received physical violence at the hands of the spectators.

Accordingto witnesses Day was going at an excessive rate of speed when the accident happened. The police have long been after Day, who, they say, is a regular speed "maniac." He was arrested and charged with exceeding the sped limit

Young Hawkins was taken to the Receiving Hispital. He was badly bruised. The boy lives at 1114 East Sixteenth street.

HAULS BABY ON SLED 3 DAYS IN SNOW

The Victim of Smallpox Walks With Wife in Ice-bound Hills

FORT COLLINS, Colo., April 7.—Calvin Miller, who, with his wife and their 7-months-old baby, Tuesday set out from the Laramie river station of the U. S. Forestry Service, where he had been stricken with small-pox, to make his way to his home in Elkhorn, over mountains covered by deep snow, was found last night as he was making his way with his family into Elkhorn.

Despite the fact that he is suffering from small-pox, Miller appeared to be little the worse for his strenuous experience. The baby, which was hauled on a sled, stood the trip well. The nights were spent in cabins in the mountains, the location of which was known to Miller.

Duellists Fight to Death in Arizona

MORENCI, Ariz., April 7.—A duel which occurred in the street in New Town, adjoining Morenci, today resulted in the death of Len Scott, a constable at Morenci, and George Johnson, a night watchman. The cause of the shooting was a feud of long standing between the two men, growing out of the arrest of Johnson by Scott several years ago on a charge of cattle stealing. The two men met on the street unexpectedly. Johnson pulled his pistol and fired two shots, both taking effect. Scott immediately returned the fire, killing Johnson. Scott died a short time later.

POPULAR OAKLAND COUPLE ANNOUNCE ENGAGEMENT

MISS CATHERINE SHANNON of this city, who has announced her engagement to W. L. Ballinger. —Webster, Photo.

MISS CATHERINE SHANNON TO BE BRIDE OF W. S. BALLINGER

The engagement was announced yesterday of Miss Catherine P. Shannon, daughter of Dr. and Mrs. J. M. Shannon of this city, and W. L. Ballinger, also of Oakland, son of J. I. Ballinger of Gulfport, Miss.

The news comes as a complete surprise to the friends of the Shannons, who are an old and prominent family of this city. The attractive bride-elect is a graduate of the University of California with the class of '08 and was prominent in college activities. She has a wide circle of friends in all the bay cities. She possesses an attractive personality and is very accomplished.

Young Ballinger has been living in this city for the past five years and is cashier of the Mechanic bank of Richmond. His home was formerly in the south and he is a graduate of the College of Mississippi.

The announcement was made yesterday at a card party given at the Shannon family home in Telegraph street. The date of the marriage has not been settled, but will take place in the early fall, after which the couple will make their home in this city.

Presentiment Son Was Dead Proves Too True

A presentiment that her missing son was dead came to Mrs. M. Jensen while she was in Los Angeles in 1907. Since that time she has sought anxiously for some news of the young man, and in every city she has visited has looked up the records of the deaths. Yesterday she visited the office of Secretary George Parker of the health department and a search of the records revealed the fast that the presentiment had come to her about the time of her son's death in Oakland, March 26, 1907.

The records showed H. Jensen, a tinner, aged 27, relatives unknown, died of pneumonia, unattended by a physician, at 862 Washington street, interred in potter's field at expense of county.

Practical Joker Kills Boy With Improvised Slungshot

CHICAGO, April 7.—Combination of a bed spring and a practical joker yesterday brought about the death of James Jurock, a 17-year-old boy. Twenty-year-old Leo Toleleck, the joker, is in jail. Toleleck picked up an unframed bed spring and handed one end of it to Jurock, remarking, "Let's pull this spring and see how far it will stretch." Jurock pulled and pulled. Finally the united strength of the two young men had the wire stretched almost taut. Then Toleleck conceived the notion that it would be a fine joke to let his end go. The freed end of the spring flew back at Jurock with terrific force and struck him on the head. He fell like a log with a fractured skull.

Wives to Draw Pay While Lazy Spouses Crack Rocks

SACRAMENTO, April 7.—Governor Johnson today signed Senate bill No. 953, by Stetson, which will probably put a stop to lazy and indolent husbands seeking jails instead of supporting their wives and little ones. This bill provides that in cases of conviction for non-support the husband may be sentenced to the county jail and required to work on the public roads or other public work, the county paying $1.50 to the wife and babies for each day the non-provider works. This bill will go into effect in sixty days.

Thought Dead 53 Years; Reappears; Missing Again

NEW YORK, April 7.—Thought dead for 53 years, Austin Hudson suddenly appeared today at the home of his nephew, John Maloney, a Brooklyn coal dealer. After a two-hour visit, during which he established his identity to the satisfaction of all concerned, he dropped out of sight again and is still missing. Maloney has appealed to the police to assist him in finding the man.

RESCUERS GIVE UP HOPE

All Chance of Escape Cut Off From Men Entombed in Furnace

Two Reach Air and Report Companions Walled Up by Flames

SCRANTON, Pa., April 7.—Fifty mine workers are entombed 750 feet below the surface in the workings of the Pancoast mine of the Scranton Coal Company at Throop near here, by reason of a fire that is burning in one of the solid veins of anthracite coal.

The government rescue crew with oxygen helmets and other equipment is on the ground, but until the fire is sufficiently controlled will be helpless to aid the entombed men. There are two openings to the mine, but the fire is so located that escape has been cut off.

The fire started in the engine room and was communicated to a number of dust covered and oil soaked mine cars. The rescuers are making slow progress. Relief crews are constantly being sent into the mine.

Two men who escaped said there were 50 men shut in by the fire.

This afternoon it was realized by employes and admitted by some of the officials that the situation was grave and that an almost hopeless task confronted the rescuers in attempting to reach the entombed men.

750 FEET DEEP.

The fire is in the workings 750 feet below the surface.

Officials, scores of workmen, volunteer firemen and the Throop fire department are working to get to the men supposed to be in one part o fthe mine.

Unless the men thought to be trapped are soon reached it is feared they will all die if they have not already been smothered by smoke.

Early this afternoon it was learned that it was impossible to reach the men, for some time, owing to smoke and the great distance they are below the surface.

NEWS SPREADS RAPIDLY.

The news of the fire spread rapidly and hundreds flocked to the mouth of the shaft. Women were frantic and tore their hair and clothing in their despair and many had to be taken from the scene. An investigation showed that the fire is so located as to cut off escape from both openings.

When the seriousness of the situation dawned on the mining officials the rescue station at Wilkesbarre was immediately notified and the Delaware, Lackawanna & Western emergency car was sent to Throop with the crew. They carried with them oxygen helmets and other equipment to fight the fire.

Mum's the Word With U. S. Senator Lorimer

Re-Accused Statesman Refuses to Talk On Subject of Bribery.

CHICAGO, April 7.—Senator Lorimer arrived here early today from Johnstown, Pa., where he investigated a mining device in company with a Chicago engineer, yesterday. The senator went directly to his bank, where he spent the early part of the day. He declined to be interviewed in connection with the proceedings of the Helm committee at Springfield, or the story told before the committee by Clarence S. Funk of the International Harvester Company, that his company had turned down an opportunity to contribute to an alleged $100,000 fund to elect the senator.

TRIBUNE BASEBALL BULLETIN LOCATED ON ELEVENTH STREET

THE TRIBUNE baseball bulletin board, which has been located on Broadway near Twelfth street, was taken down yesterday, and is now located on Eleventh street in the rear of the Hub clothing store. Yesterday some 5000 persons watched the baseball game as it was played on the bulletin board, obstructing the sidewalks and the street to such an extent that hardly any business could be transacted by the merchants in that block.

A number of requests were made by the merchants to THE TRIBUNE to have the bulletin service placed on a side street. While the city officials have been generous with their permit to allow THE TRIBUNE to conduct the bulletin service on Broadway, still this paper feels that in justice to the merchants their business should not be blocked. THE TRIBUNE has always been a booster of merchants.

The idea of the baseball bulletin service is to show that Oakland is an up-to-date city and that it has a paper that gives the public the news as it is given in New York, Chicago, and other large cities. The baseball bulletin service of THE TRIBUNE is conducted at a large expense by THE TRIBUNE Publishing company. Hereafter the games will be bulletined on Eleventh street just west of Broadway, where no cars are running and where it will be much pleasanter for the spectators.

SEN. MARTIN IS MINORITY LEADER

Virginia Solon Elected by the Democrats Despite Strenuous Opposition.

William J. Bryan Declares He Would Not Vote for the Winner.

WASHINGTON, April 7. — By a vote of 21 for Senator Martin to 16 for Senator Shively, the Democratic senatorial caucus today nominated the Virginian as leader of the minority in the Senate.

Opposition to the Virginia senator, whose election had been conceded prior to a recent visit to Washington of William J. Bryan, came from what is known as the progressive faction and is led by Senator Stone of Missouri.

At noon today about a dozen Democrats who are warm admirers of Bryan, met in the office of Senator Owen. They canvassed the situation and it is understood it was agreed to place some one in nomination against Martin.

WANT YOUNGER MAN.

Prectically all of the Democrats who attended the meeting have declared that they have no personal objection to Martin and that they regard him as their friend, but they want for caucus chairman a younger man whose progressiveness has been established.

Senator Martin's friends are urging that he is not a reactionary and that the fight against him is unfair.

At 1:15 p. m. today a second conference of Democratic progressives was adjourned and it was announced that the election of Senator Martin was conceded.

Wm. Jennings Bryan explained at the White House that he was not opposed to the election of Senator Martin as minority leader but that he personally would not vote for Senator Martin if he were a member of the Senate.

"If I were a senator," said Bryan, "Mr. Martin would not be my first choice for minority leader."

Bryan spent almost an hour with President Taft and before he left met practically every member of the Cabinet. He refused to say what subject was discussed with the President.

CHAUFFEUR TO PAY VICTIM'S DOCTOR BILL

SAN FRANCISCO, April 7. — Frank Fagan, a chauffeur who on March 22 ran down Christian Pfaff, warehouse manager for Dunham, Carrigan & Hayden, and fled leaving him injured on the pavement, was dismissed by Judge Weller today.

Pfaff represented that he was a poor man and could not afford to sue Fagan for damages, and that as the latter had promised to pay his doctor bills he did not want to prosecute.

$500 IN GOLD COIN STOLEN FROM ITALIAN

Antonio Garabaldi, an Italian produce gardiner from Colma, was visiting in Oakland yesterday, and on meeting two compatriots went to a saloon on Seventh street with them. As they emerged, one of the men suddenly grasped his arms from behind, while the other thrust his hand in Garabaldis pocket and stole a chamois sack containing $500 in gold coin. The two men then made good their escape before the Italian could obtain assistance. This morning he complained of the robbery to the police and gave descriptions of his assailants.

Accused Priest Brings Camorrist Trial Session to an Abrupt End.

(Continued From Page 1)

recall of Vitozzi. The prisoner described happenings which he said had been invented to make him appear guilty of complicity in the murder of Genarro Cuoccolo and his wife. While he was in prison, he said, he was confronted with a man who offered him $20 to denounce certain persons as guilty of the Cuoccolo murders and adding that if it was necessary he would send the priest to America as Erricone had been sent. Vitozzi said he did not know the man who approached him and whose name as given him was fictitious.

The prisoner told of the alleged abuse of him by the examining judges during his preliminary examination and while he was in prison. Judge Detilla, he said, had insulted him, calling him "a Camorrist pig."

This, said Vitozzi, was cowardly, savage and inhuman, while the judge ought to represent honesty.

TRAMPLE LAW.

Growing excited Vitozzi shouted: "Those judges trampled not only on the human law, but on the divine law. I reminded them that they must die, saying, 'Beware, beware the anathema.'"

Urging the priest to calm himself, President Bianchi inquired whether he knew Gennaro Abbatemaggio, the informer.

"No," replied Vitozzi, who added: "All the statements of Abbatemaggio are false. I will ask him to swear on the ashes of his father and on the ashes of his dead son, hoping that he will be touched."

At this thrust Abbatemaggio, who had listened calmly from his solitary cage, broke his usual impassibility of manner and replied:

SWEAR ON ANYTHING.

"I will swear on anything you please."

Enraged, Vitozzi turned on his accuser and cried:

"I will curse you down to the seventh generation."

"I am sorry for you," rejoined the informer.

At this time the priest suddenly changed his tactics and in a voice filled with pathos, said:

"No; I'll not curse you. I will remember that I am a priest and must pardon even those who injure me. I wish to take you to my bosom."

In the same emotional strain Vitozzi continued with reference to his mother's gray hairs until he was overcome and the proceedings halted.

WOULD HOD UP NEW ORDINANCE

Berkeley Man Makes Effort to Take Initiative Before the ePople.

BERKELEY, April 7. — James Todd today applied at the City Clerk's office for an initiative petition which he intends to circulate for the purpose of having the new initiative ordinance, No. 133, submitted to a vote of the people at the municipal election two years hence.

This act, he declares, is to prevent the enforcement of the ordinance now and prevent what he terms an attempt to tamper with the charter provisions.

Ordinance No. 133 is intended to take the place of No. 104, relative to the initiative. The Council has passed the ordinance, but Todd wishes to prevent its becoming a law.

BRAHM'S REQUIEM WELL RENDERED

Choir of First Congregational Church Observes Tenth Anniversary.

Music lovers and representatives of the churches of this city filled the First Congregational church, last evening, when Brahm's "Requiem" was sung by a choir of 100 voices under the direction of Alexander Stewart.

For several months the augmented choir has practiced for the recital, which was the most interesting musical affair of the season.

The program of sacred music was given once before on the Pacific coast, when it received an ovation. Critics consider it the greatest of all choral works.

The event marked the tenth anniversary of the choir as well as the tenth anniversary of the leadership of Alexander Stewart, who was its organizer.

Among the leading singers who took part in the musical were:

Mrs. Camilla Buergermeister, Mrs. Zelda Ruggles Jenkins, Miss Edith Hibberd, Mrs. Orrin Kip McMurray of Berkeley, Mrs. E. J. Jolly, Mrs. Olive Reed Cushman, Mrs. A. E. Nash, Mrs. Carroll Nicholson, Mrs. Fitch, Mrs. Gretchen Annette Ayres, E. D. Crandall, the leader of the Orpheus club and of the First Methodist church choir; J. E. Veacco, W. E. Nicholson, Henry L. Perry, Charles E. Lloyd Jr. and P. J. Oksen.

A souvenir program was distributed. It contained a history of the choir by Arthur F. Agard and the following articles: "The Choir as Seen From the Pulpit," by the former pastor of the church, Rev. Charles R. Brown; "The Choir as Seen From the Pews," C. Z. Merritt, and "Some Musical Needs of Our Churches," by Alexander Stewart.

A list of the members including the names of all those taking part in the production of the "Requiem" was an interesting part of the pamphlet.

REPORTED RAIDS ARE CONFIRMED

Williams' Band of Rebels Are Sacking Ranches and Carrying Off Supplies.

LOS ANGELES, April 7. — The Los Angeles owners of the California-Mexican Land and Cattle Company ranch in Lower California today received confirmation of the Associated Press dispatches from Calexico, telling of the raid by Williams' rebel band on the American ranches across the border.

Manager Bowker of the ranch telegraphed that the rebels had raided the "C. and M." ranch and others, taking livestock and commissary supplies. This dispatch also stated that Mexican Federal troops were nowhere in sight, and that the only apparent security for the moveable property on the American ranches was to transport it across the line into the United States. The news of the rebel raid was communicated to Brigadier General Bliss, commanding the American troops encamped at San Diego.

SEEK PERMIT TO CONSTRUCT DOCK

Laws Plan Improvements at Foot of Filmore Street Costing $1,000,000.

SAN FRANCISCO, April 7. — Herbert E. Law and his brother, Dr. Hartland Law, yesterday petitioned the Board of Supervisors to allow them to construct docks at an estimated cost of $1,000,000 at the end of Fillmore street, this city. The petition is as follows:

> To the Honorable Board of Supervisors, San Francisco, Cal.
>
> Gentlemen: We desire to create a canal at the foot of Fillmore street, providing for ferry landings and shipping, with docks, warehouses, etc., for public service, similar to the Bush Terminal Company of Brooklyn, N. Y.
>
> We are the owners of all the property abutting thereon. Fillmore is not a through street, and streets parallel on each side exist so that no disturbance of traffic would result.
>
> We respectfully petition your honorable board to grant us the privilege of closing Fillmore street from Bay to the water, together with the intersecting crossing streets, and creating thereon the proposed slip or basin.

The intention is to make this inland water basin 1180 feet long and 300 feet wide and to surround it with the warehouses and docks. The basin or canal will be long enough to accommodate two ships on either side at one time. Practically all the territory petitioned for is submerged land, making it a simple engineering problem to dredge for the inland basin.

CHURCH FINANCES IN GOOD CONDITION

Centennial Presbyterian Congregation Hear Reports of Department Heads.

Wednesday evening the members and congregation of the Centennial Presbyterian church, Twenty-fourth avenue, East Oakland, assembled for their annual meeting.

At 6 p. m. they gathered around a large spread prepared by the women of the church and enjoyed themselves until 8, at which time the business meeting was called.

Reports were heard from the different organizations of the church, all of which showed gratifying progress. The financial condition of the church was shown to be in good shape. In the past year more than $2600 has been spent in installing circular pews, new heating apparatus, and in remodeling and decorating a portion of the interior of the building.

The following members were elected to the board of elders: A. R. Muir and C. Johnson, to succeed themselves. The following new elders were also elected: A. Brown, for a period of two years, and A. R. Dow and William Marten for periods of one year each. The following is the new board of trustees: Mr. Le-Boyd, Stanley Emberson, William F. Brown, Horace Haight, Isaac McCurdy, Robert Williams and R. E. Moore.

William F. Brown will serve the church as secretary during the coming year.

GAS AND USES TOLD TO LEAGUE

Home Industry Members Hear Britton Discuss California Industry.

SAN FRANCISCO, April 7.—John A. Britton, president of the San Francisco Gas and Electric Company, discussed gas, its use, cost of manufacture and what the company's plant as an employer means to San Francisco before the luncheon of the Home Industry League at the Palace Hotel yesterday. He explained how the manufacture of gas and electricity had developed into one of California's biggest industries and said that the money employed in these industries was practically all spent at home.

He said the payroll of the company alone included 1250 persons, whose wages naturally carried influence in the welfare of the city.

A. C. Rulofson reported on a recent meeting of the Home Product Association of Sacramento which he had addressed. Rulofson said that before attending the meeting he had visited a number of Sacramento retail shops, where out of twenty-five purchases made by him the merchants had shoved articles of Eastern manufacture on him.

James Woods, manager of the St. Francis hotel, who was present, was awarded a trophy for the best hotel menu of home products issued during the recent Made in California Week.

TARIFF BOARD WORKS ON COTTON SCHEDULE

WASHINGTON, April 7. — The tariff board has begun its investigation of the cotton schedule of the Payne-Aldrich law and wil conduct the work so far as is practical simultaneously with the investigation of the woolen schedule now under way. Agents of the board are gathering preliminary data at the office of the so-called cotton trust in New York and probably will transfer their work to the cotton mills of New York and the South within a few weeks.

The status of the work on the wool schedule indicates that a report may be ready when Congress assembles in regular session in December.

BRIDE SEWS GEMS IN MATTRESS; FORGETS THEM

SAN FRANCISCO, April 7.—Mr. and Mrs. A. Keeline, who returned recently from their honeymoon at Honolulu, started the house detectives at the Palace Hotel, where they are staying, on a still hunt for Mrs. Keeline's diamond necklace. The mystery was so deep that the city detectives were about to be called in when the bride remembered that she had sewed the necklace in a mattress at the Moana Hotel, Honolulu.

Keeline sent a cable query to the hotel and three hours later received this response:

"Diamonds found. Will forward."

GROVE JOHNSON TO SEEK REST ACROSS THE OCEAN

SACRAMENTO, April 7.—Grove L. Johnson, father of Governor Hiram Johnson and former assemblyman from Sacramento, intends to leave this city and state. He has already given up active work in his profession, and is disposing of his law library, one of the most extensive in the state. Today he donated 2000 volumes of books to the Odd Fellows' Home at Thermalito, 1700 volumes to the Orphans' Home at Gilroy and many other volumes to other charitable institutions. He will also sell to the county of Sacramento something like 500 volumes, and to other lawyers the remainder of his library.

Johnson states that he will go to Europe for an extended trip, and may even remain there permanently. Johnson celebrated his 70th birthday anniversary on March 27, and he now retires after a life of activity, in which he has been prominent in the political and commercial history of Sacramento and the state.

BANNER CROPS PREDICTED HERE

Alameda County Ranchers Claim Yield This Year Will Be Record Breaker.

HAYWARD, April 7.—That this year's crop of fruit and vegetables will be greater than for the past twenty years in the history of Alameda county, is the opinion of all the truck and fruit growers throughout the eastern section. Heavy rains in many instances washed a great deal of the early seed out of the ground, but more seed has been planted and has alread ysprung into life. The frosts were another thing in the favor of the fruit men, as they came too early to do any damage.

For miles around Hayward, San Lorenzo, San Leandro and all the towns throughout Niles Canyon, the fruit trees are laden with blossoms, and the owners are of the opinion they will be forced to prop the branches when the fruit begins to ripen. Apricots and cherries are the best growers in this county, and if present indications point to anything, the market will be at its best this year, and probably flooded. Black cherries will be more scarce than the white and the plain red, while peaches will be in the same abundance as in past years.

On the hills most of the grain seed was washed out of the earth, and as it was too late to replant, the stock men are of the opinion that feed will be very poor. The high price which will be asked for hay will have a great effect on the grain market, and farmers throughout the county are setting in all the grain they can secure at reasonable rates at the present time.

Some of the best rhubarb and asparagus to be sent to the Eastern cities has been grown in San Lorenzo and in Castro Valley beyond the town of Hayward. This valley is considered one of the most fertile to be found in the entire county.

ROBERTSON HEADS TRI-ROTARY CLUB

President Is Member of the Chamber of Commerce and Merchants' Exchange.

An election of officers formed the principal feature of the meeting of the Tri-Rotary Club yesterday. Robert Robertson was chosen president, D. E. Perkins vice-president and Norman P. Ellis secretary. The board of directors will be chosen at a later meeting.

Robertson, the new president, is a prominent member of the Chamber of Commerce, and is one of the directors of the Merchants' Exchange. In his speech he stated that he would uphold the policy of the Rotary Club in taking a decided stand on all matters pertaining to the betterment of the city.

The retiring president of the organization, Dr. E. R. Tait, was unanimously placed on the list of honorary members, and a vote of thanks was accorded Rev. William C. Poole, the retiring vice-president.

Following the business meeting Edwin Meese, city treasurer, and candidate for commissioner No. 1, talked on the tax rate of Oakland and told how the sums received by the city were apportioned.

Garner Curran, president of the Federated Improvement Association of Los Angeles, and a member of the Rotary Club of that city, spoke on the Rotary spirit, as did also Rev. William C. Poole, the retiring vice-president, who called the Rotary idea the Golden Rule of twentieth century business life, saying that if it were zealously practiced by the club the organization would be a leader in the business and civic enterprise of the city.

Other speakers were Philip Reilly, one of the candidates for a commissionership, and L. Ernest Phillips.

JAPAN PLANS NO CHANGE IN POLICY

Katzura Tells Bankers Method of Handling Finances Will Remain the Same.

TOKIO, April 7.—Marquis Katzura, the premier and minister of finance, addressing an audience of bankers at Kyoto today, said there would be no change in the government's financial policy during the coming year. Unusual expenditures must be faced in Korea and also measures for the prevention of floods and for the development of the railroads and the navy must be undertaken. However, the necessary funds would be secured, he said, without resort to additional taxation or foreign loans.

The improvements in Korea are planned to extend over a number af years. The reconstruction of the main line of the Japanese railway system into a broad gauge road has been postponed for one year.

BRYAN REFUSES TO MAKE HOME IN MEMPHIS

WASHINGTON, April 7.—William J. Bryan yesterday told the committee, sent here by the citizens of Memphis to invite him to make his home in that city, that he could not accept. The invitation was extended at a luncheon given Bryan by the committee.

Judge James M. Greer of Memphis presented the Memphis idea. He was followed by Senators Lea and Taylor and Representative Gordon of Tennessee, Representatives Sisson of Mississippi and Robison of Arkansas and Duke C. Bowers of Memphis.

They begged Bryan to come where "the people loved him, where he would always find friends."

Bowers said he felt sure that Memphis could easily raise $2,000,000 if that would be any inducement, to have Bryan in that city.

Bryan replied that it was not a money consideration, and that if he looked at it in that light he would not be worthy of such an invitation. He said he knew he had friends in the South who would stand by him, and that was why they did not need him there; they needed him more in the North.

SUSPEND INCREASES.

WASHINGTON, April 7.—Advances recently made by express companies in charges for the transportation of liquors in packages were considered excessive by the Interstate Commerce Commision, and were suspended until an inquiry could be made into their reasonableness.

NEW YORK, April 7.—Although the school children of this city have been presented with 25,000 catalpha trees for planting on Arbor Day, the municipal authorities have issued orders that none of the trees be planted along the city streets. Keep Your Bath Room Spotlessly Clean with Gold Dust

Soap will not do the work properly because soap only cleans the surface—it does not dig deep after germs and hidden impurities like GOLD DUST—the greatest of all sanitary cleansers.

To keep bath tub and lavatory shiny-white and inviting—To keep metal pipes, fixtures and taps brightly burnished—To purify metal bowl—

To keep tiling and woodwork spotless and beautiful—

Simply add a heaping teaspoonful of GOLD DUST to a pail of water. You will be surprised at the ease with which it does the work. GOLD DUST sterilizes as well as cleans—and saves you one-half the labor.

Do not use Soap, Naphtha, Borax, Soda, Ammonia or Kerosene with Gold Dust. Gold Dust has all desirable cleansing qualities in a perfectly harmless and lasting form.

A Business Candidate on a Business Platform

MR. P. C. FREDERICKSON, CANDIDATE FOR CITY COMMISSIONER NO. 4, MAKES A STATEMENT OF PURPOSE SO SOUND AND SO PROGRESSIVE AS TO MERIT THE FAVORABLE ATTENTION OF CITIZENS IN EVERY SECTION OF THE CITY. MR. FREDERICKSON IS IN HEARTY SYMPATHY WITH THE SCHEME TO DEVELOP AND IMPROVE THE GREATER OAKLAND. HE IS IN FAVOR OF CARRYING OUT DILIGENTLY THE SCHEME OF HARBOR AND PARK DEVELOPMENT IN ACCORDANCE WITH THE PLANS ON WHICH IT WAS PROJECTED. HE IS IN FAVOR OF APPLYING BUSINESS PRINCIPLES TO EVERY DEPARTMENT OF THE MUNICIPAL ADMINISTRATION, BELIEVING THAT EFFICIENCY IS THE BEST HANDMAID TO ECONOMY AND THAT THE TWO CO-ORDINATE TO ACHIEVE THE BEST RESULTS BOTH IN GOVERNMENT AND CONSTRUCTIVE IMPROVEMENTS. BUT HIS VIEWS ARE BEST EXPRESSED IN HIS OWN WORDS. SPEAKING TO THE VOTERS OF THE ANNEXED DISTRICT, HE SAID:

"THE ADMINISTRATION OF A CITY'S GOVERNMENT SHOULD BE CONDUCTED ALONG THE LINES OF THE MODERN DEPARTMENT STORE, WITH NO WASTE, WITH A CLOSE CHECK UPON EVERY EXPENDITURE, AND WITH HONEST MANAGEMENT OF EACH PART OF THE BUSINESS ENTERPRISE FOR THE SUCCESS OF THE WHOLE STORE—IN THIS CASE THE ENTIRE CITY. WHEN WE HAVE A MUNICIPAL GOVERNMENT ALONG THESE LINES THEN WILL OUR TAXES BE DIMINISHED AND OUR STREETS AND PROPERTY WILL RECEIVE PROPER IMPROVEMENT. THE ADMINISTRATION OF CIVIC AFFAIRS SHOULD BE HELD AS A SACRED BUSINESS TRUST FROM THE PEOPLE TO THE ADMINISTRATORS."

HERE IS A STATEMENT THAT SHOULD COMMEND ITSELF TO EVERY TAXPAYER AND BUSINESS MAN IN OAKLAND. IT MAY NOT BE POPULAR WITH A SMALL GROUP OF TAXEATERS AND THE PLACEHUNTERS, WHO ARE SEEKING POLITICAL JOBS WHICH PAY A MAXIMUM SALARY FOR A MINIMUM OF WORK, BUT IT IS THE STRAIGHT TALK OF A BUSINESS MAN WHO KNOWS THAT EVERY DOLLAR WASTED IS A DOLLAR LOST OUT OF SOMEONE'S POCKET, AND THAT METHOD, PRECISION AND INDUSTRY ARE AS ESSENTIAL TO SUCCESS IN GOVERNMENT AS IN BUSINESS.

BUT MR. FREDERICKSON HAS A SPECIAL CLAIM TO THE GOOD WILL OF CITIZENS RESIDENT IN THE OLD SECTIONS OF THE CITY. HE BECAME A CHAMPION OF GREATER OAKLAND AT A TIME WHEN HIS CHAMPIONSHIP COUNTED FOR A GREAT DEAL. HE IS A RESIDENT AND LARGE TAXPAYER IN THE ANNEXED DISTRICT, AND HE LED IN THE MOVEMENT FOR CONSOLIDATION. HE IS ARDENTLY IN FAVOR OF FORMING A CONSOLIDATED CITY AND GOVERNMENT EMBRACING ALL THE CITIES AND TOWNS ON THIS SIDE OF THE BAY. HIS EFFORTS CONTRIBUTED MATERIALLY TO THE SUCCESS OF THE CAMPAIGN WHICH RESULTED IN THE ANNEXATION OF FRUITVALE, MELROSE, ALLENDALE, FITCHBURG AND ELMHURST.

A MAN OF SUBSTANCE, AN OLD RESIDENT OF THE DISTRICT, SUCCESSFUL IN BUSINESS, WIDELY AND FAVORABLY KNOWN, HE STUDIED THE QUESTION OF ANNEXATION AND BECAME CONVINCED THAT MUNICIPAL CONSOLIDATION WOULD BE A BENEFIT TO BOTH THE OLD CITY AND THE ANNEXED DISTRICT, AND HE LABORED AMONG HIS NEIGHBORS TO BRING THEM TO HIS WAY OF THINKING. HE APPEARED AS A SPEAKER AT NUMEROUS MEETINGS AND TOOK AN ACTIVE PART IN ORGANIZING THE ANNEXATION CAMPAIGN. HE APPEALED TO HIS FRIENDS AND NEIGHBORS TO ASSIST IN FORMING THE GREATER OAKLAND.

HE DID MORE. HE ENDORSED THE PLEDGES MADE TO THE PEOPLE OF THE ANNEXED DISTRICT BY THE OAKLAND CHAMBER OF COMMERCE AND THE GOVERNING OFFICERS OF THE CITY OF OAKLAND. HE ASSURED HIS NEIGHBORS THAT THOSE PLEDGES WERE GIVEN IN ALL SINCERITY AND EXPRESSED HIS CONVICTION THAT THEY WOULD BE REDEEMED IN GOOD FAITH. HIS ASSURANCES CARRIED WEIGHT AND DID MUCH TO OVERCOME THE OPPOSITION TO ANNEXATION. HE HELPED CREATE THE GREATER OAKLAND.

NOW MR. FREDERICKSON IS A CANDIDATE FOR THE OFFICE OF CITY COMMISSIONER. HE IS THE ONLY CANDIDATE FOR COMMISSIONER FROM THE ANNEXED DISTRICT WHO HAS A POSSIBILITY OF BEING ELECTED. HIS CANDIDACY IS IN REALTY AN APPEAL TO THE CITIZENS RESIDENT IN THE OLDER DISTRICTS OF THE CITY TO REDEEM THE PLEDGES MADE TO THE INHABITANTS OF THE ANNEXED DISTRICT. WHILE IT IS AN APPEAL FOR JUSTICE AND FAIR PLAY, IT IS ALSO AN APPEAL TO PAY A DEBT OF GRATITUDE. IT OFFERS AN OPPORTUNITY TO THE CITIZENS OF OLD OAKLAND TO REPAY AN OBLIGATION, TO MAKE AN ADEQUATE RETURN FOR A GOOD SERVICE. THE ANNEXED DISTRICT IS ENTITLED TO A REPRESENTATIVE IN THE CITY COMMISSION AND MR. FREDERICKSON HAS A PREFERRED CLAIM ON THE GOOD WILL OF THE PEOPLE OF OAKLAND. MR. FREDERICKSON'S ELECTION WILL CANCEL BOTH OBLIGATIONS AND GIVE THE CITY THE SERVICES OF AN ENERGETIC AND CLEAR-HEADED BUSINESS MAN.

ONE OF MR. FREDERICKSON'S AIMS IN OFFERING HIMSELF AS A CANDIDATE IS A REDEMPTION OF THE PLEDGES MADE TO HIS NEIGHBORS, PLEDGES THAT HE ENDORSED AND WHICH HE FEELS PERSONALLY BOUND TO HAVE REDEEMED IF POSSIBLE. THOSE PROMISES SHOULD BE FULFILLED, AS EVERY FAIR-MINDED MAN WILL ADMIT, AND THE ONY WAY TO FULFILL THEM IS TO ELECT MR. FREDERICKSON. THAT WILL REDEEM THE FIRST PLEDGE. MR. FREDERICKSON WILL SEE THAT THE OTHERS ARE FULFILLED.

MR. FREDERICKSON NOT ONLY DESERVES ELECTION FOR THE ASSISTANCE HE GAVE IN FORMING THE GREATER CITY OF OAKLAND, BUT HIS CANDIDACY IS ATTRACTIVE TO ALL MEN WHO WISH TO SEE CAPABLE, INDEPENDENT AND UPRIGHT MEN IN CHARGE OF THE CITY'S AFFAIRS. THERE IS NOT A CANDIDATE IN THE FIELD BETTER QUALIFIED THAN HE, FEW OF THEM HALF SO WELL QUALIFIED AND NONE MORE WORTHY OF SUPPORT. A BIG VOTE SHOULD BE ROLLED UP FOR HIM IN THE OLDER SECTIONS OF THE CITY.

Shall Civic Progress Continue?

Frank K. Mott should be kept at the head of the city government till the grand scheme of harbor and park development he projected and inaugurated has been carried out or carried so near to completion that it cannot be torn to pieces or obstructed. The candidates who are contesting Mayor Mott's re-election propose to tear down, not build up; to halt and change the plans for adorning the city and improving its commercial facilities, not carry them out. Theirs is a policy of destruction, not construction. Mayor Mott represents the get-together, pull-together spirit; the spirit that made Chicago the great metropolis she is, that has built up and beautified Los Angeles. He is he first Mayor Oakland has had in a generation who initiated a constructive policy embracing the whole circle of municipal activities and has labored to carry it out. The projects he inaugurated are yet in the formative stage, and their future value will be greatly determined by the manner in which they are carried out, whether they are carried out diligently and in good faith or halted and hacked as political ambition, personal interest or prejudice may dictate. The fact is, the issue in the campaign, so far as the Mayoralty is concerned, is, "Shall a man be put in the Mayor's office who will endeavor to tear down and undo what Frank K. Mott has built?" If the answer be no, then Mayor Mott should be re-elected. If the public improvement plans inaugurated by Mayor Mott are to be carried out, Mayor Mott is the man to carry them out. It would be stark madness to commit their completion to men who are hostile to them, and who would attempt to justify their opposition to the constructive policy of Mayor Mott—undo what he has done, or at least stop the work now in progress, to alter plans and change the scope and character of the scheme of municipal development which the people have authorized at a referendum.

Once more we must remind our readers that THE TRIBUNE does not publish anonymous communications. We rarely print communications over a nom de plume, and never unless the writer gives his name and address as a guarantee of good faith. At no time does THE TRIBUNE allow itself to be made the vehicle of wanton and defamatory attacks on individuals. It is necessary to say this for perhaps the hundredth time because of so many anonymous communications coming in of late. While this paper desires to give every citizen a chance to express his views on public questions we do not propose to extend the courtesy of our columns to persons who desire to vent their personal dislikes anonymously or who wish to tout candidates for office. Persons who desire to attack their enemies from ambush must seek some other channel of publication. THE TRIBUNE will not be the vehicle of their malice.

Friendly Control of Public Works.

No city on the Pacific Coast has shown so much activity in municipal improvement during the past six years as Oakland has done. Extensive park lands have been acquired and improved, miles of wide and splendidly paved boulevards and other roadways have been constructed, the sanitary and storm water system of drainage has been perfected, a salt water fire protection system covering the greater part of the central business district has been installed, and its value demonstrated by practical experience, the municipal control of the water front settled and its improvement on an intelligent and comprehensive plan started, and the erection of a group of long needed permanent municipal buildings begun. The carrying out of this broad and progressive plan of municipal development has had the effect of stimulating private improvements in every part of the city. Oakland is now in the very thick of it. Its continued prosperity depends on the continuance of the municipal improvements with the same vigor and intelligence in the future as they have been furthered and fostered in the past.

Nothing more unfortunate could happen to the city of Oakland generally than the arresting of these public works by their control passing into unfriendly hands. It would have a damaging effect on the city's progress and cast a blight on its present and future prosperity, for any halting in the carrying out of the public improvements now in course of development and in the execution of the plans of other improvements which have been carefully matured would have the depressing effect of putting a stop to all private improvements, for the latter are so intimately joined to the former that they cannot be disassociated.

It is, therefore, plainly the duty of every loyal citizen of Oakland at the present time to take such action as will assure the continuance of these important public works. It is absolutely essential to Oakland's progress and prosperity and its advancement as a great commercial city, on which career it has fairly started, that their control shall remain in friendly hands and not be transferred to those who are either lukewarm in favor of or positively inimical to their development. Oakland cannot afford to risk a possible setback.

Our esteemed contemporary, the Enquirer, seems to be somewhat mixed in its geography. In the course of a strenuous article on the Lorimer scandal it says:

"Both the New York State investigating committee and the United States Senate should continue the work of unearthing the frauds practiced at Albany during the Lorimer election." It characterizes Lorimer as "the blonde boss of Chicago" and says that "some time ago it was proved to the satisfaction of the majority of the people that several New York legislators had been bribed to vote for Lorimer."

Our contemporary is mistaken. No New York legislators were bribed to vote for Lorimer; none ever voted for him. Chicago is in the State of Illinois, not in the State of New York, and the Illinois Legislature assembles at Springfield, not at Albany. Lorimer was not elected Senator from New York, and the committee now investigating the charges of bribery growing out of Lorimer's election was appointed by the Illinois State Senate.

Otherwise the Enquirer is correct. The slight inaccuracies noted are excusable, however, for they are unusually small spots on the sun.

Baccus for Commissioner No. 2.

Councilman William J. Baccus is a candidate for election as Commissioner No. 2 at the primary election, and as a typical and popular representative of the Union Labor party he has special claims on its membership for support at the polls. Baccus is a workingman himself and in perfect sympathy with the interests of workingmen, and as a Union Labor man is a member of the Bricklayers' Union. As a brick contractor he has been strictly consistent with his union labor connections and relations and employed union labor only in the carrying on of his business. It is essential that the union labor interests in Oakland should be represented in the composition of the City Commission to be organized under the new charter, and there is no one better qualified to do it fairly and intelligently than Baccus.

Baccus has been a member of the Council for eight years. During that long period he has been progressive in all his actions. Every measure which promised to benefit the city has, without exception, received his hearty support. He has been as practical as he has been progressive. His long experience in the Council has made him thoroughly familiar with the city's wants and he is in perfect accord with its ambitions. The continuance of his services as a member of the City Commission is invaluable and there is no candidate in the field better qualified than he is to perform its responsible duties.

20 YEARS AGO IN OAKLAND

The students at the state university had a frolic at the Tivoli, in San Francisco, last evening, when the opera "Patience" was produced at their request. All through the opera university hits were interpolated and the students owned the theater. They hired a big telescope from a street showman and, carrying it into the center aisle, pointed it at the stage and then looked through it at the chorus girls.

John J. Pinet, the wealthy shipowner who died in France a few days ago, was recently married in this country and resided in a handsome house at the corner of Twenty-fourth avenue and Twenty-eighth street, East Oakland.

Mrs. Mary Hartmann departed this life at the residence of her daughter, Mrs. Penke, at Mount Eden last week at the advanced age of 88 years and six months. She is survived by Henry and Fred Hartmann and Mrs. Pauline Yaeger of Oakland and Mrs. Jennie Willis of San Joaquin.

The residence of Mr. and Mrs. J. L. Curtis on Seventeenth street, East Oakland, was the scene of a party in honor of Mr. Curtis' birthday the other evening. The following were in attendance: Mr. and Mrs. J. W. Phillips, Mr. and Mrs. C. H. King, Mr. and Mrs. R. S. Leckie, Dr. and Mrs. A. Fine, Mr. and Mrs. F. G. Conklin, Dr. and Mrs. Pratt, Mr. and Mrs. C. D. Pierce, Mr. and Mrs. Fisher, Mr. and Mrs. Alonzo Cummings, Dr. and Mrs. F. W. Lewis, Mr. and Mrs. Charles F. Deihl, Mr. and Mrs. J. P. Meehan, W. E. Bond and Mr. and Mrs. Ayers.

And now comes another Oakland girl who will likely attain fame as a vocalist. Miss Marie Parrott is her name and she has been advised by a large number of authorities to make the most of her accomplishment. She has been advised to go on the stage, but so far has declined, because it is not to her liking.

Among the Oaklanders who are traveling out of town are the following: A. M. Wernum, Mr. and Mrs. A. Cornwell, Dr. and Mrs. L. D. Pelton, Rev. Phillip Graif, Mr. and Mrs. William Moller, V. W. Gaskill and Mrs. Gaskill, James McCarthy, A. W. Blow and others.

The engagement is announced of Miss Margaret Todd, daughter of the lessee of the Park hotel, Alameda, and Mr. Stevenson, the manager.

Thomas D. Bryan has left for Pinos Altos, state of Chihauhua, Mexico, to take a position as assayer for a mining company.

Dr. Julia F. Button of this city will start for the East in the course of two weeks. She will be absent for some time, visiting the hosptials in Eastern cities.

President C. P. Huntington of the Southern Pacific is expected to arrive here early next week. He is traveling, as is his custom, only in the daytime, his train being sidetracked at night.

JUAREZ MADE HOSPITAL CAMP

Eighty-three Wounded Rebels Are Quartered There Under Federal Guard.

General Lis Reported to Be On Way to Chihuahua From Casas Grandes.

EL PASO, April 7.—Eighty-three wounded and a number of prisoners taken by the federals at Casas Grandes were brought into Juarez today. The wounded lay prone in box cars, but were well cared for by the escort, which numbered about 200. With the latter were two field pieces and two rapid fire guns.

General Eguia Lis recently ordered to proceed with his force from Casas-Grandes to Chihuahua, is reported to have left for the latter place.

Twenty-five "soldadas," or women camp followers, who had become separated from their husbands in the federal ranks, arrived in Juarez today. They walked from Chihuahua, 150 miles away, pushing a hand car that bore their meager belongings. Where bridges were out they forded the streams, carrying the hand car.

United States customs guards report a force of 400 insurrectos at San Ignacio, opposite Fort Hancock, east of El Paso. The appearance of this force, which it is believed is awaiting reinforcements, has revived fears of an attack on Juarez.

Dispatches from Culiacan, the capital of Sinaloa, declare that two engagements have taken place near Mojolo and that a number of wounded federals have been brought to Culiacan in oxcarts.

Couriers from Agua Jito, near Mojolo, brought in reports of an engagement in which it was said that forty insurrectos were killed by the federal artillery.

Only 150 troops are left to garrison Culiacan and Governor Redo has been directed to maintain a defensive attitude.

3 Federal Columns Are Marching on Extermination Trip

MEXICALI, Mex., April 7.—The defeat and rout of Simon Berthold and his band of 65 rebels at Alamo, 75 miles south of Mexicali, on March 28, is further confirmed by the reports of fugitives arriving from that vicinity. These arrivals also bring word of the presence of 150 federal troops at Laguna Salada, only 20 miles southwest of Mexicali. This force is believed to be one of the three columns sent by Colonel Mayot from Tecate eight days ago with the ultimate purpose of exterminating the rebel bands at Mexicali and vicinity.

General Stanley Williams, with his 80 rebels, all Americans, are at the Cudahy ranch a short distance from Mexicali, where they are said to have taken livestock and supplies. Leyva, the deposed Mexican commander, has left Mexicali and, according to Commander-in-chief Salinas, is on his way to Los Angeles. The United States authorities at Calexico have wired the Los Angeles officials to look out for Leyva and arrest him. He is wanted for alleged violation of the neutrality law.

Leyva announced his intention of going to Alamo to join Berthold, but reports of the latter's annihilation evidently induced him to change his mind.

BAY CITY LEAGUE MAPS OUT WORK

Walter MacArthur Speaks of Relations With the Labor Union.

The bi-weekly dinner of the directors of the Bay Cities' Consumers' League took place on Tuesday, April 2, in San Francisco. There was much animated discussion between courses of plans for the year's work.

Walter MacArthur, editor of the Seaman's Journal, spoke informally on the relation of union labor to the Consumers' League and to the made-in-California movement. He pointed out opportunities of co-operating with both in securing the purchase by the thinking buyer of only such articles as are manufactured under proper conditions. He emphasized the fact that the unions can do nothing to regulate the sweat-shop labor, the products of which are bought in the east and sold in our western shops. The State Labor Bureau was said to be hampered and discouraged by lack of funds.

LETTER OF APPRECIATION.

The league voted to send a letter of appreciation to those employers who have placed their women workers on an eight-hour day since the passage of the state law, without waiting for the statute allowance of sixty days to expire. The list is not yet complete, but the league is aware that many shops have already conformed with the new law at some expense and inconvenience.

Among the directors of the league from this side of the bay are Dr. Jessica Peixotto, Professor W. C. Mitchell, Mrs. H. C. Capwell, Miss Anita Whitney and Miss Julia Tolman [illegible], the secretary. The president is Mr. F. C. Athearn, well known in university circles and also to the railroad world as superintendent of railway clubs for the Southern Pacific.

The guests of the dinner were Mrs. F. C. Athearn and Miss Emily Cothout Lamb of the San Diego normal.

DELIVERY WINDOW TO BE OPEN ON SUNDAYS

ALAMEDA, April 7.—Postmaster T. W. Leydecker stated today that he expected to hear favorably from the federal department in Washington about April 13 in regard to closing the local postoffice on Sunday. The postmaster stated that the delivery window would be open for an hour in the morning and that important letters arriving in the Sunday mail will be delivered by a special messenger if ten cents is left at the postoffice for special delivery fee on Saturday.

FREDERICKSON CHEERED TO ECHO AT BIG MEETING

GATHERING IS IN ANNEXED DISTRICT

Great Crowd Hears Popular Candidate Expound His Principles.

J. W. Walsh Points Out Danger of Opposing Aspirant for Office.

There was a crowded auditorium last night at a meeting in the interest of P. C. Frederickson for Commissioner No. 4 held in Carpenters' Hall, East Twelfth street and Fruitvale avenue, the throng cheering Frederickson to the echo when he appeared and delivered a short address in support of his candidacy.

Frederickson is a man of few words. He does not believe in long speeches, more especially in the annexed district, where he is known and almost worshiped by every resident of the place.

By the business men, not alone of that section, but also throughout the city, he is appreciated as a man of acumen, business ability and sterling integrity. By the residents of the eastern part of the city he is considered a good neighbor and by those who are temporarily in trying circumstances he is really and unostentatiously a friend indeed.

Wherever he goes these days he meets the right hand of fellowship and hearty commendation of his candidacy. Of this a most convincing demonstration was given at the meeting last night—a meeting composed of young and vigorous mechanics and merchants, who are building up the outlying district and who have enlisted in the Frederickson campaign with the determination that their friend will be one of the first commissioners under the new charter of the city.

FORMER OPPONENTS.

The meeting was called to order by William Thornally, Jr., the president of the organization, which is known as the Representation Club of Greater Oakland. The minutes were recorded by the secretary, M. E. Jacobson. In opening the exercises, the president stated that while he and Frederickson had differed on the question of annexation, at the same time there was no feeling between them but that of the most appreciative friendship. He knew that while he opposed annexation, and Fredericksoon favored it, the latter was honest in his intention, and was now deserving of the support of the people for the position of commissioner.

P. C. Frederickson was received with enthusiastic cheers when he made his appearance before the audience. After the applause had subsided he said:

"I was compelled to leave the meeting early, one week ago, but I am here to stay tonight. It has been well said by Mr. Walsh that at the election more than a year ago we were made promises in the annexation contest. I tried today to dig up a copy of those promises because my name appeared on the same as a director of the Oakland Chamber of Commerce, but I was unable to do so because it was mislaid. One of the promises was that we were to get representation in the government of the city. It looks to me, because of the way things have been going, that there is an attempt being made to prevent us from getting that representation.

"But, so far as my candidacy, it looks good, as far as I can see. There seems to be a feeling on the part of the citizens of Oakland that they are going to give their votes to the citizens of the annexed district.

ENTITLED TO IT.

"They say that they know that the people of this district are entitled to representation and they are going to help them to get it by the election of a representative from this part of the city. If I am elected I promise you that I will stand for a good and an economical administration. I will stand for the making of all the improvements which are now under way and which are contemplated for the benefit, not alone of this section, but also of the whole city.

"I want to thank you for the interest you have shown in the campaign by your presence here tonight, as also by the excellent work which you have already done in the campaign. If we can come down to Twenty-fifth avenue with a good majority there is no doubt that we will win."

J. W. Walsh, a newspaper man of the annexed district, was called to the platform and after same pertinent remarks regarding the claims and qualifications of P. C. Frederickson for the office of city Commissioner No. 4, turned to the question of representation for the annexed territory in the councils of the city of Oakland, and he said:

"We, the people of the annexed district, must see to it that we secure representation upon the new board of city commissioners. Without it we are left disfranchised and completely at the mercy of any and all who may wish to exploit us for their own selfish purposes or for the benefit of other sections. Without it we cannot have the hearing we require, the improvements we need, nor the protection for and the promotion of the interests that are justly and honestly ours. We can secure this representation through the election of Mr. Frederickson and in no other way. It is simply a case of real representation with him, or no representation worth speaking of without him.

REPRESENTATION PLEDGED.

"To all who attended the public meetings held here in the interest of annexation, or who read the public press of that period, it is well known that full and competent representation was solemnly and definitely pledged to us by the city officials of Oakland, by its civic bodies, and through these by the citizens. For the complete redemption of that pledge we must stand firmly, unflinchingly, and to a man. If we do not we deserve nothing, and that is what we will surely get.

"It is claimed by those who seem determined to disfranchise us, and cut us off from representation, that no such pledge was made, and that we were simply and only promised our pro-rata share of appointments under the city government. Let us look at the matter from that point of view. In November, 1910, a few firemen, when they threatened otherwise to strike were placed upon the regular payroll of the city and besides, one deputy city clerk was appointed. This was eleven months after annexation took place. Is that a pro rata or even a fair share of appointments for 40,000 people, representing 36 square miles of territory, 5000 votes and millions of taxable property? Is that a square deal? I think not, and yet that sort of a deal, or even a worse one, is what we may expect if the program laid down by our opponents is successfully carried out, which it will be if we are not vigilantly on guard."

P. C. FREDERICKSON, who was cheered to echo last night.

"Even taking the ground, for the sake of argument, that no such pledge as the one under discussion was ever given, a position which we by no means admit, still representation for the annexed district is implied in the very nature of things. It is implied in that great and clearly defined principle, because of the violation of which the fathers of this country defied and fought the king of England in 1776, a principle which underlies every prerogative of the American government, namely, the proposition that there shall be no 'taxation without representation.' It is implied in the just consideration of the rights of 40,000 citizens. It is implied in fairness to 5000 legal voters. It is implied in the pressing needs and requirements of the citizens of a vast and rapidly developing stretch of municipal territory; and it is most emphatically implied in the fact that we the people of the annexed district are an integral, loyal and deeply interested part and portion of the city of Oakland, with affairs just as important, and rights just as worthy of recognition and consideration as are those of the citizens of any other section of that city.

POWERFUL FACTOR.

Just here let me remark that this latter fact is going to prove a powerful factor in our favor at the coming election. There is a large and powerful body of fair-minded and intelligent men in Oakland who concede the fact that we are justly entitled to a member of the board of city commissioners, and are going to vote to give us one, despite the edicts and commands of bosses and ringsters.

"Now what is the source of the opposition to the annexed district being duly represented in the councils of the city of Oakland? There is neither rhyme nor reason, sense or logic in the proposition, and yet there is the clearest proof that this opposition is strongly in evidence. The question can be answered in just seven little words. Here they are: It is the command of 'The Boss.' Who is the boss? Michael Joseph Kelly, treasurer of Alameda county. I have been told by men in whose judgment and information I have the utmost confidence, that the sway of this gentleman in Oakland politics is more absolute and dominant than was ever the rule of Abe Ruef in the politics of San Francisco.

"I will here relate a little history which throws some little light upon the situation. The facts in it are substantially true. I did not gather them from Mr. Frederickson, or any one especially representing him. They came to me, as such things often do to newspaper men, and are given out entirely upon my own motion and responsibility nor does Mr. Frederickson know that I intend to speak of this matter here tonight.

CHANGES STAND.

"You all know that when the question of annexation was first agitated here, Mr. Frederickson, for what seemed to him good and sufficient reasons, opposed it. You also know that afterwards, having changed his mind upon the subject he became a prominent and influential figure in the matter of securing annexation. He changed his views in the matter because he was definitely and emphatically assured by the city officials, his fellow-members in the chamber of commerce, and by many leading and influential citizens of Oakland, that if annexation occurred, the annexed district should have its full quota of rights privileges and improvements, even to representation in the board of city commissioners. He was further assured that any reputable citizen whom the people here might name to represent them should receive the cheerful and active support of the voters of Oakland at large, and of its city officials.

"When Mr. Frederickson himself, very early in the campaign, concluded to become a candidate for commissioner, a course which he adopted only after extended conference with a large number of our best citizens, by whom he was fully assured he would be acceptable, he went to Oakland, fully expecting the pledge of its representatives to be honored.

"He found that the city representatives would give him no definite satisfaction in the matter. They sent him to confer with Attorney Charles E. Snook, a chief director in city politics. Mr. Snook hemmed and hawed, and backed and filled, and finally said that he must have more time for thought before he could give a definite answer as to the matter under discussion. What he really knew was that he must see 'the boss' of the city in the county treasurer's office before he could reply to the questions of Mr. Frederickson. Later, Mr. Snook, accompanied by Guy C. Earl, another manipulator of city politics, called upon Mr. Kelly, and placing the candidacy of Mr. Frederickson before him asked if he could endorse it. He flatly refused to do so. In reply to their proposition he said: 'I will not stand for the election of P. C. Frederickson under any circumstances whatever. He is a man who, if elected, will be simple enough to suppose that he represents the people of his district, and must stand for their interests. He would thrust his long arm into the bag of city patronage, the strings of which I now hold in my own fingers, and perhaps attempt to fish out some of the choicest plums for his constituents. This I will not stand for. I will defeat him at the primary if I can. If he by any mischance succeeds there, I will concentrate every effort and influence at my command, and beat him at the final election.'

SHAMELESSLY BETRAYED.

"This declaration settled the matter. The boss had spoken, the edict had gone forth, there was nothing more to be said. Thus has P. C. Frederickson, the only logical and generally-accepted candidate of the annexed district, the only candidate with a chance residing within its limits, and directly and deeply interested in its affairs, been shamelessly betrayed in the house of his supposed friends. Thus having the people of the annexed district been coldly, deliberately, and squarely turned down in the very face of the oft-repeated pledge that they should be fully and fairly represented in the councils of the city. And for what? Simply that a self-styled 'boss' may fatten on their privileges, by filling, with his strikers and henchmen, positions that justly and logically belong to this district. Thus has P. C. Frederickson lost numbers of votes to which he is rightfully and logically entitled in this district, for it is well known that there are men here who will vote against him, simply and only on the ground that he favored annexation, with which, in the light of broken pledges and general indifference, if not hostility to the rights of our people, these voters are thoroughly disgusted.

'I desire to say in closing that in what I have said there is no spirit of personal animosity. I understand Mr. Kelly to be a reputable and worthy gentleman, a competent county official, and quite sane upon all subjects except that of being 'boss' of the city of Oakland. It is rather curious that he does not appear to appreciate a good thing when he has it, and take the necessary steps to keep it. It is also rather remarkable that a man of his perception cannot see that, in Oakland, the day of the political 'boss' has passed away. To continue in power, a political 'boss' must have a machine over which he can, at all times, exercise complete personal control. To successfully exist, the 'boss' must have behind him the packed and programed convention, as well as the machine. These factors no longer exist in Oakland. They have been cut out by the *direct primary and the provisions of the* new charter. The 'boss' should now be willing to be a 'good dog' and cry quits.

"As a closing word, I wish to say that we of the annexed district are going to win out in this campaign. No power on earth, except our own neglect, can defeat us. If we are true to ourselves, we are sure of our commissioner. His name is P. C. Frederickson."

POINTS OUT DANGER.

Colonel Robinson said that if the people *of the annexed district* did not elect P. C. Frederickson they would have no representation in the new city commission. More than that, they would have no representation there for at least four years. He advised his hearers not to antagonize any candidate or any person who had an interest in the campaign in order that they might be able to secure all the assistance possible for Frederickson. But they would have to destroy the power of Mike Kelly, the boss,' he said. He had been in consultation with a number of the leading business men of Oakland and all of them to whom he had spoken on the subject assured him that they were decidedly in favor of Frederickson as commissioner from the district.

D. L. Beyer, who is a candidate for school director No. 6, said that his candidacy for that position was not to be considered in connection with that of P. C. Frederickson for the position of commissioner No. 4. He would say nothing about himself. If he had made mistakes, and he admitted that he had, the people would learn all about it. If he had done something good, the voters would learn of that also in their own way. His interest was centered in the success of P. C. Frederickson. He had known how Frederickson in hard times had kept all of his employes engaged five days of the week, when other employers had dropped off all their workingmen for the purpose of being affected as little as possible by the dull period. He had known of instances where people who were without the means to get the necessary supplies of their homes had been aided by Frederickson. A man who could not see others suffer, without tendering assistance, was a man to be trusted in the position of commissioner. Certain people had demanded that he substitute other candidates for Frederickson, but the speaker said that he would rather vote against himself for school director than be the means of Frederickson losing a solitary vote.

OTHERS SPEAK.

Lyman Harford spoke very warmly in favor of the candidacy of Frederickson and was followed by Harry S. Anderson, candidate for commissioner No. 1. He said that he had been born in this city thirty-five years ago and he had been in business in Oakland for twenty years. He felt that, as a business man, he was competent to fill the position of commissioner under the new charter. He had announced a platform which he thought was one on which he could consistently stand and which he believed would be appreciated by the people. Among other things he was in favor of good streets, courtesy and ability in the employes of the city, economy and honesty in the administration of public affairs and improvements such as were required in the furtherance of the progress of the city.

There was one special thing that he was opposed to and that was the alleged "special policeman graft" in the residential district. In the business section there might be some excuse for the existence of special policemen, but there was no reason why, in the residence quarters, people should be compelled to pay sums varying from 50 cents to $3 or $3 per month, for the alleged protection of property specials, he said. He knew of an instance where one man for that kind of work was drawing down $400 to $600 per month, riding on a horse and covering three square miles of territory. He asserted that the citizens were entitled to protection without having to pay a "tribute" of that kind.

WOULD REPRESENT CITY.

If he should be elected as a commissioner of the city he would represent not one district, but the whole city. He said he would give the same attention to the rights of the simple citizen as he would to the bankers on Adams point. He was not tied to any political machine and would not surrender himself, in the event of election, with the best material in the way of assistants and deputies who could be secured.

Charles Quayle, who is a candidate for school director No. 3, Harry L. Boyle, who aspires to school directorship No. 4, and Frank J. Gordon, who is running for school director No. 2, made interesting speeches, each showing that he was devoted to the cause of education and would aim to make more effective than they are at the present time, the public schools of this city.

PLAN BUSY NIGHT FOR THE CANDIDATES

There will be a meeting of the Sixth Ward Republican club at the corner of Third and Jefferson streets this evening, at which there will be in attendance a number of candidates, among them Mayor Mott and several other aspirants for office.

Mayor Mott is to be initiated as a member of the Loyal Order of Moose, the initiation to take place tonight in the local lodge of the order.

This evening there will be a meeting of the Citizens' Good Government League in Castle Hall, at the corner of Twelfth and Franklin streets, at which there will be a canvass of the votes cast for the several local aspirants for office. There will be a Socialist meeting also tonight in Alcatraz Hall at Seventh and Peralta streets.

Tomorrow night Mayor Mott and F. F. Jackson, candidates for mayor, will speak at a meeting of the Consolidated Improvement Clubs at Fitchburg. Next Sunday at Shellmound Park there will be a picnic by the Norwegian Society of this city, which will be attended by Mayor Mott and several other candidates for local office. Tomorrow afternoon, at Bay View Park, in the vicinity of the Sixteenth street depot, there will be a baseball league organized by Superintendent of the Playground Commission George Dickie, in which a number of junior organizations have entered. Mayor Mott will pitch the first ball over the plate in the series of games.

GIRL'S CRIES FRIGHTEN AWAY HER ASSAILANT

SAN FRANCISCO, April 7. — While walking from the street car to her home along a dark thoroughfare at a late hour last night, Miss Marie Andichon, a sevnteen-year-old girl, of 1282 Eighth avenue South, was seized by a tall man who dogged her footsteps. The thug grabbed hold of her at K street and Eighth avenue, clutching her by the throat and throwing her to the ground. She grabbed him by the hair and kicked and screamed until, giving up the struggle, he freed her and fled.

Worked All Night

The Entire Kohler & Chase Force Put In Busy Nights Preparing to Move.

What a hub-bub at 1015 Broadway! Last night tuners and polishers were getting all the pianos and player pianos ready, and the intrepid manager, Mr. Hill, was marking down the prices. Sheet music and talking machine clerks, office help, in fact everybody was hustling and bustling.

Nothing half so sudden as this move of our leading music concern has come up in years. It is freely stated in piano circles that Kohler & Chase can't begin to sell off their big stock or even half of it in the next few days, but the Kohler & Chase men say they will. Yet anyone familiar with their tremendous stock of pianos, player pianos, small instruments and sheet music knows that they have an immense task before them. "Price," said Mr. Hill, "will do it. We are offering the best musical goods in the world at prices which force quick buying. Our stock is being literally thrown on the market regardless of cost. We have decided to cut our prices rather than lose by moving our stock about at great expense and certain damage. The public will get the benefit. We hope to sell most of the stock in the next few days." The store today was overcrowded and Mr. Hill may yet prove he can do what he says. We shall see.

MAKES HIS FIGHT ON HIS RECORD AS COUNCILMAN

HAROLD EVERHART, Councilman and orator, who is a candidate for Commissioner No. 4.

Councilman Harold Everhart, from the first ward, is busy making a personal canvass for commissioner No. 4. He is standing on his public record and advanced ideas on city government as a platform for the coming election.

CENTRAL LEAGUE TO OPEN SEASON

Richmond Prepares to Celebrate When First Game Is Played.

RICHMOND, April 7.—This city will celebrate the opening of the Central California baseball season in this city Sunday with a procession at which a brass band will play and the competing teams and baseball dignitaries will be carried in autos. The Richmonds and the Clarions of Berkeley will play.

Mayor Willis will pitch the first ball. He has strength and speed, but says he has sort of lost control of curves since he played in the old vacant lot back home and that the first twirl may result in a home run. Richmond has established a fine, modern ball park and the city is full of fans so a big opening is expected. The other teams in the league are those of Vallejo, Alameda, Hayward, San Leandro, Elmhurst and Fruitvale.

CITY RALLIES TO THE SUPPORT OF MAYOR

The Mott Supporters Discover Everyone of Prominence Is Behind Mott.

MANY BECOME MEMBERS OF NEW ORGANIZATION

The Merchants and Industrial Workers Praise Present Administration.

There was another earnest effort put forth this morning by the executive and the general campaign committees of the movement in favor of Mayor Mott for reelection to the position of mayor of this city to get additional members to the Business Men's Mott Campaign Club. Activity was ended after about an hour's effort, when the committee decided that work on their part was unnecessary because wherever they went they found everyone in favor of the movement.

When the canvass was brought to a close there were the names of several hundred of the best known and most successful men of this city signed to the roll, with the accompanying pledge that there would be no cessation, on their part, of work for the candidacy of the mayor until after the polls had closed on the night of election.

There are no more intelligent men in the state than the merchants and manufacturers of this city. There are no persons who are more capable of determining when a municipal government is handled in a satisfactory and economical manner than are the merchants and the industrial workers of Oakland. It was this fact that impelled them to sign the roll with such unanimity.

WILL SEEK MORE.

Regardless of the success of the day referred to in the enrollment of today, the canvassing will be resorted to tomorrow morning, merely to afford those who have already sent in notice of their intent to take part in the support of the mayor to attach their signatures to the membership role.

In the list, as it stands at the present time, there are a number of names of the earners of wages from industrial enterprises which, taken into conection with the list of the dealers and producers, show that people of all the classes which go to make up the municipality are in earnest support of the mayor's candidacy.

The new organization is to make a sweeping campaign. It is animated by the newly-created spirit which has wrought such wonders and new developments in the city of Oakland in the past few years and the result cannot be expected to be otherwise than has been the result of similar campaigns which have attracted to Oakland the attention of the entire Pacific coast and, indeed, of the nation.

PLAN LUNCHEON.

In this conection it may stated that at the Forum, next Wednesday, April 12, there will be another luncheon by the members of the organization, which Mayor Mott has been invited to attend and at which he has been asked to deliver an address on what can be accomplished by the election of tried men to the new positions in the government under the new city charter.

Cards with this purpose in view have been issued and are self-explanatory, as follows:

"Business Men's Mott Campaign Club. —Meeting is hereby called, Wednesday noon, sharp, April 12th, 1911, at the Forum cafe, to meet Hon. Frank K. Mott, mayor of our city, whose re-election we earnestly advocate.

"Let us show him the loyalty of the business men of Oakland by meeting him at luncheon on Wednesday next.

"Bring at least one new friend with you.

"Answer on return card and mail at once. General Committee,

"J. P. EDOFF, Chairman."

The card is accompanied by a return postal and the indications are that the attendance will be the most demonstrative affair of the kind which has ever taken place in this city.

CANDIDATE FOR NUMBER 4 HAS SERVED THE CITY

R. C. VOSE, Councilman at large, who seeks nomination as Commissioner No. 4.

Among the many candidates for commissioner No. 4 is Councilman R. C. Vose from the Seventh ward at large.

Mr. Vose has served the city for four years in the Council and relies upon his record to make him many votes.

TO CLOSE CONVENTION.

SAN JOSE, April 7.—The State Sunday school convention will close this evening with addresses by the Rev. H. H. Bell of San Francisco and Dr. Robert Burdette of Los Angeles. The morning session was devoted to Bible study and an executive session and this afternoon an address by the Rev. J. E. Squires. The figures of the religious census of this city, taken Wednesday and yesterday, have not yet been fully compiled.

THIRD WARD CLUB TO HOLD SMOKER

Mayor Mott to Be Among the Speakers at Wednesday Night Rally.

At a meeting of the old Third Ward Republican club last night arrangements were completed for a monster smoker to be held Wednesday evening at Junction hall, Seventeenth and Peralta streets. John Forrest, candidate for commissioner No. 4, made an appeal to the voters from the standpoint of the working men.

R. D. Holmes, candidate for commissioner No. 3, advocated his platform, viz., a consolidated city and county government, a municipal water supply, the encouragement of ocean commerce and the development of the waterfront. He pledged himself, if elected, to appoint men to office irrespective of political belief.

Other speakers were Supervisor John F. Mullins, Dr. F. McCracken and Gerald Lawler.

For next Wednesday night a number of candidates have been invited, among them Mayor Frank K. Mott, Edwin Meese, P. C. Frederickson, R. D. Holmes, George Gross, Harold Everhart, F. B. Cook and Calvin J. Orr.

Music, short talks and light refreshments will be features of the evening.

JACKSON SPEAKS IN GOLDEN GATE

The Candidate for Mayor Tells What He Would do if Elected.

Last night at the political meeting at Klinkner Hall, Golden Gate, Dr. F. F. Jackson, who is a candidate for Mayor, was one of the speakers. He asserted that the improvements which had been made in streets had been made at the solicitation of the paving companies and had been paid, not out of the taxes, but by the owners of the abutting property.

He said that the present rate of taxation was excessive and that if he should be elected he would reduce it. He stated that the tax rate is really $1.90, but that 52 cents of the tax rate for schools, which had been formerly paid by the city, was now paid by the county tax bills.

He further said that when the present administration came into power the tax rate was $1.16, including school tax, and that it is now $1.38 excluding the school tax and that the tax paid by the city of Oakland now was $1.90. He stated that the total San Francisco city and county tax rate was only $1.70.

He further declared that his aim was to see to a successful completion water front improvements, that he had inaugurated the movement for water front improvements, that he had fought for it through his term of office to bring to a successful termination the establishment of wharves and docks for Oakland's benefit. He was always for advancement and progress and favored all things that would build up Oakland.

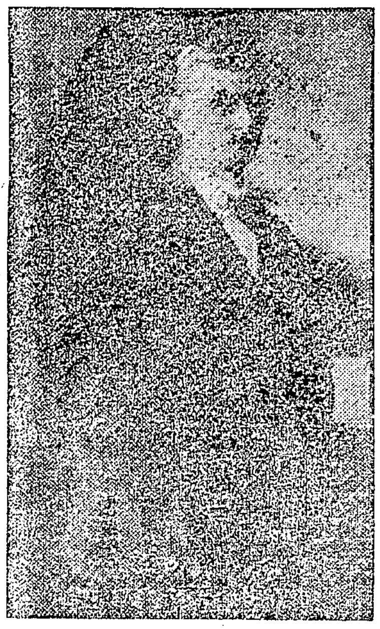
He stated that no one had fought more actively and earnestly for the improvement and advancement of Oakland than himself. He would demand the prompt fulfillment of all contemplated public improvements. He was for Oakland as a whole and not for any favored few, he said.

IDENTIFY VICTIM OF BRUTAL CRIME

Body of John Day Found With Throat Cut in San Diego Bay.

SAN DIEGO, April 7.—John Day, aged 65 years, is the name of the man whose body was found in the bay Wednesday morning. Police are looking for the person or persons who cut Day's throat, lashed his feet together and weighted the body with a heavy piece of railroad iron. Day disappeared three weeks ago from a lodging house after drawing $50 from a bank where he had on deposit about $600. He dined that evening with an acquaintance, and was not seen alive after that, as far as can be learned by detectives who are working on the case and who admit they have found no satisfactory clue.

EDWIN MEESE MAKES FRIENDS



Edwin Meese's Fine Record as a Public Official Makes Many Supporters for Him in Fight for Commissioner No. 1.

With a record of ten years as a faithful public servant, Edwin Meese is making a great fight for Commissioner Number 1, under the new charter.

There is probably no other man in the whole city government so particularly fitted by experience to help reorganize the different offices, as required by the new charter. His experience has been varied. For seven years he served Oakland as a City Councilman, as chairman of the finance committee of that body he was instrumental in keeping the expenses down and giving the tax-payers a low tax rate.

Later, Mr. Meese, on account of his organization ability, was made chairman of the street committee. Our fine system of public streets is in a large measure due to the untiring energies he displayed while at the head of this committee.

Three years ago Mr. Meese was made city treasurer and has discharged the duties of that office in the most careful and business-like manner.

By introducing up-to-date business methods he has saved the taxpayers thousands of dollars.

The courteous and accommodating manner in which all citizens have been treated when transacting business with this office have made many loyal supporters for Mr. Meese in his present campaign for Commissioner Number 1.

WANTED—Two young men of good appearance, in classified advertising dep't. of Tribune. Excellent opportunity for a couple of rustlers. Apply Room H, Oakland Tribune Building.

MEESE EXPLAINS CITY'S TAXATION

City Treasurer Declares That He Will Always Stand for Improvements.

At a meeting of the Tri-city Rotary Club, City Treasurer Meese, candidate for commissioner No. 1, who discussed the subject of "Revenue and Finance," said, with respect to the financial methods of himself as city treasurer and of the city:

"The tax rate, which is fixed by the city council, for the present year is $1.38 in the so-called old city, and 1.08 in the recently annexed district. I will confine myself to the old city with its rate of 1.38. Of this, the people themselves are responsible for 30 cents, being the amount necessary to meet bond redemption and interest. This leaves us $1.08 out of which another 30 cents is taken for permanent betterments. Permit me to enumerate a few of them: New fire houses and lots, $35,575; new fire apparatus, $34,500; installing permanent houses and paid fire department in annexed district, 1909, $40,000; salt water system and extension, $25,000; storm-sewer and street improvements, $90,500; culverts, $10,000; play grounds, $20,000; annual payments on Mosswood, Merritt and other properties, $47,500; total, $303,075. All of this is taken out of the tax levy.

"This brings our tax rate for maintenance down to 78 cents, out of which the public safety departments, police and fire, take 30 cents and the street lights cost us another 9 cents. So you see, gentlemen, we are running the other various departments, street, sewer, health, library and reading rooms, parks and playgrounds, etc., on 39 cents. I shall always advocate keeping the tax rate for maintenance down to a point commensurate with the actual needs of the various departments, but I also believe that permanent betterments, such as enumerated above, should be paid for by a limited annual taxation, and only in very extraordinary instances should bonds be issued, because purchase by bonds almost doubles the cost, the interest for forty years, the usual term, almost equalling the principal."

STUDENT OUSTED FOR DISHONESTY

UNIVERSITY OF CALIFORNIA, April 7. — The dismissal of a student of the university for stealing in Harmon gymnasium has created a stir on the campus, and called forth an editorial preachment on dishonesty in this morning's Daily Californian.

The undergraduate student affairs committee has made a report announcing the indefinite suspension of the student, whose name is not revealed.

Numerous thefts from lockers in the gymnasium have occurred during the fall and spring semesters.

Editor Prendergast of the Californian comments upon the action of the student affairs committee in part as follows:

"It is inevitable that out of 3000 persons there will be some whose moral deficiency includes a tendency toward theft. Nevertheless, a strong sentiment against this form of dishonesty and a strict enforcement of the moral standards for which the students of the university stand will constitute a strong bar to temptation. The recent action of the undergraduate student affairs committee, in regard to a case of stealing will, we believe, result in a stricter application of the principle of honesty among the students."

MEN COUNT OUT A WOMAN MAYOR

The City Council of Hunnewell Declares Her Defeated by One Vote.

HUNNEWELL, Kan., April 7. — After winning the mayoralty of Hunneywell, Mrs. Ella Wilson was counted out by the old city council today and the certificate of election given to her opponent, O. M. Akers.

When the vote was counted Monday night a tie was found to have been the result of the election. A law was discovered directing a casting of lots by the judges. When the slips were drawn Mrs. Wilson won. The judges made a return showing her election.

The council counted the ballots today and reported that Akers had one more vote than Mrs. Wilson. The council issued a certificate of election to him.

Mrs. Wilson has engaged lawyers to contest the case.

WEALTHY YOUTH SLAVE TO DRUG

Ernest Leonard Barthel Stows Away on Liner From Tahiti.

SAN FRANCISCO, April 7.—Aboard the steamer Mariposa, which arrived from Tahiti early this morning, there was a "tourist" who made the round trip under unusual circumstances. The officers and crew of the vessel, while accustomed to stowaways, discovered in their unbidden passenger, Ernest Leonard Barthel, scion of a rich and prominent New York family, a new brand of vagabondage.

Barthel is a confessed slave to morphine, and declares that for five years since he has had the habit, he has girdled the globe in an effort to "run away" from the seductive drug, but asserts that no matter where he goes he finds it. He found it aboard the steamer Mariposa after he had forced an entrance to the cabin of the ship's surgeon, Dr. Flaming.

Barthel, who is 27 years old, speaks English, French, Spanish, Italian, German and Japanese, and says he can make a pretty good "stab" at speaking Hindoo. So he is able to ask for morphine in six or seven different languages, an accomplishment that many unfortunates like himself have not.

GIVEN FREEDOM.

A month ago he was arrested and cast into the city prison as a vagrant. He made an eloquent plea and many promises to Police Judge Conlan. One of his promises was that he would leave town at 11 o'clock that day. He kept his word. The Mariposa sailed at that hour and Barthel was aboard. He secreted himself in the hold of the vessel until the open sea was reached and the pilot had left, then he presented himself to the ship's surgeon and begged for morphine.

For several days his condition demanded a limited allowance and it was given him. A week out he broke into the doctor's office and helped himself. The matter was reported to Captain Thomas Dowdell, who decided to try the "iron" cure on him. For the remainder of the passage Barthel was kept in confinement.

At Tahiti the French authorities refused to permit him to stay on the island, but shore leave was given him to bathe in the ocean, which the unfortunate man said was a rare treat.

There was nothing to do but bring the fellow back to San Francisco. When he left the ship this morning he said he had no hankering for morphine and felt that he was permanently cured.

A. W. SCOTT JR., IN POLITICAL RACE

The Citizens' Non-Partisan Committee Backs Candididacy of Attorney.

SAN FRANCISCO, April 7.—Albert W. Scott Jr., secretary and treasurer of the grain firm of Scott, Magner & Miller, and an attorney, formally entered the race for mayor of San Francisco last night, following a demonstration in his behalf by over one hundred business and professional men of the city in the Kohler & Chase Hall. Resolutions were adopted setting forth Scott's qualifications for the position and organizing the gathering into "the Citizens' Non-Partisan Committee, organized to be sponsor of A. W. Scott Jr. for mayor."

In what he styled his first political speech Scott outlined in a general way the platform on which he would go before the voters, declaring that he wanted to be mayor and that he would enter the fight with all the energy and strength he possesses.

"If elected my policy shall be that dictated by my individual conscience," said Scott. "I am pledged to no political organization or corporation. I propose to give the capitalist the same right as the laborer and the laborer the same as the capitalist, and neither one whit more. After consulting expert advice on all public questions I will make up my own mind, and that will go."

Tributes were paid to Scott's ability and devotion to the city's interests by Chairman Gustav Brenner, A. L. Wilde, John H. White, J. H. MacLafferty, Dr. James Morse and H. B. Miller. Special attention was called to his activities in the Street Repair Association, the Civic League, the Industrial Peace Conference, the Citizens' Health Committee, the Bureau of Public Inspection, the Merchants' Association and in the work of securing the exposition for San Francisco.

WILL FIGHT FOR FEDERAL WORKERS

La Follette Declares Government Employes Have Right to Organize.

WASHINGTON, April 7.—Senator La Follette intends to establish by legislation, if he can, the right of government employes to organize unions in the same manner that trades are organized and affiliated with the American Federation of Labor. His purpose has been made plain in a letter sent to all employes of the railway mail service, bearing on the issue that has been raised between such employes of the government and Postmaster General Hitchcock, Second Assistant Postmaster General Stewart and other officials of the Postoffice Department. A copy of the circular letter was made public today. Accompanying it is a list of questions seeking to disclose whether any employes have been intimidated in any way by the efforts of the Postmaster General to prevent the employes of branches of the postoffice service organizing.

One paragraph of Senator La Follette's letter follows:

"The railway mail clerks have the right to organize. If the officers of the department are endeavoring to prevent them from doing so by threats of discharge, such action is without legal authority or moral right. If I find conditions in the railway postal service to be generally such as has been reported I shall introduce and do everything in my power to pass a bill to prevent the continuation of un-American practices and to preserve to all government employes the right of petition, which belongs to every citizen, and the right to form or join organizations for the improvement of their labor ends."

JURY ACQUITS MRS. T. M. BROOKS

Texas Woman Who Killed Her Rival Walks From Court Cleared of Crime.

FORT WORTH, Tex., April 7.—Mrs. T. M. Brooks, who has been on trial here for a week charged with the murder of Mrs. Mary Binford on January 16, was declared not guilty by the jury today. Mrs. Brooks is the wife of a well-known local attorney, and during the rush hours of shopping went to a large department store where Mrs. Binford was employed and shot her to death.

Mrs. Brooks claimed that Mrs. Binford had tried to alienate her husband's affections.

The verdict was rendered in her favor on the ground of insanity. During the trial Brooks testified that for two years she set aside two hours each day for praying that Mrs. Binford would let her husband alone.

Employes say the shops with the old force were overcrowded with work.

HAVILAND SUIT WILL TEST LAW

The Surveyor Wants Auditor Campbell to Pay Him Increased Salary.

Perry I. Haviland, county surveyor, has filed with the county clerk a petition for a writ of mandate compelling County Auditor Garrison to draw a warrant in his favor for $82.60, the amount representing fees in the surveyor's office from March 24 to April 1. Owing to a recent act of the legislature, the salary of the surveyor has been fixed at $4000 per year. The law says, however, that the remuneration for an official cannot be increased during his term, but in this case the salary amounts to but about half of the remuneration under the fee system.

Upon agreement the hearing was postponed until tomorrow, when it will come up before Superior Judge F. B. Ogden. District Attorney Donahue will answer the petition and the case will be carried to the higher courts in order that the matter may be fully tested at this time for the reason that other county officials are similarly affected by the new law.

The amount demanded issued by the auditor represents what would be due as remuneration for the period after the law rent into effect and the first of this month.

LAUNDRY HELD UP BY ROBBERS

Eight Japanese Lined Up by Thugs; Fear to Give the Alarm.

Eight Japanese, with faces white and hair on end, stood in a row with their hands in the air at the San Pablo laundry at an early hour this morning, while two white men, armed with revolvers, searched the place and their shivering victims. While one man searched and wrecked the bunks and tables, the other kept the Japanese covered with one revolver while he prodded them painfully in the ribs with another and explained what would happen if they reported the robbery to the police.

With threats of dire vengeance the white thugs left the place at 1 o'clock this morning. The terrorized Japanese, trembling in the night air, scanty of garment, stood with their hands over their heads for almost three hours before they [illegible] to call for aid. Then Y. Fur[illegible] discharged a revolver twice from the window and waited for the police.

The robbery, which occurred at the laundry at 1623 San Pablo avenue, had evidently been well planned. The burglars obtained over $100 in cash from the Japanese and several checks and some small jewelry. They entered the place without difficulty as a door had been left unlocked for one of the employes of the place who had not come home.

INSURES TUNNEL THROUGH ROCKIES

Moffat Bill Passes; $4,000,000 to Be Spent on the Work.

DENVER, April 7.—The house by a vote of 35 yeas to 30 noes today passed the Moffat tunnel bill. The measure now goes to the senate for action.

The bill authorizes the state to issue bonds to the amount of $4,000,000, to be used in the construction of a tunnel through the Rocky Mountain range at James Peak.

The tunnel will be used by the Denver, Northwestern & Pacific, known as the Moffat road. The road is to put up a bond guaranteeing the state against loss.

A commission of five, consisting of the governor, state treasurer and attorney general, they to name two others, is provided for, the commission to have charge of the arrangements for building the tunnel.

The provision most sharply fought was that by which the road guarantees to build either to Salt Lake or Dotsero, a point on the Denver & Rio Grande. This latter provision, it was contended, meant that the road would never be constructed to Salt Lake but would build to Dotsero and form part of the Denver & Rio Grande system.

General H. G. Otis' Ranch Across the Border Is Sacked

CALEXICO, April 7.—The Cudahy ranch, owned by John Cudahy of Chicago, and the ranch of the California-Mexican Land and Cattle Company, of which General H. G. Otis of Los Angeles is one of the principal owners, are the chief sufferers from the raids of the rebel band under Stanley Williams.

General Salinas, commanding the rebels at Mexicali, today disclaimed any responsibility for Williams' raid and declared him an outlaw. Citizens of the Imperial Valley in California are again fearful for the safety of the irrigation water supply of the valley, which is taken through canals from the Colorado river below Yuma, and are adding their clamor to that of American ranchers in Mexico for protection by United States troops.

It is worse than useless to take any medicines internally for muscular or chronic rheumatism. All that is needed is a free application of Chamberlain's Liniment. For sale by Osgood Bros.' drug stores.

CAPTAIN WEBER IS RAISED; TO BE REPAIRED

Tug Begins Work of Pumping Out Steamer Which Was Partly Burned.

SHIPWRIGHT SURPRISED BY FELLOW WORKMAN

Fine Looking Gas Engine, All Wood Installed in Pleasure Yacht.

The hull of the Captain Weber, partially destroyed by fire last Tuesday at the Webster-street wharf, was raised last evening by wreckers from the California Transportation Company and hauled to shallow water in the slip.

Today the tug Pirate of the Oakland Launch and Tugboat Company commenced pumping out the Weber, which will be rebuilt. The company estimates the loss sustained at $90,000.

The steamer Quinault discharged lumber at Hunter's wharf yesterday. The steamers Bandon, Westerner and Washington tied up at Hogan's wharf and are discharging lumber today. The bark Henry Wilson is at the United Engineering Works being overhauled. The steam schooner Homer is also at the yards being fitted with new boilers.

JOKE ON SHIPBUILDER.

Frank Cooper, a shipwright at the Pacific ways and shipyards, was surprised yesterday to find that the rest of the "boys" at the yards had made him a gift of a three-cylinder engine for the pleasure launch Ginosky he is building. Cooper, a member of the Acme Club, has been away for some weeks, which gave the hands at the yard an opportunity to put up a job on him. With great skill a wooden three-cylinder engine was built and installed in the Ginosky. When Cooper returned he was first amazed, then thankful, so went round shaking his benefactors' hands. Extensive pleasure trips were planned until the joke was discovered. Cooper is silent, but swears he'll get even.

HEAVY GRAIN SHIPMENTS.

With the rise of the grain market the Bay City mills is receiving an unusually large quantity of millstuffs. The firm is in receipt of six cars of red oats from the south, one car from Pleasanton, four cars of barley from Port Costa, three cars of wheat from Greenwood, two from Germantown, four from Washington, two cars of barley from Irvington, one from Paso Robles, two from Bradley and four cars of milling wheat.

The German steam freighter R. C. Rickmers, Captain Schwetmann, the largest tramp on the Pacific coast, is at Howard's wharf discharging coal. Before going to Newcastle, Australia, it will *discharge pig-iron at the Union Iron* Works, San Francisco.

The following vessels docked at Long wharf yesterday: The tramp steamer Sals, Captain Dincklage, from Hamburg, with 1500 tons of nitre; the George W. Elder, Captain Jessen, from San Diego, loading fifteen cars of cement for Portland and Spokane; the Fairhaven, Captain Paulson, from San Pedro, loading cement for Seattle.

LEWIS' VICTIM DIES OF WOUND

Negro Tells the Police Why He Took the Law Into His Own Hands.

Failure to gain redress through the aid of the police when he told his troubles to Captain of Detectives Petersen drove Harue Lewis, negro dining car cook, to take the law into his own hands in dealing with C. S. Tillman, another negro who had alienated the affections of Mrs. Lewis.

He shot Tillman four times through the head and body yesterday afternoon and the man died of the wounds two hours later at the receiving hospital.

Lewis states that when he left on one of his trips with the Pullman cars for Portland, he left his wife, Ruby Lewis, residing at 875 Lydia street. When he returned she had gone to living with Tillman at 816 Adeline street, and Tillman telephoned to him that he would meet him any time he desired reparation.

Lewis purchased a 38 calibre revolver, but had to go out on another trip before he accepted Tillman's offer.

When he returned Wednesday, he found that in his two weeks' absence his wife had sold all his furniture. Then he went to Captain Walter J. Petersen and asked that he be given assistance. As in the case of J. B. Patrick, who stabbed Dr. A. E. Byron when he found the physician with his daughter in a local apartment house, the police told the man that they were given no jurisdiction in domestic troubles of this kind.

Lewis says he determined to settle it himself. He went to meet Tillman, and found him in the Pullman car "Mount Hood" in the Southern Pacific yards at the foot of Wood street. While they talked, Tillman had his hand in his pocket, and as he started to draw it out, Lewis whipped out his revolver and shot him four times.

Lewis tried to escape, but was captured by J. L. Dunne, yard master for the Southern Pacific company after a hot chase which ended at a saloon conducted by George S. Gordon at Willow street. He confessed to the shooting and identified the weapon in the presence of Captain Petersen and Detectives Richard McSorley and H. E. E. Green.

Lewis will be charged with murder this afternoon, and will appear in the courts tomorrow morning. An inquest will be held over the remains of Tillman next week.

HOT WORDS FLY IN COX HEARING

Prosecutor Declares the Judge Is "Biased and Prejudiced."

CINCINNATI, O., April 7.—The George B. Cox hearing before Judge William Dickson today was marked by verbal fireworks when the court terminated the hearing and announced that he would render his decison late today on the motion by Cox to set aside the entry by Judge Gorman ordering the case tried in Clermont county. Prosecutor Hunt refused to make any argument to the court.

"Your honor is biased and prejudiced. You have already made up your mind what you are going to do. We have nothing to say," the prosecutor declared.

DON'T PULL OUT THE GRAY HAIRS

A Few Applications of a Simple Remedy Will Bring Back the Natural Color.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent, true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance. It is Nature's call for help. Gray hair, dull, lifeless hair, or hair that is falling out, is not necessarily a sign of advancing age, for there are thousands of elderly people with perfect heads of hair without a single streak of gray.

When gray hairs come, or when the hair seems to be lifeless or dead, some good, reliable hair-restoring treatment should be resorted to at once. Specialists say that one of the best preparations to use is the old-fashioned "sage tea" which our grandparents used. The best preparation of this kind is Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Wyeth's Sage and Sulphur is clean and wholesome and perfectly harmless. It refreshes dry, parched hair, removes dandruff and gradually restores faded or gray hair to its natural color.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. 13th and Broadway, 10th and Washington, 16th and San Pablo.

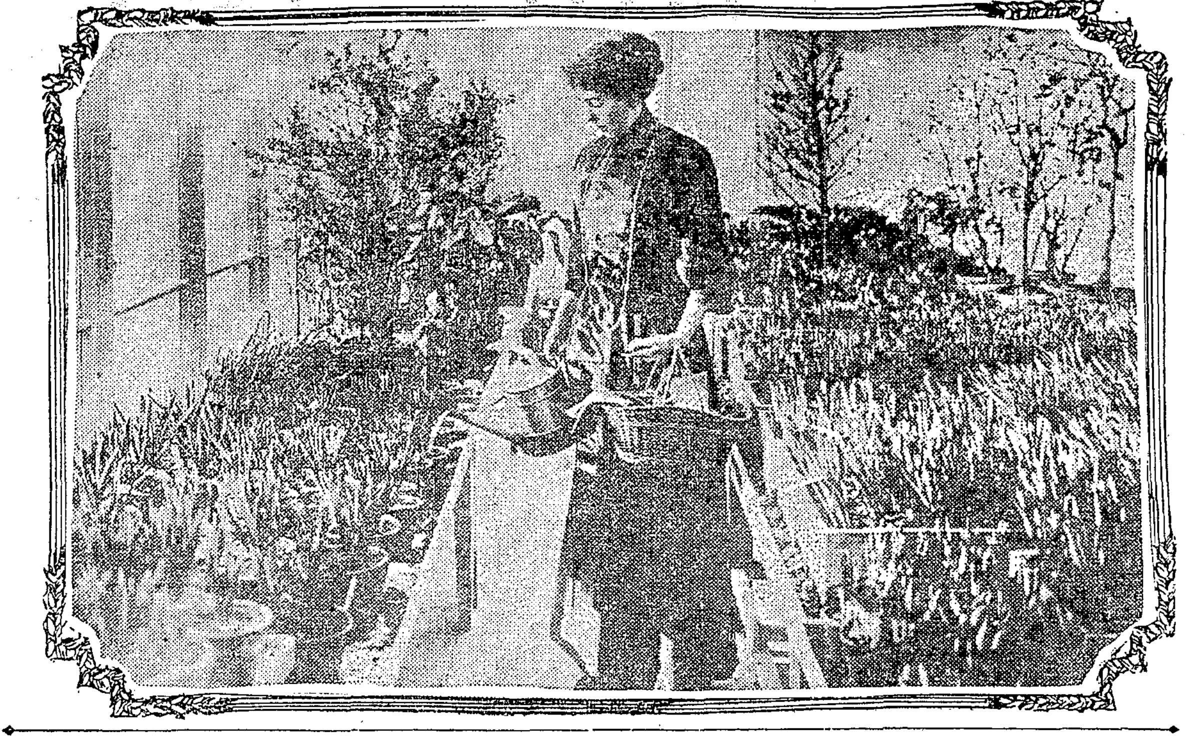
Queen of Sweden Adopts the Life of Famed "Mary, Mary, Quite Contrary"



QUEEN OF SWEDEN, tending a conservatory which she has established on the roof of the royal palace at Stockholm.

STOCKHOLM, Sweden, April 8.—The Queen of Sweden has established a garden on the roof of the royal palace here and has there a conservatory which she herself tends. Every morning, attired in a simple morning gown, with her hair coiled carelessly at the back of her shapely head, the Queen, with watering pot and basket containing gloves, shears, etc., in hand, visits her pretty little garden spot, and solicitously attends to the variety of rare and beautiful plants it contains.

The Swedish royal family is simple in its tastes, and though the Queen is by birth a British princess, she has become as democratic as her husband since she came to Stockholm.

NOTED EASTERN SOLON IS HERE

Congressman Straus of Brooklyn Consults Throat Specialist.

SAN FRANCISCO, April 7. — Congressman Isador Straus of Brooklyn, merchant and philanthropist, arrived in San Francisco last night with Abraham Abraham, his partner in the largest department store in Brooklyn.

They are at the Palace Hotel, and will remain in San Francisco for several days before returning to Del Monte, where they are spending several weeks with a party of friends.

The noted merchant came to San Francisco to consult with a specialist concerning his throat. He contracted a severe cold in the south, but the physician declares there are no dangerous symptoms.

The firm of Abraham & Straus is the largest mercantile house in Brooklyn. Straus was a member of Congress in 1893, and was confidential adviser to William L. Wilson in the drafting of the tariff bill. Abraham is president of Temple Israel and the Jewish Hospital in Brooklyn, trustee of the Baron de Hirsch fund and a director in many financial and charitable institutions.

Straus is a brother of Nathan Straus and is a famous tariff reformer. He makes frequent trips to the west.

"Our visit here is simply to consult a physician," he said. "We will return to Del Monte in a day or so and complete our visit there."

BLAMES OFFICIALS FOR LOSS OF OAKS

Correspondent Declares That Trees Have Been Wantonly Cut Down.

EDITOR TRIBUNE: Referring to an article in your paper of Sunday, April 2, entitled "The Passing of the Oaks," permit me to correct what in my opinion is a mistake. While the smoke from factories and other sources incident to a large city may have an injurious effect on oaks, it is not sufficient to kill them, not, at least, in such a comparatively short space of time. What oaks are now standing are apparently healthy. The disappearance of the oaks should be ascribed to the vandalism of former city councils—to cite a specific case:

When I was a boy attending the Lincoln grammar school the block bounded by Harrison, Tenth, Eleventh and Alice streets (now known as Lincoln Park), in which we used to play baseball and football, was full of beautiful oaks. After we graduated our successors for several years enjoyed healthful exercise in the same lot that we used to call "The Plaza." Then a city council took a notion to order the plaza converted into a park, making lawns, planting cultivated shrubs, etc., and to confine the boys in the small yard back of the school. Then, instead of leaving the natural growth of oaks in the park, which were very ornamental, they had them all except one of the smallest ones, removed. Oaks have been wantonly destroyed all over the city by order of the municipal authorities. This is why the name of Oakland is now apparently a misnomer. E. A. RICHON.

LOVESICK GIRL COMMITS SUICIDE

TACOMA, April 7. — Edna Farwell, aged 25, living with her widowed mother and sisters, stood before a mirror early today and fired a bullet into her brain.

It is said she was disappointed in love. She left a letter to her mother, telling her not to worry and expressing sorrow for the trouble she had caused.

Miss Farwell had been employed as a stenographer in a law office.

GIANT CORPORATION MAY BUCK STANDARD OIL CO.

Hammon Rumored to Have Engineered Deal That Will Bind Associated, Union, Producers and Palmer

SAN FRANCISCO, April 7. — A reported $10,000,000 deal in oil property that is practically consummated with British and eastern capitalists, together with the reported negotiations for the purchase of the Palmer Oil holdings by the same interests that have secured an option on the Southern Pacific's interest in the Associated, Union and Producers' Oil companies, have crystallized various rumors in the financial world into the belief that a gigantic syndicate has already or will soon get control of the oil industry of California.

Secrecy has invested the whole manipulation in stocks, and particular care has been exercised to withhold from public knowledge the sale to a coterie of London and Boston capitalists of the properties of the Empire Oil company, the Republic Oil company, the De Luxe Oil company and two or three others.

DONE SINGLEHANDED.

The deal is said to have been practically maneuvered singlehanded by William P. Hammon, who has heretofore operated chiefly as an owner of gold-dredging properties. Hammon is now in New York, whither he has gone to complete the deal. Half of the sale price is to be paid in money and half in debentures.

News of the big financial transaction accounts for the mysterious presence for several weeks at the Palace Hotel of several prominent English capitalists. Their number included T. S. Marshall, Henry Watson, Francis E. Young, Ralph Arnold, all of London and Edward A. Clark of Boston.

With the closing up of all arrangements for the transfer of the $10,000,000 properties, the London financiers have departed for London to finish the deal from that end. There only remains to conclude the deal the transfer of the money and debentures.

PALMER DENIES OPTION.

The option of the De Luxe, Empire and Republic oil wells, which are near Bakersfield and are among the best in the oil fields, is said to be about 300 barrels per well each day.

Officials of the Palmer Oil company said yesterday that English capitalists were in the field looking over their property, but they denied that any option has as yet been secured.

The Palmer holdings, next to the Standard, Associated and Union, are the largest in the California fields. They comprise 660 acres in the Santa Maria fields and 650 acres in Midway and Ventura. The daily output is 15,000 barrels.

OPPOSITION NOT WANTED.

When it became known that changes were to be made in the Associated and Union Oil companies rumors of a deal pending in the affairs of the Palmer cropped to the surface. It appears to the local oil men that any large company buying into the oil industry of the State would not stop with the Associated and Union and encounter the opposition of the Standard and the Palmer.

Now that officials of the Brown-Walker-Simmons company, who control the majority of the Palmer stock, admit that negotiations to sell the property are pending, it seems that a syndicate is being formed to control the oil industry of the State.

N. Y. All-Night District Is Shaken by Explosion

NEW YORK, April 7.—A heavy bomb was exploded in front of the basement door at No. 1311 West Forty-fifth street, between Sixth avenue and Broadway, in the very center of the all-night district, at 5 o'clock this morning. The terrific report jarred the whole neighborhood for fifteen blocks around and the force of the explosion blew in the basement doors of a chophouse and shattered all the windows. No one was hurt. The police have a theory that the case is one of spitework against the owner of the house and not an ordinary Black Hand bomb throwing.

Widener Pays $500,000 For Rembrandt's 'The Mill'

PHILADELPHIA, April 7.—The report from London that Peter A. B. Widener of this city had purchased "The Mill," the celebrated painting by Rembrandt, was confirmed at Widener's office here today. The price paid, it was said, was slightly in excess of $500,000. Prior to the sale of "The Mill" by Lord Lansdowne, its owner, an option was given until March 31, to the trustees of British National Gallery. A private subscription fund was at once started to purchase the painting and keep it in London, but when the option expired, only $89,240 had been contributed by the public.

MURDER CHARGED TO ARMENIANS

Arrested in San Francisco for Shooting of Fresno Rancher.

FRESNO, April 7.—As a result of a statement recently made to District Attorney Church by the widow of M. Garabedian, a rancher who was mysteriously murdered on his doorstep at a ranch near this city a year ago, G. Capralian and Chik Navorian, two Armenians, were brought last night from San Francisco and charged with murder. At the time of the shooting the men were suspected of the crime and were detained for a short time.

It is understood that the woman claims her husband was murdered for the possession of his ranch, over which there has been litigation. Both the prisoners formerly worked on ranches here, but left Fresno some time after being released.

WILL PLACE FLAGS FOR GUIDANCE OF BOATS

NEW YORK, April 7.—At a recent meeting of the American Power Boat Association the matter of a distinguishing flag to be used in connection with gasoline supply stations was brought up and the secretary was instructed to get in communication with the different papers interested in and fostering motor boating, and with the principal oil companies, with a view of recommending the use of a distinguishing flag, flown above each station, so that it can be readily seen by boats passing by, as under present conditions these supply stations are often located at the head of slips or at points not readily discernible from passing craft. It was suggested that a rectangular white flag with a black cross, the arms running vertically and horizontally, would be readily distinguished.

MISS MONA CRELLIN, who will leave shortly for Europe, was made the guest of honor this afternoon at a smart but informal tea which Miss Edith Beck gave at the Beck home, which was artistically decorated with spring blossoms.

Both hostess and the honored guest are members of the local fashionable set and are entertained on both sides of the bay.

Mrs. Henry Lord presided over a bridge party yesterday in honor of her sister, Miss Knowles, and the Misses Crellin, when about a score of guests enjoyed the afternoon. The travelers will be entertained informally at several other affairs before April 15, the day set for their departure.

⁂

MRS. HAVENS' AT HOME.

The "at home" given by Mrs. Frank Havens was a great success, and society today is discussing with much enthusiasm the dancing of Ruth St. Denis, which was the feature of the afternoon's entertainment. The East Indian style of architecture of the Havens' home lent itself easily as a splendid background for the Oriental interpretation of the dancer, the whole effect being decidedly weird and novel.

That Miss St. Denis succeeded in surprising and delighting the assemblage of smart folk was evinced by the enthusiastic comments of the guests.

Many exquisitely beautiful gowns were exhibited yesterday. Among others that were especially attractive were those worn by the following named:

Mesdames C. B. Hearst, Charles Butters, George de Golia, William Ede, William Thornton White, Frank Lamson Brown, Lou Allender, Ernest Folger, John F. Smith, George Rodolph, John F. Conners, Arthur Thomson, Charles Hubbard, Isaac Requa, W. E. Sharon, Harry Farr, Al Moore, Henry Rosenfeld, Charles L. Smith; Misses Mollie Conners, Florinne Brown, Carrie Nicholson, Emma Mahoney, Louisa Mahoney, Caroline Little.

She was a hostess of the week at several luncheons in San Francisco, entertaining among other Oakland girls Miss Ernestine McNear, Miss Amy Bowles and Miss Ruth Noyes, cousin of Miss Myra Hall, who has been visiting the Halls at the Fairmont, where they are living temporarily.

Miss Noyes will leave Monday for Washington, D. C. She is the daughter of Theodore Noyes of that city.

The luncheon table was decorated with baskets tied with satin ribbon and holding pink and white fruit blossoms, while the drawing room, where the guests played cards, was decked in cut flowers and fruit blossoms.

The two travelers have been much entertained lately.

⁂

OAKLAND MAN ENGAGED.

An engagement which is creating much interest in local society is that of Arthur Goodfellow, son of Mr. and Mrs. W. S. Goodfellow of East Oakland, and Miss Katherine Cory, daughter of Mr. and Mrs. L. L. Cory of Fresno. Goodfellow comes of one of the pioneer families on this side of the bay, and his father is one of the most prominent attorneys here. He is a graduate of the University of California and has extensive farming interests in Fresno. His fiancee is the daughter of one of the best known lawyers in the southern part of the State and the family home in Fresno is one of the centers of elaborate social functions. The wedding of the couple will take place April 17 at the home of the bride's parents, and only the members of the two families will be present. Later on Mr. Goodfellow and his bride will come to this city for a visit at the Goodfellow home in East Oakland. During their stay Mrs. W. S. Goodfellow will give a large reception for her son's bride.

⁂

BRIDGE CLUB.

The members of one of the smaller bridge clubs will be the guests of Mrs. Frederick Turton next Saturday afternoon, when she will entertain at her attractive home in Claremont Park. A prettily appointed luncheon will precede an informal game of cards. The members of the club include a group of friends in Claremont who meet occasionally for luncheon, followed by bridge or music. Several of the members are gifted musicians and the meetings are always most interesting.

COMING LOT SALE ATTRACTING INTEREST

Inquiries Many Regarding the Auction in Piedmont Terrace-by-the-Lake.

IS A LOCALITY OF DIVERSIFIED CHARM

Costly Private Improvements and Beauty of Situation Are Marked.

If the present fine weather continues tomorrow, and there is every indication that it will, the Laymance Real Estate company's sale of the sixty-eight residence lots in the Piedmont Terrace-by-the-Lake, to be held on the premises in the afternoon, will be a record-breaker in the matter of attendance and spirited competition for these choice homesites, which have attracted more visitors for personal inspection since the announcement of the public auction was first made than was ever drawn by any public auction of residence property previously held in Oakland. Its proximity to the business center—only seven minutes' ride by the Grand avenue electric railway cars from Broadway and Fourteenth streets; the completeness of the street and sanitary and public utility improvements; the commanding views obtainable from every lot, and the costly private improvements made and being made on other parts of the tract and the surrounding territory, have popularized it wonderfully, as it is quite natural it should, in the eyes of prospective homesite buyers.

The history of the residential district in the center of which the Piedmont Terrace-by-the-Lake tract lies, and all of which has been developed from a state of nature during the past three years, is one of the most remarkable, from an investor's standpoint, of any section of Oakland. In no part of the city has so much money been invested in costly improvements, including the opening and modern construction of public thoroughfares, the development of public service conveniences, the building of elegant homes and the adornment of private and public grounds.

The lots to be sold tomorrow afternoon are surrounded by modern improvements of the highest class and are close to the most charming water park owned by any municipality on the continent, and to a chain of recently developed public parks in the highest state of cultivation and of the most attractive character. It is not at all strange, therefore, that so much interest should have been awakened among homesite seekers in tomorrow afternoon's sale and the strongest desire aroused to secure one of the sixty-eight lots to be knocked down to the highest bidder by the auctioneer's hammer under conditions which make it extremely easy to the buyer of property in an exclusively fashionable residence district where values are sure to rise rapidly in the future.

ROBBERS BLOW SAFE; ESCAPE ON HANDCAR

TULSA, Okla., April 7.—Three robbers early yesterday blew the safe of the First State Bank at Broken Arrow, near here, securing $400. The men overlooked $7000. They escaped on a handcar. The sheriff and a posse followed and exchanged shots with the robbers. Before the men entered the bank they overpowered the engineer at the Broken Arrow lighting plant and then cut all the light wires, throwing the city into darkness.

SMUGGLES DIAMONDS.

SYRACUSE, N. Y., April 7.—Samuel Goldstein, a rabbi of Montreal, has been indicted by the federal grand jury here on a charge of having smuggled 101 uncut diamonds into the United States at Rouses Point on March 14 last. The diamonds were in Goldstein's possession when he was arrested.

The prisoner pleaded guilty and Judge Ray sentenced him to the federal prison at Atlanta for one month and fined him $500.

FATHER AND DAUGHTER IMPRISONED IN WELL

STOCKTON, April 7.—A. J. McCoy, an old-time resident of Oakdale, east of this city, is being attended by a physician as the result of a peculiar experience. While his daughter Julia was hanging out clothes late yesterday afternoon she stepped upon some planks covering an old well. The boards gave way and she dropped thirty feet into the water. She caught hold of timbers and called for help.

McCoy, who was near, passed a rope down to his daughter, and after she had adjusted it about her waist, he commenced hauling her up. The curbing gave way and McCoy also fell into the well. About twenty-five neighbors had been called to the scene in the meantime by Mrs. McCoy, and they set to work rescuing the father and daughter. It required some time to place them safely on top of the earth again. An examination by a physician showed that McCoy had been quite seriously bruised by the fall, but that Miss Julie had escaped without injury, beyond a severe shock, from which she soon recovered.

SEARCHER FINDS CLEW TO MISSING GUY LANDSBERG

FINDS HIDING PLACE OF KIDNAPER

Court to Show That Mrs. Henry Concealed Children Near Park.

Several Witnesses Will Be Called; Nothing Heard From Divorce.

SAN FRANCISCO, April 7. — That Mrs. Albert Henry and her companion, J. Foster Kelley, who, it is believed, accompanied her, took her two little children to Tom's Cabin at the Stanyan street entrance to Golden Gate Park on the night of the kidnaping will be shown this afternoon by Superior Judge Mogan.

Several waiters and bartenders from the place are to be called as witnesses by Attorney Metson, who represents the husband, and Dr. James Ward has also been subpoenaed. It was the physician who recommended Miss Wyckoff to Mrs. Henry to be intrusted with the keeping of her little ones.

Both the nurse and her sister, together with the two young men who were calling on them on the night in question, will again be called to the stand.

"We have no further clue as to the whereabouts of Mrs. Henry," said Attorney Frank Drew this morning, "and are merely getting ready for this afternoon's proceedings. The chauffeurs will probably exercise their privilege and refuse to testify, but we will have numerous other witnesses, including the barkeepers from Tom's Cabin. We have not yet received any word from Seattle with reference to the divorce decree.

In accordance with Judge Mogan's instructions an affidavit was filed by Attorney Matson this morning reciting the alleged contempt of court in which the nurse, the kidnappers and Mrs. Henry are said to have violated Judge Magon's order. At the same time bench warrants [illegible] issued by the court on contempt charges against Pearl Wyckoff, Mrs. Henry, S. Foster Kelley, George Bogan, S. Goode, Lawrence Flugoli, J. Hutchings and six John Does.

OPERATION TO MAKE HER HONEST

Mrs. Jean Thurnherr Is to Go Under Knife in Hope of Cure.

Piece of Skull Will Be Taken Out to Remove Desire to Steal.

Mrs. Jean Thurnherr, who was recently arrested in Berkeley on the charge of having stolen a number of articles from Albert Zeimer, a merchant of that city, will be released from the county jail this evening and taken to the Merritt Hospital, where Dr. H. N. Rowell, assisted by other surgeons, will perform an operation on her cranium in hopes of curing her of kleptomania with which she is believed to be possessed.

Bondsmen were secured by her husband late yesterday. They were H. L. Osgood and Albert Zeimer, the Berkeley man from whom Mrs. Thurnherr is said to have taken the goods.

After a few days of surveillance at the hospital the operation will be performed. It is expected that a good sized piece of bone will be removed and that the result will be a cure for the strange desire on the part of the woman to take things that do not belong to her.

She was admitted to bail by Justice of the Peace Robert Edgar of Berkeley on $500 bonds. The release will be presented to Jailer White late this afternoon and the woman placed in charge of the surgeons.

SURRENDERS AFTER TEN YEARS

Ellis Wainwright, Indicted in 1901, Gives Himself Up to Law.

ST. LOUIS, April 7.—Ellis Wainwright, a millionaire brewer, who was in Europe when he was indicted in 1901 on a charge of bribery in connection with a street railway franchise, surrendered today to the sheriff. He was placed on $20,000 bond.

Wainwright was abroad when former Circuit Attorney Joseph W. Folk, who later became governor, began probing the bribery scandals in St. Louis. He was one of the directors of the St. Louis & Suburban Railroad Company, whose names, it is alleged, were signed to a note for $135,000 to secure the franchise bill.

Wainwright continued to reside in Paris. Efforts were made by Folk to extradite him, but were unsuccessful and Wainwright's friends have tried to get the indictment nolle prossed.

The indictment was returned on the testimony before the grand jury of Charles H. Turner, former president of the Suburban Railway, now dead. The transcript of the testimony has been kept in a safe deposit vault.

BIG RECEPTION FOR HOME TEAM

Two Victories Are Coming to Oakland This Year, Says Mayor Mott.

Oakland did herself proud yesterday in more ways than one. Not alone did thousands of her representative citizens pay homage to the Oakland baseball team, but thousands lined the streets to cheer the boys and to watch the automobile parade under the auspices of the progress and prosperity committee of the Oakland Chamber of Commerce.

Prior to the auto parade 140 of Oakland's business men gathered at the Saddle Rock cafe shortly after noon and gave a reception and banquet to the ball team.

Fred E. Reed, vice-chairman of the progress and prosperity committee, presided at the banquet. One of the first speechmakers was Mayor Frank K. Mott. The mayor gave a happy talk on the pureness of baseball as sport and also made a few remarks anent the glories of Oakland. In part he said:

"Oakland is going to win two pennants this season, one will be in the Pacific Coast League and the other will be in the world of commerce."

At the conclusion of the mayor's remarks he was given a mighty cheer.

H. C. CAPWELL SPEAKS.

H. C. Capwell, president of the Chamber of Commerce, followed the mayor, saying that the city of Oakland would give the club another banquet in October when it brought home the pennant.

Manager Harry Wolverton was then called on for a few remarks and in reply said that he was going to do all within his power to spread the fame of Oakland and her ball team throughout the land.

"While I am almost a stranger in your midst I have been royally received and supported and it shall be my every aim to appreciate and reciprocate that confidence. I think Oakland will win the pennant and you, Messrs. Mott and Capwell, and your associates will have to make good on the promised banquet."

PARADE IS A BIG ONE.

After the speechmaking and cheers had been finished the team and the business men that could spare the time entered automobiles and a parade around the streets of Oakland was held. In the van was a big touring car with the band and the blare of the trumpets awoke any sleeping fan who might have overlooked the fact that the ball team was at home. Following the band came Manager Wolverton of Oakland, Danny Long of San Francisco, Cal Ewing, Mayor Mott and H. C. Capwell.

Next came the progress and prosperity committee of the Chember of Commerce, then several members of the Oakland team. Next in line was THE OAKLAND TRIBUNE sporting staff in a Studebaker, followed by the balance of the Oakland ball players.

The second division was composed of the members of the press and the Los Angeles ball team, while in the rear were fans and fanettes, who couldn't resist the temptation to be among those present.

After a parade along Broadway, Washington and San Pablo avenue the 25 autos moved in rapid pace to the ball park, where the second reception was tendered to the ball team. All along the line of march there were fans and fanettes in abundance and their cheers must have brought gladness to the players and to those that believe in baseball and in the city of Oakland.

How Ladies Improve Looks!

"Many ladies, old and young, suffer a round of tortures with their nerves, and many are so frail, thin and bloodless that their splendid features are lost sight of, while a vain attempt to conceal the angularity of the figure, deceives no one but themselves and really excites the pity or ridicule of the world," said a well-known, largely employed practicing physician, in a recent lecture at a young ladies' college. "I do not mind exposing a little secret of mine to all such, as it can do no harm and may result in much happiness and health. It is simply this: Any thin, bloodless, nerve-tortured man or woman can become as fit as the fittest by taking regularly for several months an easily obtained pharmaceutical product known by the profession and pharmacists as 'three-grain hypo-nuclane tablets,' put up in sealed packages with directions for home use."

200 CHINESE STARVING IN SOUTH

Food Gives Out While Orientals Wait to Evade Immigration Officials.

SAN DIEGO, April 7.—Owing to the unceasing vigilance of the army patrols at the international boundary line and the sharp watch on the coast maintained by immigration officials in the government power boat Orient, about 200 Chinese are said to be on the verge of starvation at Ensenada, lower California.

Chinese merchants in San Diego yesterday shipped 100 mats of rice by steamer to Ensenada to feed the Chinese held there by the exclusion laws of the United States, and by the hope that they may elude the United States officers and cross the line into California.

Smuggling of Chinese from Ensenada, which is said to be the center of the activities of the smugglers on the Southern California coast, has been practically suppressed by the crew of the Orient and the army patrols. The patrols established to prevent filibustering expeditions into lower California have blocked all the trails which the immigration officials heretofore could not watch unceasingly. With the Orient at sea the business of transporting the Chinese north from Ensenada in launches has become too hazardous and consequently they have been forced to wait there or go south to other Mexican ports.

Mounted Officer Hurt In Fall From Horse

Charles E. Truitt Painfully Hurt When Mount Stumbles in Dark.

SAN FRANCISCO, April 7.—Thrown from his horse when it stumbled in the darkness, Mounted Officer Charles E. Truitt was painfully injured, at Lincoln way and Ninth avenue, at 2:30 this morning. The animal, after unseating its rider, dragged him for a considerable distance.

Truitt was picked up by a belated pedestrian, who notified the Park police station. Lieutenant Dinan conveyed him to the Park hospital, where Dr. Callnan found that he had sustained a sprained ankle and bruises and abrasions of the body.

VAST INCREASE IN THE COPPER OUTPUT

NEW YORK, April 7.—The March report of the Copper Producers' Association shows an increase in stocks on hand of 5,370,164 pounds, compared with the previous month, when the gain over January amounted to 5,400,000 pounds. Production for March amounted to about 20,000,000 pounds more than in February and domestic and foreign output totaled almost 30,000,000 pounds over February.

GOVERNOR OF MISSOURI SIGNS IMPORANT BILL

JEFFERSON CITY, Mo., April 7.—Governor Hadley signed three important bills today. One prohibits the employment of women in factories, restaurants and mercantile establishments more than 4 hours a week; another amends the child labor law to extend to all cities of 5000 or more population, and the third prohibiting the assignment of unearned wages, is aimed at money lenders.

RUEF READS BIBLE TO CONVICTS

Holy Writ Replaces Yellow-Backs as Literature of San Quentin.

Slayer of Policeman Hines Drinks in Words of the Good Book.

SAN FRANCISCO, April 7.—Abraham Ruef, who, since his incarceration in San Quentin has adopted the tone of an optimist and the methods of a philanthropist, has turned himself to uplifting his cell mates and raising them to a higher plane by instructing them nightly in the Bible. San Francisco's former political boss chose from the literature of the world the Bible as the source of wisdom and knowledge which he wished to impart to the murderer and robber who occupy the same cell with him.

After he had been incarcerated a few days he noted that James Young, slayer of Policeman Hines, and Lionel Carrillo, a robber, read nothing but a yellow 5-cent magazine of crime and of mock heroics. He determined to raise their standard of literature and to teach them the lessons of Holy Writ.

BEGINS TO READ.

Procuring a Bible, he began to read to them at night, and since he has been in the penitentiary he has gone through the New Testament, explaining carefully the passages and giving the idea of the Savior as taught by Christians, because his auditors are both of that belief. Ruef, himself a Jew, is more familiar with the Old Testament, which he began to read for the first time last night.

"They enjoy the Bible immensely," said Ruef when speaking of his work, "and have told me that they did not believe there was so much in it. It is astonishing how these men, compelled to spend most of their lives in prison, drink in the words I read to them."

Plans are being laid for Ruef to lecture on the Bible on Sundays, and with the consent of the prison officials he may do so.

Policeman Discovers Suicide in His Wife

He Lifts Sack Covering Dead Woman and Reveals Face of Own Spouse.

BOSTON, April 7.—While assisting to carry the body of a woman who had committed suicide by jumping into the Charles river basin from the West Boston bridge, Patrolman Timothy W. Hurley lifted the sack placed over the face and found the woman was his wife, Mrs. Mary E. Hurley, 26 years old.

The couple had been separated for some time. Despondency is believed to have caused Mrs. Hurley's act.

EXPECT SOON TO LOCATE YOUTH

Robert Mott Declares Alameda Boy Without Doubt is Alive.

Shanghai Theory Looked on As Wrong by Friends of the Family.

ALAMEDA, April 7.—That Guy Landsberg will be found within the next two or three days was the reassuring news given today by Mrs. George M. Landsberg, the mother of the boy, by Robert Mott, a real estate broker and friend of the family, who is conducting the search for the missing youth. Mott spent all last night in San Francisco visiting visiting Barbary Coast resorts. He is working on a clew which he feels confident will lead to Landsberg's discovery.

"I am sure the boy is alive and we will find him almost any time now," said Mott today. "I do not want to give out the clews that we have which leads us to believe this because it would injure the search. But it is a pretty safe one and we are looking for developments at any time."

No credence is given to the theory that the youth has been shanghaied on one of the vessels of the Alaska Packers Company. Mrs. M. J. Erskine, a friend, who spoke from the Landsberg home for Mrs. Landsberg, today said:

"Guy kne wevery captain in the employ of the Alaska Packers; so he could not be on any of their vessels. Mr. Landsberg is superintendent of one of the canneries of the Alaska Packers Company in Alaska, and the name is known to all of the crews and captains of even the smallest vessel."

The disappearance of Landsberg equals in mystery that of Edna Clark, who dropped from sight one day after attending school at the Hopkins Institute of Art. Miss Clark voluntarily went to Chicago and returned of her own free will after the police and Pinkertons had scoured every state for her in a futile attempt to locate her.

SELF-DEFENSE VERDICT.

SAN FRANCISCO, April 7.—A coroner's jury this afternoon returned a verdict of self-defense in the case of Milton D. Humphreys, the bartender, who killed Jefferson D. Floyd on Sunday night. Floyd, a well known character and proprietor of a cafe on California street, was shot to death in a duel with Humphreys, whom he had accused of being intoxicated.

The verdict reads: "We, the jury, find that the wound was inflicted by Milton D. Humphreys in self-defense."

OSGOOD'S NEW CURE FOR INDIGESTION ATTRACTING ATTENTION ALL OVER STATE

Receiving Mail Orders From Everywhere; Some Cures Sound Almost Too Good to Be True; Local Druggist Has Undoubtedly Made a Great Medical Discovery.

The new prescription for indigestion recently discovered by Osgood, the local druggist, is beginning to attract attention outside of Oakland.

"It is surprising how the news of the existence of some things spreads all over and how utterly impossible it is to work up even a local interest in other things," said Fred Osgood recently. "If I had been able to supply unlimited quantities of this dyspeptic cure and made a big fat profit out of it I couldn't have worked up any business at all, but when I have only a limited stock and when the ingredients alone cost nearly a dollar I go up against a state-wide demand with mail orders coming in by the score.

"The result is that half the time I am behind in my orders and the whole proposition is so worrying that I often feel like discontinuing its sale. On the other hand the medicine is so effective and has made such remarkable and unexpected cures that I do not feel justified in refusing to sell it to the people.

"I have been asked by one or two parties to sell the prescription and may do so, providing they give me what it is worth and allow me the exclusive sale in Oakland. This will relieve me of the manufacturing end, enable the public to get all of the medicine they want without delay and supply the entire country if the people find it to be as effective in other States as it has been here in Oakland."

Mr. Osgood stated that one great advantage of the preparation was its absolute harmlessness. The original prescription was compounded by one of the most famous stomach specialists in the world and given to a patient who had been unable to keep anything upon his stomach for weeks. The effect was immediate and from this patient the prescription came, through two other parties, to Osgood, who secured the right to use it for his customers.

"From the very first day that this medicine was compounded in Oakland we began to make cures," concluded Osgood. "During the past three months over 100 people have reported at our stores and without a single exception all have been helped very materially. This leads us to believe in the merits of the remedy, for the true test is in trying it upon those who suffer with stomach troubles."

The medicine sells for a dollar. It is a combination cure consisting of a liquid and accompanying tablets.

Osgood has two stores, one at Seventh and Broadway and the other at Twelfth and Washington. Mail orders should all be sent to the Seventh and Broadway store.

NEURALGIA OF THE STOMACH

A Kansas Woman Tells of the Knife-Like Pains She Suffered.

After Eight Years of Treatment Without Result the Patient Tried Dr. Williams' Pink Pills and Was Quickly Cured.

Neuralgia is irritation or inflammation of a nerve. When the nerves of the stomach are inflamed the term neuralgia of the stomach is used. The treatment is the same as for any other form of neuralgia and consists of a proper tonic, nourishing food and rest.

Mrs. Mary E. Thorpe of No. 1025 Riley street, Atchinson, Kans., was cured of a long-standing case of neuralgia of the stomach by Dr. Williams' Pink Pills. She says:

"For more than twenty years I suffered from neuralgia of the stomach which was frequently so bad that I was confined to my bed for days at a time. I had knife-like pains in my stomach and each year they grew worse and worse until finally the doctors, who had been treating me for over eight years, said they could do nothing to help me and gave me morphine to ease the pain.

"A friend then recommended Dr. Williams' Pink Pills and I began taking them. My case was a stubborn one and I took about four boxes before I could see that they were helping me. But with the fifth box results came rapidly and soon I was entirely cured. I have had no return of the trouble and am now in very good health, thanks to Dr. Williams' Pink Pills."

Dr. Williams' Pink Pills contain the elements necessary to make new blood and, as the nerves get their nourishment from the blood, have been found invaluable in a wide range of diseases of the blood and nerves, such as anæmia, rheumatism, after-effects of the grip and fevers, neuralgia, nervous debility, and even St. Vitus' dance and locomotor ataxia.

Dr. Williams' Pink Pills are for sale at all druggists, or will be mailed to any address, postpaid, on receipt of price, 50 cents per box; six boxes for $2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

Those who are interested in the treatment which cured Mrs. Thorpe can obtain further information by writing for the booklet, "Nervous Disorders," which we send free on request.

FORMER ALAMEDA WOMAN ON VISIT WITH PARENTS

MRS. WILLIAM BUCHANAN TAYLOR, who is visiting in Alameda.

ALAMEDA, April 7.—Mrs. William Buchanan Taylor will be the recipient of many social favors during her six weeks' visit with her parents, Mr. and Mrs. T. G. Daniells, at their home, 1202 Chestnut street. Mrs. Taylor was Miss Anne Louis Daniells before her marriage to the dramatic editor of a London daily about a year ago.

After several years of vocal study with the best masters in Europe, Mrs. Taylor accepted contracts on the concert stage and in vaudeville, and has devoted several years to a professional career, rising to a prominence in the musical world seldom attained by young singers. She has been singing in London for more than a year and will return to the continent in June to complete contracts for appearances in the leading cities of Europe.

Mrs. Taylor's home is in Manchester, England.

EXAMINATIONS IN SCHOOLS ARE CONDEMNED

Professor C. E. Rugh Says the Private Educational Institutions Are Wrong.

UNIVERSITY OF CALIFORNIA, April 7. — C. E. Rugh, associate professor of education in the university, in lecturing upon "Moral Training of the Young" in his classroom, agreed with the statement made by President Wheeler that the public school was the best exponent and defense of democracy and that private schools for children of the rich were a menace to the State and a grave injustice to the children, who were thereby deprived of the wholesome contact with the larger and more representative group of pupils found in the public school.

Following the recent assertion of Dr. Wheeler that arithmetic should be given a place below that of foreign languages in the grammar schools, Professor Rugh came along with his sledge yesterday and knocked another prop from under common school traditions by condemning the awarding of prizes to pupils as incentives to scholarship. He branded such artifical stimulus as "immoral, because unsocial."

The old-time exercise of "spellin' down," practiced in the days of the little red school house and the blueback spelling book, he pronounced "absolutely wicked," because success in it depended upon the failure of others.

He also declared school examinations harmful.

In commendation of the public school's work, Professor Rugh said:

"The public school is democracy at work. There is no objection to private schools for abnormal persons, but a democracy can not afford to have many private schools of any kind for any purpose. The public school is democracy preserving and perpetuating itself."

PIONEER SEA CAPTAIN DIES IN BERKELEY

BERKELEY, April 7. — Captain Edward Nelson, a retired navigator, aged 81 years, died at his home, 2406 Grant street, yesterday, after an illness of more than a year.

He was a pioneer of the State, and a native of Norway. He first came to San Francisco in 1850 by way of the Horn, and has lived in one or the other of the bay cities since that time. He was for several years first officer in the Panama service of the Pacific Mail steamship company, but 35 years ago purchased a bay schooner of his own and up to the time of his death captained the "Annie E. Mine."

He was extremely vigorous and continued active until first stricken a year and a half ago.

Captain Nelson is survived by his wife, Mrs. Mary Nelson, and by four children, Mrs. J. T. McClellen, Mrs. A. S. Moore, Mrs. Ida Arcade and Oscar E. Nelson. The funeral will be held from the family home tomorrow afternoon at 2:30 o'clock. Interment will be in Mountain View cemetery.

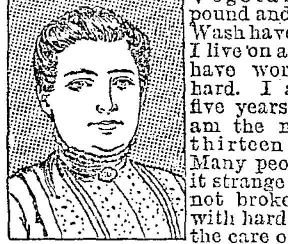
Scottville, Mich.—"I want to tell you how much good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. I live on a farm and have worked very hard. I am forty-five years old, and am the mother of thirteen children. Many people think it strange that I am not broken down with hard work and the care of my family, but I tell them of my good friend, your Vegetable Compound, and that there will be no backache and bearing down pains for them if they will take it as I have. I am scarcely ever without it in the house.



"I will say also that I think there is no better medicine to be found for young girls to build them up and make them strong and well. My eldest daughter has taken Lydia E. Pinkham's Vegetable Compound for painful periods and irregularity, and it has always helped her.

"I am always ready and willing to speak a good word for the Lydia E. Pinkham's Remedies. I tell every one I meet that I owe my health and happiness to these wonderful medicines."—Mrs. J. G. Johnson, Scottville, Mich., R.F.D. 3.

JUNIOR WOMEN PERFORM AS ELEPHANT

UNIVERSITY OF CALIFORNIA, April 7. — As a benefit for the Girton hall fund, the junior women entertained with a jinks last night in Hearst hall. The building was crowded with the women students.

The first part of the evening was taken up with an original program consisting of eight features. The presentation of the "Roosevelt memorial elephant" was one of the amusing parts of this program. The names of the young women who performed as the quadruped were not made known.

Dancing and refreshments took up the latter part of the evening, which was closed by the singing of college songs.

COME TOMORROW; SEE HIM

John Hamilton, at the Bell, Is a Combination of a Comedian and a Painter; Rare, but He's Funny

JOHN HAMILTON as He Sometimes Appears.

Here is an artist to his finger tips. Riotous colors fairly run off the ends of his impressionistic fingers. He supplies an act that furnishes plenty of laughs and besides one is pleased and entertained at the genuine merit of his lightning-like productions. He is at the Bell this week, one of the stars of the five-star show, and in his eccentric make-up he dances about, gives forth sounds that somewhere might be termed music, all the while daubing upon an immense frame in the background, which, in a few seconds' time develops into a landscape—copies of famous paintings—and after a moment's darkness he himself is disclosed posing in suggestive garb as the central figure in the picture he has created. It is a distinct novelty, one that is thoroughly enjoyed by all.

In addition the new bill provides a meritorious program of high class vaudeville of a character to suit every possible vaudeville attendant. Don't miss the Bell tonight or tomorrow. Send the children to the matinee and you will be happy and they will come home pleased and brighter for having seen the big show. Something for everybody at the Bell.

For Breakfast Try "Sunkist" Oranges

Luscious Tree-Ripened Fruit

It is not sufficient to know that oranges are the most healthful of all fruits. It is quite as important to know the *kind* of oranges that are most healthful and most palatable. The world's finest oranges are now packed under the label "Sunkist." Please serve "Sunkist" oranges at breakfast tomorrow and learn the superiority of tree-ripened, seedless, fiberless oranges over the commonplace kind. *Don't fail to save the wrappers.*

There is so much "meat" and nourishment in "Sunkist" oranges and so little waste that, in addition to their extra fine flavor and goodness, they are really the most economical oranges to buy.

RUN ON BANK FOLLOWS SUICIDE OF BAILEY

REDDING, April 7.—A brief run on the Bank of Northern California, located here, followed the announcement that E. L. Bailey, the bank's vice-president, had committed suicide.

Depositors, already restless because of the failure, two weeks ago, of the Bank of Shasta County, appeared when the bank's doors opened and began presenting checks and deposit books against both the Northern California institution and the Redding Savings Bank, which is affiliated with it.

Gold flowed through the teller's windows until 11 o'clock a. m., when the last anxious depositor was paid off. At 12:30 o'clock no one else having appeared for the purpose of withdrawing funds, the bank closed for the day as a tribute to Bailey's memory.

CANADA TURNS DOWN KING GEORGE'S STAMPS

OTTAWA, April 7.—The design for the new King George postage stamp for Canada, to take the place of the present stamps, has been received by Postmaster-General Lemieux. After taking one look at the design he turned down the proposition, giving notice to Earl Grey, Governor-General, that the Canadian Government refused to adopt it. Lord Grey has accordingly cabled the home authorities that Canada has refused to use the new design submitted. Lemieux says if the British Postoffice authorities do not immediately furnish a new and distinctively Canadian design, Canada will get up a design of her own. The Laurier Government insists that the new stamps shall be unmistakably and solely Canadian.

FOR A TONIC NOTHING EQUALS S.S.S.

The need of a tonic in the Spring is almost universally recognized. We have learned that a weakened, run-down system means more than "Spring Fever," as we are accustomed to refer to the physical disturbances which come at this season. Bodily fatigue, fickle appetite, poor digestion, nervousness, lack of energy, etc., prove that the proper amount of nourishment is not being supplied to the body through the circulation. The stomach, bowels and digestive members are sluggish from lack of stimulating nutrition, and in consequence the entire body suffers from the effects of a poorly nourished constitution.

The recognized importance of pure blood in preserving health emphasizes the danger of a weakened circulation. The use of a real blood-purifying tonic when the system is deranged from lack of nourishment, will often prevent the development of some serious sickness, because weak systems cannot resist disease, while healthy, well nourished constitutions are able to ward it off. No medicine is of value as a tonic except one which purifies and enriches the blood, for until this is done the body will not receive its required stimulus and disease-resisting powers.

Your S. S. S. in my opinion, is as good a medicine as can be had; it simply cannot be improved upon as a remedy to purify and enrich the blood and to invigorate and tone up the system. Last Spring my blood was bad and I was run down in health, and having seen your medicine highly advertised, I commenced its use. Today my blood is in fine condition and my general health is of the best. Am filling position as fireman of a large concern here, and if I was not in good physical condition it would be impossible for me to fill the place.
WM. F. VAN DYKE.
615 Fifth St., Beaver Falls, Penn.

S. S. S. is the best Spring tonic because of its genuine ability and worth as a blood purifier. It builds up the depleted system in the true way, by purifying the blood and supplying an increased amount of nourishment to every portion of the body. S. S. S. removes all accumulations and impurities from the circulation, enriches the blood, and overcomes the unpleasant physical ailments that afflict at Spring time. It aids and improves the appetite, reinvigorates every fibre and tissue of the body and imparts healthful energy to all who are run down. S. S. S. is for sale at drug stores.

FAIL TO CHANGE BOYS' CONFESSION

Youthful Poisoner Insists That He Tried to Kill His Foster Parents.

SAN JOSE, April 7.—"But I did give rat poison to mamma and papa, nearly two boxes of it."

Calmly and dispassionately, and seemingly with a full realization of what he is doing, 11-year-old Robert Nicholls reiterated his confession before a disconcerting array of juvenile court officers and newspapermen and baffled all attempts of a medical expert to throw any light on his strange case.

Fully realizing the seriousness of what he had done and reading the punishment he feels will be given him, he would say nothing that would in any way help to clear him of the confessed crime.

Nicholls almost wept at the officers' apparent skepticism and declared that between January 17 and March 22 he had systematically given his foster mother and father "Rough on Rats" that they might die seemingly natural deaths and that his alleged theft of $200 might be covered up.

The gentle sweating process that the lad was at first subjected to by the probation officers of the juvenile court had no effect. Later threats to throw him into a deep, dark, rat-infested dungeon and every means known to the authorities who are used to handling wayward youths, without resorting to personal violence, failed to shake the boy's story. On no point did he contradict himself, though he was asked the same questions over and over again by several different people at different times.

U. S. TO STATION SQUADRON HERE

Senator Perkins Certain Battleships Will Be Sent to Pacific.

WASHINGTON, April 7.—In another year the battleship squadron will be stationed on the Pacific coast, according to the hope and belief of Senator Perkins of California. As chairman of the Senate naval affairs committee his word carries much weight. He says he virtually has a tacit agreement with Secretary Meyer on the subject.

The opening of the Panama canal will not be awaited, but half of the country's fleet of battleships will be sent around by the straits to take up the new station as soon as the Mare Island navy yard can care for them. The appropriation by Congress for dredging the Point Pinole shoals, thus making the navy yard permanently accessible, the Senator is convinced, will remove the vital objection to the division of the fleet.

With a Democratic House Perkins looks for the building of only one additional battleship a year. However, with a total of thirty-two battleships, the policy of separating it into squadrons can in his judgment be pursued as advisable and as good naval management.

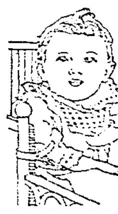
BUMPER FRUIT CROP PREDICTED FOR STATE

NEW YORK, April 7.—California is expecting a bumper fruit crop, according to G. W. Luce, assistant to the vice-president of the Southern Pacific at San Francisco, who is in town. Luce said today:

"It will take 20,000 cars to move the deciduous fruit crop, and citrus fruits will amount to about 45,000 carloads. A good percentage of this comes to the Atlantic coast. I should say fully 50 per cent of the grown products of California finds its market east of Chicago. The melon industry, in what is called the Imperial country, is increasing wonderfully, and the product has this advantage: That it can be put on the market ahead of the Texas or Florida melon. Cotton growing in that section has proved very successful, and last year they shipped some of the product to Texas."

PHILADELPHIA SPENDTHRIFTY.

PHILADELPHIA, April 7.—Mayor Heyburn's annual message to the city council shows that the city government spent during the municipal year more than it received. Total receipts were $41,914,020 and the expenditures $47,755,049. The assessed valuation of taxable property is $1,517,851,880.



HEAD WAS SCALY HAIR ALL CAME OUT

And Baby's Face Broke Out in Red Bumps. Spread on Hands and Arms. Got Worse All the Time.

Mother Says, "I Don't Think Anything Else Would Have Cured Him Except Cuticura."

"When my first baby was six months old he broke out on his head with little bumps. They would dry up and leave a scale. Then it would break out again and it spread all over his head. All the hair came out and his head was scaly all over. Then his face broke out all over in red bumps and it kept spreading until it was on his hands and arms. I bought several boxes of ointment, gave him blood medicine, and had two doctors to treat him, but he got worse all the time. He had it about six months when a friend told me about Cuticura. I sent and got a bottle of Cuticura Resolvent, a cake of Cuticura Soap and a box of Cuticura Ointment. In three days after using them he began to improve. He began to take long naps and to stop scratching his head. After taking two bottles of Resolvent, two boxes of Ointment and three cakes of Soap he was sound and well, and never had any breaking out of any kind. His hair came out in little curls all over his head. I don't think anything else would have cured him except Cuticura.

"I have bought Cuticura Ointment and Soap several times since to use for cuts and sores and have never known them to fail to cure what I put them on. Cuticura Soap is the best that I have ever used for toilet purposes." (Signed) Mrs. F. E. Harmon, R. F. D. 2, Atoka, Tenn., Sept. 10, 1910.

Sold everywhere. Potter Drug & Chem. Corp., sole props., 139 Columbus Ave., Boston. Mailed free, samples of Cuticura Soap and Ointment, with 32-p. book on skin treatment.

HEARST AND BRYAN DISCUSS POLITICS

Editor Chats for An Hour With Former Leader of Democratic Party.

WASHINGTON, April 7.—William Randolph Hearst and William Jennings Bryan chatted together for half an hour in the New Willard hotel last night on present political topics.

When Mr. Hearst was seen later and asked what the subjects of conversation were he replied that Mr. Bryan had merely made a personal call, at which Mr. Bryan and Mr. Hearst discussed public matters and current politics.

Both being progressives, they agree upon many political questions and differ upon some questions. Mr. Hearst said that both he and Mr. Bryan were impressed with the fine prospects that confront the Democratic party at this time.

MADISON SQUARE GARDEN TO BE THING OF PAST

NEW YORK, April 7.—Madison Square Garden, the largest assembly building in New York, has been sold to a company which already has laid plans for tearing down the famous structure and erecting on the site five modern skyscrapers. Madison Square Garden has never been a financial success.

Some time ago it was announced that J. Pierpont Morgan, who controls the property, had placed it on the market with brokers for $3,000,000. It is assessed at $3,150,000, and the value of the building is reckoned at $500,000.

The Garden was opened in 1890, and is said to have been run at a loss during most of the twenty years of its existence. The new buildings will be from sixteen to twenty stories high. Already renting offers have been made to prospective lessors.

HOT SHOT FIRED BY SUPPORTERS OF NOY

Convincing Arguments Driven Home at Open-air Meeting.

GREAT CROWD HEARS ALLEGED BOSS SCORED

Alameda City Administration Praised for the Work Accomplished.

ALAMEDA, April 7. — convincing speeches denouncing the opposition to Mayor W. H. Noy were made last night by supporters of the Noy mayorality campaign at the first open air rally held by the Noy club at Santa Clara avenue and Webster street, and were received with cheers from the large mass of friends of the present administration.

In the big crowd which gathered early to hear the remarks of the speakers there were members of the Cooley-Fox forces whose plans and campaign management were denounced by Alexander Mackie, whom the opposition element first asked to be its candidate for mayor, and who has now pledged himself to the interestsof Mayor Noy.

C. R. Smith presided and called upon Mayor Noy, Alexander Mackie, B. C. Brown, Harry Sheramsky, Samuel Poorman, Jr., and Dr. Tom Carpenter for talks, which were made from an automobile to an accompanying chorus of shouts and hurrahs from the enthusiastic citizens.

NOY'S SPEECH.

Mayor Noy spoke as follows:

"I want the people of Alameda to judge my past record and then elect me to office if they see fit. My motto has always been "forward," and I have tried to sustain it by making improvements in the city and furthering the interests of the people. Some of the improvements accomplished during my administration have been the equipment of the three parks and playgrounds, the completion of the Webster tsreet road? way, the erection of two new schoolhouses and other much needed improvements have been given my attention and executed.

"I have worked solely for the progress of the community. I want the citizens to judge my two years of executive management impartially. That my efforts have been appreciated is shown by the number of residents who have pledged themselves to me, and I feel assured that I shall be re-elected because these citizens want me in the chair again. We have good citizens in this community, good boys and good mothers, and we will soon need more new school buildings to accommodate the growing population. I am in favor of progression and I have always worked for it."

BUSINESS ADMINISTRATON.

Harry Sheramsky said in part:

"It develops upon the people of Alameda to re-elect Mayor Noy and the board of executors who have so ably carried on the administration for the last two years. They have directed the affairs of the city as a municipal corporation should be directed, on business principles. No mistake will be made in electing W. H. Noy to office."

After discussing the tax question touched upon by Mayor Noy, Samuel Poorman, Jr., said:

"When windy vaporers, most of whom pay no taxes here, go up and down the street spending time and money to discredit the administration, it becomes necessary to inquire their true motives. Do any of you suppose that Mr. Fox was suffering so for the mayorality that he simply couldn't stand the pressure any longer, and just had to run or burst? Nothing of the sort. The truth is that the man who has set himself up as the political Pooh-Bah of Alameda decided that the time was ripe to put himself in power. So after asking most of the substantial citizens who are not active Noy adherents to be the Pooh-Bah candidate for mayor, he finally ran Mr. Fox to earth, and Mr. Fox consented to accept the title of mayor—thus aiding the man who discovered him to attain his reasonable ambition to be the Lord High Everything Else.

REFERS TO GILBERT.

"I refer to one J. B. Gilbert, who aims to be the power behind the throne if he can only foist off some innocuous candidate on the people. The taxpayer can be jiggered if Gilbert can only swell up his rotund form and tell public service corporations generally that he is 'it' in Alameda and that they must talk to him if they want to do business with the municipality. Not that Mr. Fox knows that he is only a part of Gilbert's scheme of personal aggrandizement. That candidate has been in a semi-conscious condition ever since the campaign started and he won't 'come to' either till he hits the end of the toboggan, Monday night.

"I am not indulging in guess work when I say that Gilbert is consumed with a desire to be Lord High Everything Else in Alameda. My experience of him comes from the Johnson primary campaign, if I may refer to that without offense. Of course, Governor Johnson looked doomed to defeat when the present speaker was made head of the local organization instead of Pooh-Bah Gilbert. That near-boss promptly developed an Achilles-like grouch and took to sulking in his tent until when, do you suppose? Why, until the betting on the outcome of the primary reached 2 to 1 in favor of the present governor.

GILBERT GETS BUSY.

"Then Gilbert got busy as a boy killing snakes. You would think he had discovered Johnson. By a piece of contemptible political flim-flam, after posing as a martyr (if you can imagine a shape like Lew Sully posing like a martyr with a halo), he got himself on the county central committee, ditching a couple of the most active Johnson adherents in favor of himself. Ever since then he has considered himself the political Moses chosen to lead the citizens of Alameda out of bondage. But he is a Moses with so prehensile a hand out for anything he can grab, that he and his followers, who have kicked up this muss merely for the jobs that are in it, are discredited with at least nine-tenths of the people. If Gilbert had a single constructive reform to suggest, or if he had a single piece of inefficiency or crookedness to point out in Mayor Noy's administration, I am just Irish enough to stick around and add to the cheerful noise of the shindig; but with his present warmed-over slogan and his ice-chest candidate, I am for Noy."

MUD AND WARNINGS.

B. C. Brown lauded the present administration, and stated that he had been called up on the telephone last night by J. B. Gilbert, wh oasked him to "muzzle" Alexander Mackie, whom he had heard was going to do some mud slinging. "If you have any mud to sling you had better not begin," Gilbert is quoted as having said. "We have some mud up our sleeves that we will let loose at any time." Brown said, "I told him that Mackie was a free agent."

Dr. Carpenter stated that the opposition was circulating a rumor to the effect that Mayor Noy and the city council had granted a franchise to the S. P. company for a freight line on Clement avenue, to incur the animosity of the north side residents to the Noy campaign.

"I have looked through all the records on file," he said. Dr. Carpenter is president of the North Side Improvement club.

MACKIE'S SPEECH.

Alexander Mackie spoke in part as follows:

"During the past three years under the new charter with a mayor and the new commissioners, Alameda has improved and progressed at a very rapid rate, almost too rapid to be consistent with the low tax rate. Last year alone improvements were paid out of the direct tax levy amounting to nearly $60,000. This amount will not have to be duplicated in the next tax levy, and consequently the tax will be lower. This construction expense, charged to operating expenses, amounts to about 33 cents on the hundred, and with the real operating tax 87 cents, makes the total $1.20 tax you are all familiar with.

"Honor should be given where honor is due, and although I have been somewhat of an insurgent myself at municipal management as compared with private corporation management, still I have been surprised at the successful and progressive outcome of the past two years, and all honor and credit to the man who has been at the head of affairs of the city of Alameda during that time, our present mayor, W. H. Noy.

NOT FOUND WANTING.

"And why should he not have been successful? After passing through and surviving several years of continuous labor, in the hard and critical school of an improvement club, giving his time and labor like the rest of us through good report and evil report, for the betterment and improvement of his beautiful city.

"He has been weighed in the balance and not found wanting, and it should be our verdict and your verdict, well done, good and faithful servant, enter into another two years' term, and finish up the good work you so successfully commenced two years ago. I know this will be your verdict, and I thank you."

The closing rally of the campaign will be held tomorrow night at Central avenue and Park street when speeches advocating the candidacy of Mayor Noy will be made by W. H. L. Hynes, Frank Otis, Assemblyman Sumner Crosby, John Elder, A. F. St. Sure and others.

ACCUSED BIGAMIST FREED ON BONDS

Alfred W. Priestly Faces Two Wives in Court at Santa Cruz.

SANTA CRUZ, April 7. — Alfred W. Priestley, whose trial on a charge of bigamy is pending in the Superior Court, and who is claimed as husband by two women, one of them Mrs. Sarah Dunbar Priestly of Oakland, has been released on a cash bond of $500.

At the preliminary hearing before Assistant District Attorney E. C. Kramer, the two women faced each other, though not to console and sympathize. While wife No. 1 was telling her story on the witness stand with the object of sending the man to State's prison, wife No. 2, who was Miss Mabel Cook, was at her husband's side, holding to him closely, with her belief in his innocence unshattered by the testimony against him.

Mrs. Priestly of Oakland, who was with her brother, George, in a camping party which by chance ran upon Priestly at Capitola, told of her marriage to the defendant.

She said:

MARRIED AT 16.

"I was married by Judge Geary in Oakland when I was 16 years old, on October 29, 1906, but my parents objected to the match," said Mrs. Priestly. "It was finally agreed that my husband and I would separate and after two years remarry, but he overcame my parents' objections and on February 23, 1907, we were again married in Oakland by Rev. Alexander Allen, of St. Paul's Episcopal church about six months after the first marriage.

"We did not live together, though, as husband and wife, until after the second marriage!"

"Do you still consider yourself the wife of this man here," asked Mr. Kramer, pointing to Priestly.

"I do," said the witness.

"Was your marriage ever set aside or annulled," continued the attorney.

"It was not," said Mrs. Priestly.

Justice of the Peace Wheaton, of Soquel, was the next witness, and testified to the marriage in January that he performed, uniting Priestly and Miss Mabel Cook.

MARE ISLAND SOCIETY

VALLEJO, April 7.—Mrs. Manly H. Simons entertained informally at tea at her home at the Mare Island naval hospital a couple of afternoons since, when a number of the ladies of the station were asked to meet her house guests, Mrs. Farechi and Miss McCarter of New York. Among those present were Mrs. Emily Cutts, Mrs. Hugh Rodman, Mrs. Duval, Mrs. Henry T. Mayo, Mrs. Wing, Mrs. Mary Turner, Mrs. Stacy Potts, Mrs. Randolph Dockins and several others.

* * *

Mrs. William H. Toaz is the guest of her cousin, Mrs. Samuel L. Graham. Mrs. Toaz will remain at Mare Island during the greater part of the month, as the naval auxiliary Buffalo, to which Lieutenant Toaz is attached, is at present at the navy yard for repairs, prior to sailing for Alaska the latter part of the month.

* * *

A large number of guests enjoyed the hop at the Mare Island navy yard last evening, when the officers of the station entertained at the Apartment House. A number of small dinners at the navy yard preceded the affair, hosts and guests afterwards going on to the club, where dancing and bridge furnished diversion for all.

POLICEMEN SLEPT OVER GOLD MINE

Local Officers Camp at Dutch Flat Incorporated for $250,000.

After spending their vacations in a shack at Dutch Flat, Placer county, and making arrangements to purchase the plat of ground, Bailiff James Flynn and Patrolman Con Keefe accepted an arrangement by which an old miner should rent the land they were to buy until they were ready to make the first payment. They presented the money to the agent yesterday and were informed that the old miner, R. Greger by name, had already made the purchase, as he had discovered a vein of gold in the backyard and had followed it for fifty feet. He had organized a company, which is capitalized at $250,000.

Keefe and Flynn had negotiated for the property, and $250 was named as the price. Now, they might have purchased it, and might have spent their vacations there for the next decade without dreaming that they were living over a treasure of gold. But the news that the treasure has been found and captured by the aged miner whom they tolerated around the place, is not taken kindly by the two policemen. They have lost the gold and their old familiar camping ground has been converted into a mine.

PROGRESSIVES WIN FIGHT FOR CABINET

China to Have New Set of Men at Head of the Government.

NEW YORK, April 7.—A cable dispatch received by the Chinese Empire Reform Association here says that a responsible cabinet will be established in China shortly; that Prince Ching will be appointed president of the new cabinet, with Na Tung and Chu Shichiang as his assistants, and with Yuk Lang as political advisor, and that announcement to that effect will be made within a few days.

Prince Ching is now the head of the Imperial Council. Na Tung, Chu Shichiang and Yuk Lang are imperial counselors. The question of a responsible cabinet and a national parliament has been agitated by the progressive press for the last two years. Prince Ching has been one of the strongest opponents of the project.

PLAN FOR ANNUAL MAY DAY FETE

The Ladies' Relief Society to Entertain Old and Youn at Mosswood Park.

The annual May Day fete to be given by the Ladies' Relief Society will be held May 1 in Mosswood Park, where charity workers and society leaders will assist in making the affair a success. At the regular meeting of the board of directors of the Ladies' Relief Society, held yesterday in the children's building of the society, Miss Matilda Brown, president of the society, was appointed chairman of the general committee. For a number of years she has directed the fetes given for the benefit of the society and each year large sums have been netted.

The fete this year will be elaborate and everything in the way of amusements for the children will be on the grounds. The booths will be presided over by the members of the board and their assistants. The concessions will be divided as follows:

Mrs. William G. Henshaw, fish pond; Mrs. F. F. Weston, ice cream; Miss Helen Campbell, fancy work; Mrs. Frank Greenwood, tea table; Mrs. H. S. Kergan, aprons; Miss Louise de Fremery, home-made candy; Mrs. Henry Bull, lemonade; Mrs. H. E. Miller, fortune-teller; Mrs. Ghiradelli, peanuts; Miss Elva McGraw, pony carts.

One of the important matters discussed before the members was the resolution framed by Mrs. A. F. Cornwall to the effect that no children be admitted into the home of the Ladies' Relief Society before they are vaccinated. The board favored the suggestion and it will go into effect.

WHEN IS BAKER NOT A BAKER?

Gompers Must Solve Riddle; Will Do it to Bring About Peace.

CHICAGO, April 7.—Is it more "dignified" to be a baker than a teamster? Should a teamster who is a salesman be classified as a driver?

These are some of the questions which wil have to be solved by President Gompers, president of the American Federation of Labor before peace can be restored between officials and members of the Bakery and Confectionary Workers' Union and the International Brotherhood of Teamsters, Chauffeurs, Stablemen and Helpers. Gompers is due here today.

The dispute is of several years' standing and centers around a number of bakery wagon drivers in Chicago who are members of the bakers' union. Officials of the teamsters' union want these drivers transferred to their organization on the theory that they are "teamsters."

The drivers in question, however, do not share this view regarding themselves. They insist they are "salesmen" more than mere wagon drivers.

WALL STREET HEARS SERMON OVER TICKER

NEW YORK, April 7.—The church is about the only important thing you have to go out after in Wall street. All wordly instruction and information comes to you over the ticker, but yesterday was an exception. There was part of a sermon preached in Old Trinity on the ticker. Bishop Tuttle of Missouri, presiding bishop of the Protestant Episcopal church in the United States, was the preacher. This much got on the ticker:

"Any plan which in any way would destroy the workings of Wall street is a crazy one and a monstrous absurdity. Notwithstanding that not a grain of wheat, not an ear of corn grows in this center, nevertheless the buildings here hold those who furnish sinews for millions on millions of acres of agricultural products, and those who guide transportation of millions of tons of those things which sustain the lives not only of the people of this country, but in some way of the people of every country in the world."

DOUBLE TRACKING TO BE STARTED

Rails Are Ordered by Southern Pacific and Final Plans Are Made.

NEW YORK, April 7.—Plans for the double tracking of the Harriman system from the Missouri river to the Pacific, recently authorized by the directors, have been completed and preparations are under way for the beginning of the work.

This announcement was made by Julius Kruttschnitt, vice-president and director of maintenance of the Union Pacific and Southern Pacific roads.

"The work will begin at a number of places at the same time," said Kruttschnitt. "One stretch will be from Benicia, near San Francisco, to Sacramento, about sixty miles. About the heaviest traffic on the Southern Pacific goes over this piece of track. Filling this gap will give a double track from San Francisco to Colfax. The facilities of the ferry at Benicia also will be doubled to accommodate the increased traffic.

CHANGES ON LINE.

"Another stretch will be at the end of the Salt Lake cutoff. In connection with it there will be some changes of the line and reduction of grades which will improve the train loading on the Central Pacific. We shall build a low grade line up the mountain, using the high grade line for the down traffic, as is often done in such cases.

"The Union Pacific will be double tracked from Julesburg, Colo., west about 100 miles along from Ogden to Farmington, Utah. It is already double tracked from Farmington to Salt Lake."

Orders were placed yesterday for 72,000 tons of rails for the Harriman lines, but this Kruttschnitt explained was for maintenance. The order for rails for the double tracking will come some time in the summer, after the grading and other preliminary work has been well advanced.

The present order is divided about equally between the Colorado Fuel and Iron company, the Illinois Steel company and the Tennessee Coal and Iron company, the two latter of which are subsidiaries of the United States Steel corporation.

Kruttschnitt said there was absolutely no foundation for the report from Portland, Ore., that John F. Stevens, who recently resigned his position with the Hill roads, would enter the service of the Harriman system.

HAS SEAT OF JEFF DAVIS.

WASHINGTON, April 7.—John Sharp Williams, the new junior Senator from Mississippi, has succeeded in a lifetime ambition. He has the seat in the Senate which was occupied by Jeff Davis, the president of the Confederacy. The desk still bears the bayonet marks made by Union soldiers during war times, in an effort to destroy it. The bayonet stabs were filed with putty, but are easily discernible.

END IN SIGHT FOR OLD PORTSMOUTH

Antiquated Sloop of War Is to Sail from New York on Last Voyage.

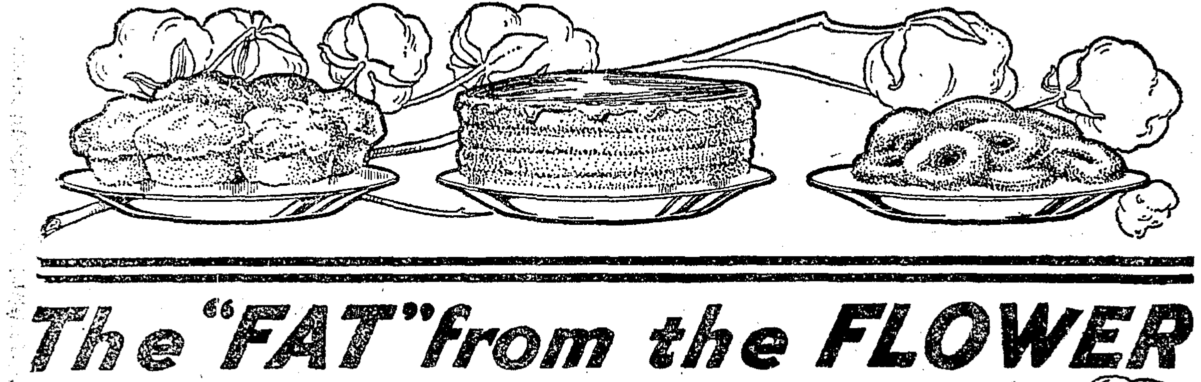
NEW YORK, April 7.—The old sloop-of-war Portsmouth, last of her line, will soon point her nose for Cape Horn, her last long voyage, according to reports at the Brooklyn navy yard.

The famous old frigate has been used recently as a training ship for the New Jersey naval militia, but is now at the navy yard awaiting orders, her captain having received instructions to man her with a crew of 100.

Her departure from New York harbor probably will mark the last time New Yorkers will see an old-time ship of the line sail down the harbor with her canvas all spread. The reported destination of the vessel is San Francisco, although no formal order for her sailing yet has been issued.

GAYNOR AS WITNESS.

NEW YORK, April 7.—Mayor Gaynor, among other city officials, will be subpoenaed as a witness before the grand jury in the "crime wave" investigation, according to announcements made in the press today.



The "FAT" from the FLOWER

Which would you prefer to put in your stomach—a fat such as lard, direct from the hog, or a vegetable product such as *Cottolene*, that is pure, healthful and easily digested?

Besides being healthful, *Cottolene* is a cleanly product. *From Cottonfield to Kitchen*—human hands never touch the oil from which *Cottolene* is made. Moreover, it is packed in patent air-tight tin pails—never sold in bulk—and is absolutely protected from air, dust and contamination.

We guarantee *Cottolene* to be fresh and satisfactory, or authorize your grocer to refund your money. Under such conditions why take chances with hog lard or any imitation of *Cottolene*?

WOMEN IN THE NEWS

TRACKS WIFE AND HER SWEETHEART ACROSS SEA

Tenor Carl Burrian Accused of Eloping With Another Man's Spouse.

NEW YORK, April 7.—Carl Burrian, the tenor, who sailed from New York to Dresden February 25, is wanted by the German police, according to dispatches from Berlin. Burrian is alleged to have eloped two years ago to America with a Dresden merchant's wife.

It appears that the husband has been following his wife and her singer sweetheart all over Europe since they arrived from the United States, but Burrian managed to avoid him.

Husbands in Germany have a right to demand the arrest of men who interfere with their homes, and Burrian has been officially declared a fugitive. His whereabouts are unknown.

Hides Pistol in 'Rat'

LOS ANGELES, April 7.—While in the Juvenile Court, at the hearing of her daughter, Nora Smith, charged with delinquency, Mrs. Catherine Smith, who came here recently from San Francisco, threatened the lives of the girl, Joseph Sterling, the girl's companion, and others. She became so demonstrative that she was arrested on a charge of insanity. She was taken to the detention ward in the county jail, and there suddenly drew a small revolver, which she had concealed in her hair, and attempted to commit suicide. She fired three shots at her face, but was so excited that all went wild, and officers reached her before she could shoot more. The weapon had been cleverly hidden in a large "rat" on her head. She will be closely guarded until the lunacy commission can pass on her case.

Prayed for Victim

FORT WORTH, Texas, April 7.—Testifying again that she had set apart an hour each day to pray that Mrs. Mary Binford, whom she afterward killed, might become a better woman, Mrs. T. M. Brooks concluded the presentation of the evidence of the defense in her trial on the charge of murdering Mrs. Binford.

She said she had prayed for Mrs. Binford for four years. She testified that she locked her husband's pistol i na closet for fear she would commit suicide with it. This was the pistol she used to shoot Mrs. Binford.

The killing occurred in January, Mrs. Brooks going to the store where Mrs. Binford worked.

Mrs. Brooks claimed that Mrs. Binford had alienated her husband's affections.

Actress Is Hurt

NEW YORK, April 7.—Christie McDonald, the star in "The Spring Maid," at the Liberty theater, had a narrow escape last night from serious injury when a taxicab in which she was riding crashed into a post. She escaped with a badly cut knee and a number of bruises.

Miss McDonald left her apartments soon after 7:30 p. m., a little late in starting, and urged the chauffeur to make a hurry trip. At One Hundred and Eighth street and Broadway something went wrong with the steering gear, and the taxi crashed into a post.

Miss McDonald was thrown against the front of the cab, cutting her knee and bruising her on the body. She was taken to a drug store and given attention. She was late at the theater, but went on in her part.

Barricades Home

NEW YORK, April 7.—Mrs. E. L. Davies or Dore, the elderly woman who testified before Surrogate Cohalan recently that she was the widow of General Thomas T. Eckert, former president of the Western Union Telegraph company, is barricaded behind bolted doors and windows in her apartments to resist the serving of a body attachment issued by the surrogate.

Girl Chases Thief

PUEBLO, Colo., April 7.—Discovering a burglar in her room as she was about to retire, 15-year-old Mary Miller grabbed a revolver from a bureau drawer, and, clad in her night dress, chased the man out of the house, wounding him as he vaulted the back fence. A pocketbook containing money and jewelry was found near the fence.

Remembers Servants

NEW YORK, April 7.—The will of Mrs. Mary Adelaide Yerkes, widow of the late Charles T. Yerkes, which has been filed for probate, leaves to each of her eight brothers and sisters one-ninth of her residuary estate; the other ninth to a nephew and niece, children of a deceased sister. Seven servants are rewarded with $1000 each, and William Savory Lower, to whom Mrs. Yerkes was once reported to have been engaged, receives $5000 as a "faithful friend." The value of the estate is not given.

FINE ARTS COMMITTEE MAY NOT COME WEST

WASHINGTON, April 7.—Senator Newlands of Nevada met President Taft yesterday and in the course of conversation touched on the fact that he understood the people of San Francisco had asked that the President send out the National Fine Arts Committee to San Francisco to help the Panama-Pacific Exposition Committee to select a site for the exposition.

President Taft replied that he did not know whether he had any authority to send the National Fine Arts Committee to a place so remote as San Francisco; in fact, he doubted whether such action was within his jurisdiction.

MULE HURTS LEG WHEN IT KICKS MAN'S HEAD

GRIDLEY, April 7.—A mule belonging to John King, a rancher near here, got the worst of it in kicking John Pulse, a ranch hand. The animal hurt its leg so seriously that it can not use the member. Pulse is recovering. The mule's hoof struck Pulse on the head, cutting a deep gash. Pulse's skull was not injured.

SAN FRANCISCO, April 7. — The crash of glass caused by the smashing of a window in the restaurant of I. L. Cillalobos, 649 Jackson street, sent Officer M. H. He had, according to the officer, broken the pane with a cobble stone and taken a quantity of cigars, cigarettes and tobacco.

WILSON ON TRIAL FOR BOAS SLAYING

Mother of Poison Victim Is the Witness at Beginning of Hearing.

SAN FRANCISCO, April 7. — With a carefully selected jury sworn to try him for murder, John Walter Wilson for the second time faced his accusers before Judge Emmett Seawell this morning. The family of Henry Boas, the electrical agent, killed by poisoned medicine received through the mail, was present in the court room, and Mrs. Kate Boas, the mother, was one of the witnesses.

Frank Cleland, a sub-carrier, who delivered the special letter which subsequently resulted in the young man's death, first testified. He told of giving the missive to the elevator boy in the office building at Third and Mission streets. Richard Geraghty, the elevator operator, who turned the letter over to Boas, was next called, and related the circumstances of the receipt of it, and later Mrs. Kate Boas detailed her son's wonder over medicine coming in such a way.

She described his taking the fatal powders, and his subsequent illness and death despite the efforts of physicians to save him. All the witnesses were carefully and minutely examined by the battery of lawyers for the defendant.

ARTISTS DEFEND COMIC 'SUPPS'

Declare League for Improvement of Humor is on the Wrong Track.

NEW YORK, April 7.—That the much-abused Sunday comic supplement has staunch defenders in high places has been developed here by the campaign undertaken by the recently-founded "League for the Improvement of the Children's Comic Supplement." At a conference here last night two of the country's foremost artists, John W. Alexander and John De Forest Brush, said that the supplements were all right. Alexander announced that his house is filled with them on Sunday and that he shares them with his children.

"Some of the brightest men in America are working for the comic supplement," said Alexander. "If they were suppressed it would be a national loss.

"A child's mind is naturally clean. If there are vulgarities in the picture sheets the child does not see them. I think the League is going about this thing the wrong way."

Brush confessed that he was very fond of the comic supplements.

GRASS DIVORCE DECREE DENIED

The Cross-Complaint Charging Desertion Is Thrown Out of Court.

Superior Judge F. B. Ogden this morning denied the motion of Charles Grass for a divorce from Wanda Grass on a cross complaint charging desertion. He held that during a greater part of the time the couple have lived apart, Mrs. Grass had permission of the court to do so when she was allowed alimony in her original suit charging creuelty. In the first place she had filed suit before one year ehad elapsed.

In his answer, Grass made charges of infidelity, linking his wife's name with that of R. J. Finnie, a Sacramento grocer. This allegation was later withdrawn and a charge of desertion entered in a cross-complaint, which was today decided against by Judge Ogden.

That there had been an overlapping of time in the status of the two suits was shown, with the result that the suit of Grass was non-suited.

'FOG BELT' BEAT FOR M'GRAYAN

Chief Seymour Disrates Sergeant and Details Him to Pound the Pave.

SAN FRANCISCO, April 7. — Chief of Police Seymour, although balked by the commissioners in connection with the charges preferred against Detective Sergeant McGrayan, who was exonerated by the board last night, exercised his prerogative this morning and reduced the officer to the ranks.

The position of detective sergeant is an appointive one in the gift of the chief, and with the exception of a half dozen of the old-timers the sleuths are frequently shifted by incoming chiefs.

This morning, when McGrayan returned to duty, he was notified of his disratement, and will henceforth do patrol duty in the fog belt.

Stephen Bunner was appointed detective sergeant in McGrayan's place. This gives him an increase of $10 per month in salary.

JEWELS STOLEN FROM PALACE HOTEL GUEST

SAN FRANCISCO, April 7. — After vainly endeavoring to ascertain the identity of a thief who entered the apartments of Mrs. F. M. Redneck at the Palace Hotel and stole jewelry to the value of $50, House Detective P. H. Bray decided to notify the local police today. Two upper office men were assigned to the case.

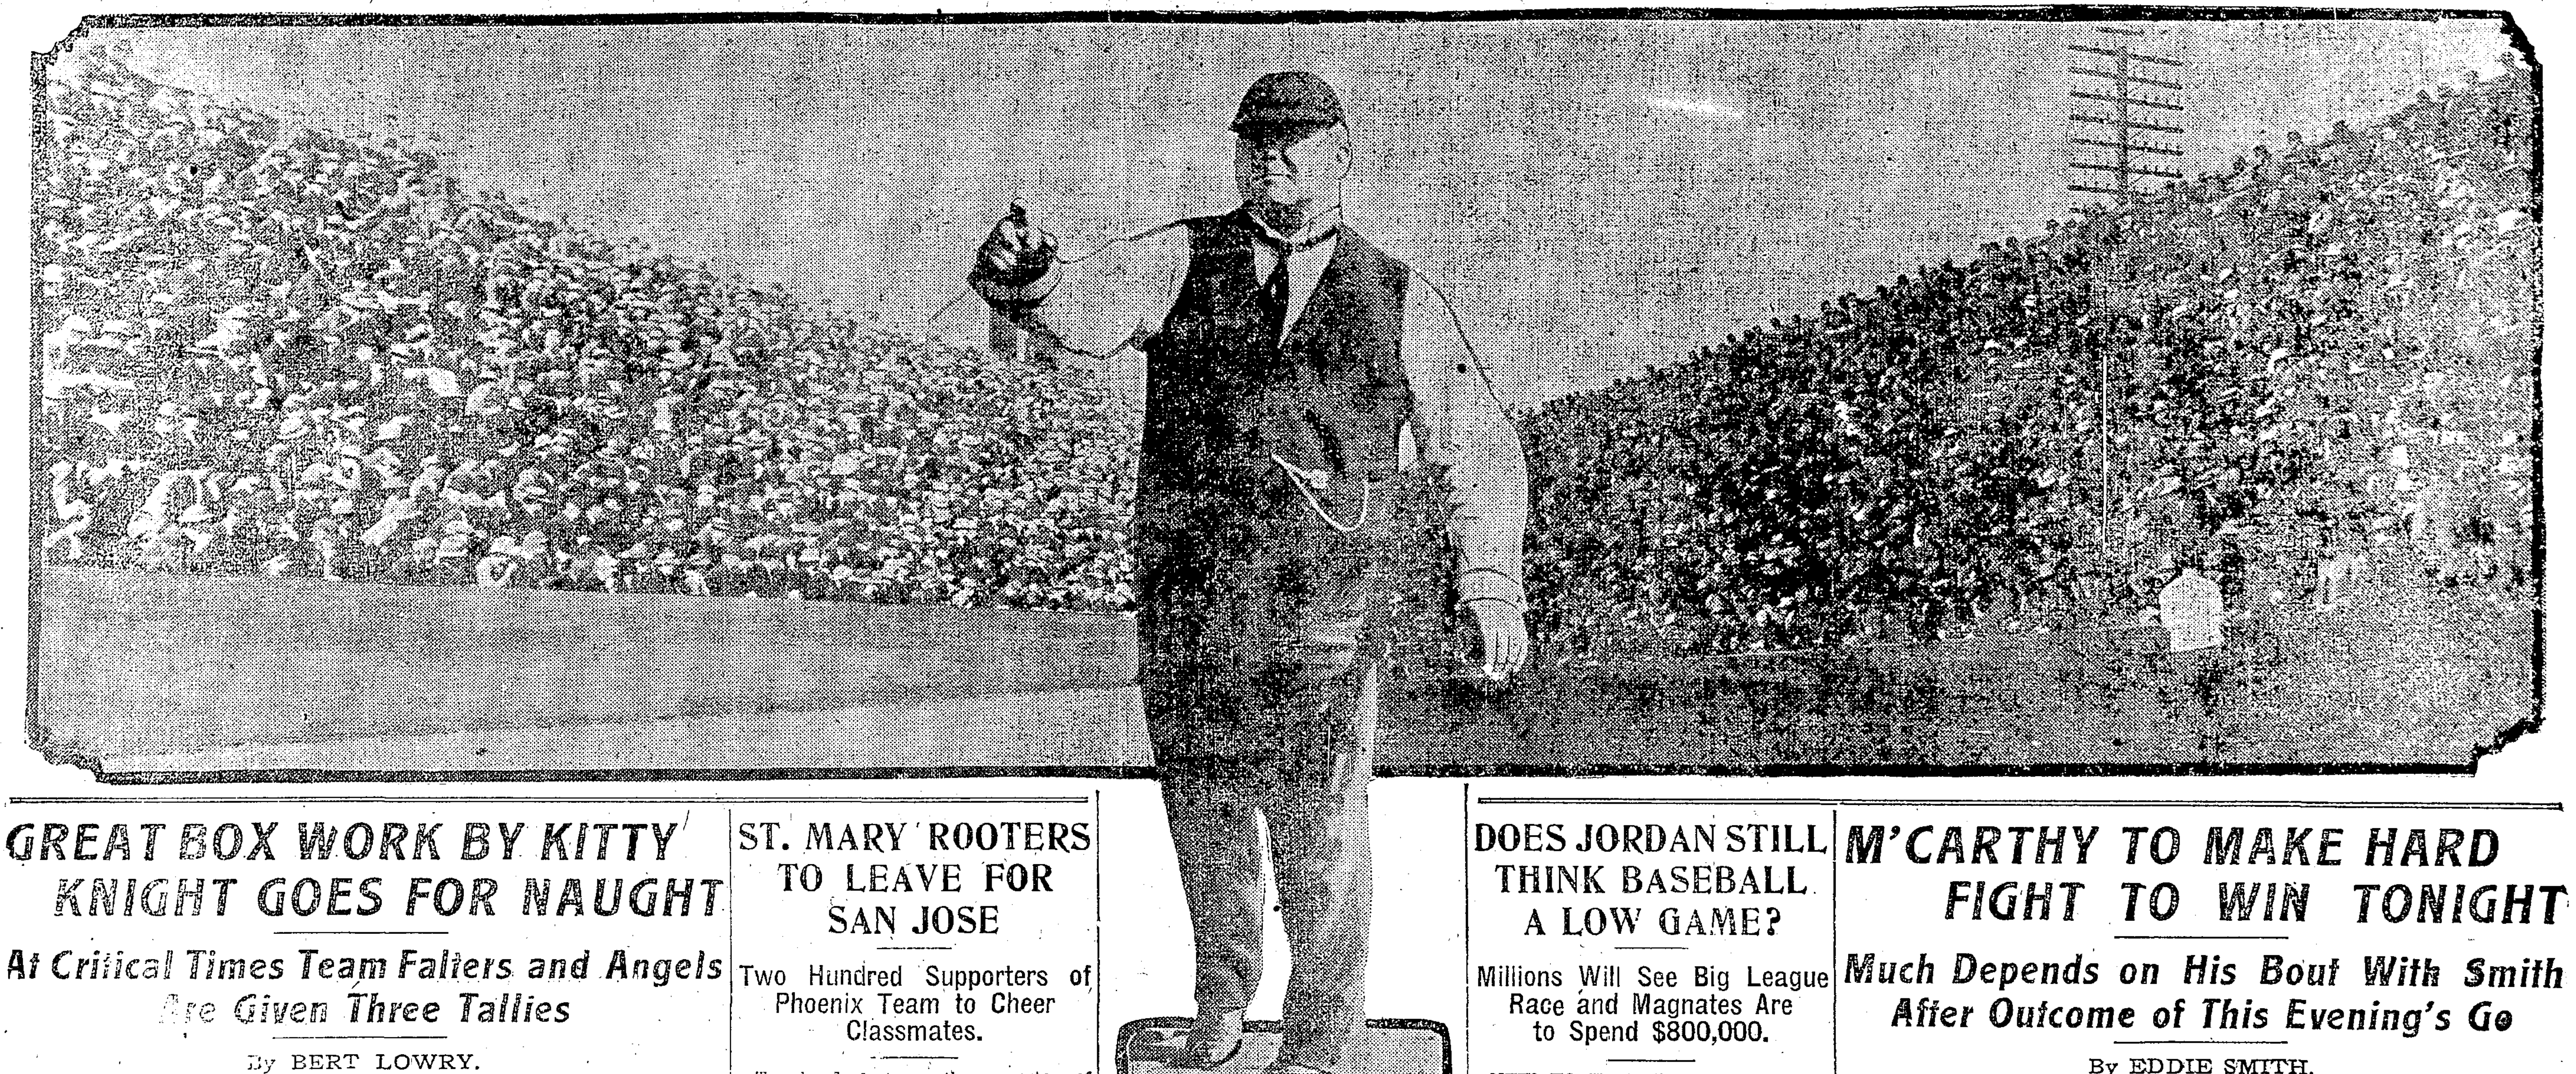
Thousands of Baseball Fans See Angels Defeat Oaks After Eighteen Innings

THE CROWD AT THE BALL PARK AND THE MAYOR HON. FRANK K. MOTT TOSSING THE FIRST BALL OVER THE PLATE.



GREAT BOX WORK BY KITTY KNIGHT GOES FOR NAUGHT

At Critical Times Team Falters and Angels Are Given Three Tallies

By BERT LOWRY.

After eighteen innings of baseball, some that was good and some that was bad, Oakland lowered her colors to Los Angeles at Freeman Park yesterday afternoon. "Kitty" Knight was the man selected to hurl the pellet for the Oaks, while Delhi did the same duties for the Angels, and if ever two men gave a wonderful exhibition of the national pastime these were the two men. To the victor belongs the spoils, but "Kitty" Knight should have won that game with ease and there never should have been those nine extra innings tacked onto the contest.

Three times glaring errors popped out in most critical times and those three errors gave the Angels a run each time. Twice Carl Mitzè made rank plays, once failing to hold a toss from Hetling to nail a runner at the plate and another time tossing the ball into the short ribs of a base runner and again allowing a man to spike the pan.

The other boot was the failure of Outfielder "Izzy" Hoffman to hold a ground ball batted his way and that too let in a run, the run that brought defeat to Knight.

KNIGHT IS A PITCHER OF HIGH RANK.

In the league averages it will be charged to Knight as a game that was lost, but that defeat will never bedim his fame or glory, for every man, woman and child that say that game knew that he out-pitched the star of the southland, "Flame" Delhi. How badly things broke for the big fellow can be gleaned from the score.

Right off the reel a boot put him in a hole when Wares made a dingbat play on Akin's poke. He pulled himself out of this run only to be thrown into another in the second inning when Maggart stood still while Delmas' poke dropped noiselessly to the ground.

In the sixth the Angels were handed their first run in this fashion: After Akin had poled a fly to Maggart, Metzger walked. Moore's single put him at third base. Daley hit down to Cutshaw and Moore was out at second. "Beef Stew" tried to steal second and Mitze, instead of whipping the ball to the baseman, sent it to Knight. Knight whipped the ball to Hetling and he in turn whipped it to mitze to catch "Metze," who was racing for the plate. It was an easy play and the runner was out a block, but Mitze dropped the ball and there was tally one over the pan.

MITZE'S BOOT GIVES ANGELS ANOTHER.

In the seventh inning, with two in the hole, Abbott poled a long double to left field. Maybe Bowser could have cut it off and maybe he couldn't; anyway, Abbott later scored when he should have died at second.

"Flame" Delhi was at the bat and Knight fed him three pretty strikes, a change of pace kind, and "Flame" swung like a rusty gate at the offerings. Three times he missed and Mitze let the third roll by him. This was bad enough, but he then picked up the ball and hit Delhi in the ribs as he went tearing, down to first.

All this time Abbott was tearing for the plate and had little trouble reaching it, for the ball was away out in the field with no one nigh it.

As to the finish, here's how it happened: Abbott went out on a poke to Knight. Delhi poled a liner into right field, reaching first in safety. Akins singled also to right and Delhi went around to third. Cutshaw discovered that he hadn't touched second base and he was out. Metzger followed with a bingle, likewise to right, and Akin should have been nailed at the plate. It wasn't to be, though, for Hoffman couldn't handle the ground hit and it rolled to the fence.

All this time to the plate was hotfooting Akin and he registered with what proved to be the wininng runs.

With the darkness fast approaching,

JORY IS ELECTED CAPTAIN.

At a meeting of the Varsity basketball team yesterday afternoon, S. L Jory '12 was elected captain, and Clarence Carpenter '12, manager for next semester. The basketball team for next year will be stronger than for several years past, since all the men who played on this year's team expect to return to college next semester.

NEGLECT

More Dangerous Than

DISEASE

In my very extensive practice I have learned that the VERY SERIOUS and so-called "incurable cases" are due usually to NEGLECT AND DELAY. Again, I know that many men suffer for YEARS and practically RUIN THEIR HEALTH FOREVER trying to dose themselves with some patent nostrum that never could cure. And, further, it is evident that many men will run to what they call "cheap" treatment. NO TREATMENT AT ALL "cheap" treatment means in nine cases out of ten.

DR. PALMER,
Master Specialist.

The last state of the man is worse than the first. Just before you go a line further in this announcement stop and ask yourself as to whether YOU are following in the foolish steps of the man who NEGLECTS himself. Are you trying to cure yourself with nostrums? If you are, it is certain that you will regret it. It is NEVER TOO LATE to get in the right path, but at the same time remember that you CANNOT GET THERE TOO SOON. I offer you my treatment at a cost as low as is consistent for the services rendered. I AM ALWAYS WILLING TO WAIT FOR MY FEE UNTIL A CURE IS EFFECTED.

Spermatorrhoea, Weakness, Varicocele, Stricture, Contracted Disorders, Kidney and Bladder Troubles, Piles and all reflex ailments are among the diseases I treat successfully.

ST. MARY ROOTERS TO LEAVE FOR SAN JOSE

Two Hundred Supporters of Phoenix Team to Cheer Classmates.

Two hundred strong, the supporters of the St. Mary's College baseball team will leave for San Jose tomorrow to lend their support to the players on the college nine that will oppose the Santa Clara College team at Luna Park in the second battle of the series for the intercollegiate baseball championship. The rooting section will be conveyed on a special train, to be known as the "Phoenix Special." It will leave First street and Broadway, Oakland, at 12:30 o'clock. The train will be connected from this side of the bay by the 12 o'clock Southern Pacific boat.

The St. Mary's supporters have unlimited confidence that the series will be brought to a close by tomorrow's game and that no third contest will be necessary. It is very probable that "Tiny" Leonard, the slabster who shut the mission town players out in two contests last year, will be on the mound for St. Mary's in tomorrow's game.

The St. Mary's team indulged in a practice contest against the University of California team yesterday on the Oakland college campus, affording the players the first solid workout that they have had this week. The score at the end of the contest was 6 to 2, with the university players on the short end. St. Mary's used Cann and Leonard on the mound. Each pitcher tossed the ball across for a couple of innings. Ross and Fitzsimmons finished up the game on the slab for St. Mary's.

OAKLAND HIGH WILL SEND CRACK TEAM TO STANFORD

(By L. N. COBBLEDICK, JR.)

Promptly at 10 o'clock tomorrow morning the first trial heats of the annual Stanford Interscholastic Track meet will be run off on the Stanford oval at Palo Alto. The entry list shows 200 names of athletes from thirty-seven high schools all over the State. The first two men and the best third in each trial heat will be eligible to run in the finals, which will be held in the afternoon at 2 o'clock. Most of the rooters from the bay city high schools will take the 9 o'clock train from Third and Townsend streets, San Francisco. The Oakland high school will be represented by a very large rooting section, and will undoubtedly be well represented by one of the strongest teams entered. The team will include: Claudius, Baxter and Skinner in the 100-yard dash; Nolds, Learner and Baxter in the 220; Ross, Learner and Skinner in the 440; Helson, Cameron and Claudius in the 880; Helson and Albright in the mile; Maker, Wright and C. Ostrander in the 120 yard high hurdles and in the 220 yard low hurdles Maker, Wright and Hanley; Hanley, Maker and Wright in the high jump; Maker and Baxter in the broad jump; Melvin, Ross and Cameron in the pole vault; Melvin in the hammer throw and shot put; Melvin and Hanley in the discus throwing. The relay team will include Baxter, Skinner, Nolds, Ross, Cameron, Learner and Helson.

If Oakland High wins the meet, Frank Boek, the coach, will give a pair of silk track pants to every member of the team who makes a first or second place. After the meet tomorrow the track team will stop training during the next week of vacation to rest up for the big Pacific Coast Interscholastic Carnival which will be held for two days on the University of California oval at Berkeley. On Friday, April 28, the trial heats will be held with the finals on Saturday afternoon, April 29.

VARSITY NINE TO MEET ST. MARY'S

In order to raise funds for the Pacific Coast Interscholastic meet, the varsity nine will play a benefit gam eagainst St. Mary's next week. The A. S. U. C. cards will not be honored at this game, but the money taken in will go toward purchasing trophies for the meet. The executive committee has already appropriated $125 for a perpetual interscholastic cup.

AUTO RACERS ORGANIZE.

NEW YORK, April 7.—The Motor Racing Drivers' Association of America was formed here yesterday with George Robertson, winner o fthe 1908 Vanderbilt cup race, as temporary president and M. W. Colwell, temporary secretary. Officers will be elected and a constitution adopted in Indianapolis, May 26.

SANTA CLARA PLAYER'S CONTRACT IN MURPHY'S HANDS

CHICAGO, April 7.—President Murphy of the Cubs announced today that Outfielder Fitzgerald, student and player at Santa Clara College, in California, has accepted terms with the Chicago Cubs and would be assigned a 1911 contract at once.

The addition of Fitzgerald will bring the Cub list up to the limit of twenty-five men, the release of Harry Steinfeldt to St. Paul making room for the youngster. Murphy said that he had no idea at present of cutting down the list any further, but it was possible that some more young players would be taken on, as there are still five weeks before the twenty-five man limit goes into effect.

PACKY McFARLAND TO BOX MORRIS BLOOM THIS EVENING

CHICAGO, April 7. — Racine, Wisconsin, will be the Mecca tonight for Chicago boxing "fans" and those of surrounding cities. The occasion is the meeting of Packy McFarland of Chicago and Morris Bloom, another local product, who aspires to lightweight honors.

The men are scheduled to go ten rounds in a no-decision encounter. What betting has been done is on the ability of Bloom to stay the entire route. Prices of 2 to 1 are offered against his chances.

McALEER WOULD NOT STAND BLUFF OF BUSHER

WASHINGTON, April 7. — Walter Johnson, premier pitcher of the American League, will not play with Washington this season. News came from Atlanta that he would not sign up under the Washington team's terms of $6500, but was holding out for $7500.

Manager McAleer finally told him to quit.

VARSITY BALL TEAM WILL GO UP NORTH

The varsity baseball nine at the University of California, has been granted permission to take a northern baseball trip at the end of this season. The details will be arranged later, but it is probable that games with the Universities o f Oregon and Washington will be scheduled. Ben Corlett '12 will manage the t rip.

Gold baseballs and "Cc" have been granted to the members of the winning intercollegiate baseball nine.

LINDA VISTA WANTS GAMES.

The Linda Vista market team from Oakland would like to receive challenges from any team averaging 14 years. Mail challenges to Arthur Taveira, 438 Thirty-eighth street.

The line-up is as follows: Kerr c, Chew ss, Rohnert p (captain), Taveira 2b (manager), Gerlack lf, Adams 1b, Clough 3b, Jordan rf, Block cf, Ames substitute.

Clergymen Seeking Fame on Baseball Field

GRAND JUNCTION, Colo., April 7.—A baseball team composed entirely of clergymen is Grand Junction's latest acquisition. The nine is made up of pastors of the various churches and includes some former college stars. The ministers practice daily—that is, six days in the week—and have issued a challenge to any team in the State made up of members of one profession.

DOES JORDAN STILL THINK BASEBALL A LOW GAME?

Millions Will See Big League Race and Magnates Are to Spend $800,000.

NEW YORK, April 7. — Nearly 400 ball players will begin drawing salaries from the 16 major league clubs on April 12, when the 1911 season opens throughout the country. Baseball sharps here figure that before the pennant race ends, the magnates will have paid out more than $800,000 for services rendered.

It is conceded that the players in the National and American leagues this year will receive more money for their labors than ever before in the history of the game. There is no salary limit in vogue and the stipends range all the way from $1500 to nearly ten times that amount.

McGRAW GETS $12,000 A YEAR

In the New York Nationals, John McGraw, manager, who is not a player, will receive about $12,000 for his work this year.

Christy Mathewson is believed to be the highest paid ball player in the profession. He signed a five year contract last winter at an annual salary of $10,000, it is said. The two dozen other players on the New York team will average about $2500 a piece, swelling the total salary list to more than $85,000, the record in professional baseball.

AMERICANS FIRST BASEMAN GETS $7000.

The New York Americans will also receive liberal salaries. Manager Chase will draw about $7000 for his services as manager, captain and first baseman with a chance to receive a substantial bonus if the team wins the championship. Russell Ford, the team's star pitcher, will get close to $5000 and the season's pay roll will foot up in the neighborhood of $65,000.

Among the other big league teams, the pitchers will, as usual, be the star performers on the salary list. According to current reports, the wages of some of the more important men will run as follows:

OTHERS PAID BIG SALARIES.

Coombs and Bender, Philadelphia, $5000 each; Walsh, Chicago, $6000; Mullen, Detroit, $5000; Adams, Pittsburg, $5000; Brown, Chicago, $5000; Collins, Philadelphia, $7000; Lajoie, Cleveland, $7000; Wagner, Pittsburg, $6000; Cobb, Detroit, $6000.

Practically all the big league clubs, except Boston will exceed $50,000 in their salary lists.

EACH CLUB SPENDS $180,000.

Aside from the players' salaries, the expenses of each club will include about $8000 for railroad fares, $6000 for hotel accommodations, $6000 for clerical work, $10,000 for rent and $5000 for uniforms, equipment and incidentals, or about $35,000 gross.

The New York Nationals will top the list of spenders owing to the fact that the rent of their grounds is $40,000 a year, which makes the total expenses of the club for the year about $180,000 including the $30,000 spent on the southern training trip and for new players.

OLYMPIC CLUB CANCELS MEET WITH VARSITY

Contrary to previous plans, the Olympic Club is not to compete in a formal meet against the Varsity tomorrow. It has been found necessary to call the contest off on account of the clubmen's inability to send over at this time a team to officially represent them.

However, several athletes from around the bay, including a number of members of the Winged O society, will be present at the oval tomorrow afternoon, and an informal meet will commence at 2:30. Among the most notable of the visiting competitors will be Gerhardt in the sprints and broad jump.

The California list of entries will be the same as that published yesterday morning. It is highly probable, however, that the extra events will be dispensed with. The men entered in these may be included in the schedule of regular events.

In this change of plan the whole idea is to convert the afternoon's contest into a series of tryout events and practice in competition. Toward this end the presence of the visiting athletes from the Olympic Club and elsewhere will help materially.

VARSITY WRESTLERS TO MEET CARDINALS

A team of wrestlers from the University of California will go to Stanford this evening to engage in a three-cornered tournament against Stanford and the Olympic club. The tournament will be held in the gymnasium at Encinal hall. The California team will consist of R. Lee and E. Daney in the 125 pound class; R. Layton and O. A. Sharpe in the 135 pound class; C. Wells, E. Ireland and R. Layton in the 145 pound class; I. Reed, I. F. Smith, E. Sobey and E. Solomon in the 158 pound class and M. J. Black, H. S. Newman and K. Shattuck in the heavyweight class.

M'CARTHY TO MAKE HARD FIGHT TO WIN TONIGHT

Much Depends on His Bout With Smith After Outcome of This Evening's Go

By EDDIE SMITH.

Tonight in San Francisco the boxing fans will have an opportunity to witness Johnnie McCarthy's last start in the four-round ranks of the local pugilistic world. At the same time they will be able to get a line on how Johnnie can be expected to perform when he faces Sammy Smith in the twenty-round main event to be staged by Jim Griffin a little later in the month.

The fact that Johnnie will have the chance to show his pugilistic ability with the fast New Yorker later in the month will, of course, draw many a fan to the show of tonight but there will be many of them who will be on hand fully expecting that Charlie Reilly will upset the calculations of the red-headed promoter from North Beach and the fans who believe McCarthy a sure winner.

In a four round scrap with Reilly the bricklayer is no cinch by any means, for when it comes to speed, Reilly is the best; when it comes to cleverness, Reilly is the best and when it comes to ring generalship Reilly is every bit as crafty as McCarthy.

The two things Johnnie has on his opponent of tonight is strength and hitting power, and it might also be said that McCarthy is the more aggressive of the two. Johnnie figures a little better when everything is considered and in a long battle he would be a big favorite, but at four rounds Reilly is a past master and he will have a good chance.

McCARTHY WILL GO IN TO WIN.

If McCarthy is beaten in the contest of tonight Jim Griffin will be in a tangle for a card. Sammy Smith has already sent word that he will probably start for the coast today in company with his manager, Heine Rafael, and sparring partner, Jimmy Carroll.

With the knowledge that the better McCarthy shows tonight the bigger the Smith house will be, Manager Harry Foley has determined to send his fighting harp in from the jump. Coupled with the list of preliminary bouts the show should prove a good one.

The fact that Rafael did not start for the coast immediately after getting the match for Smith and Carroll has been taken as an indication of fear that McCarthy may be beaten in the bout of tonight. Sammy Smith, whom Heine has been trying to get matched with one of the lightweights for some time, is quite well and favorably known in the east and especially at New York where he won a close decision over K. O. Brown. Brown has shown even better than Smith but on the strength of his win Sammy has received plenty of boosting.

The Jimmy Carroll-George Kirkwood match that Griffin has, looks exceptionally good to the fans who like clean-cut, clever boxing. Kirkwood has been accepting all the chances offered him by the local promoters and has accomplished the work set out for him in such a clever manner that he has become a great favorite, and while there is not the slightest doubt but that the little fellows would fail as drawing magnets if they were matched as the main eventers some few months ago. Since that time their contest will no doubt prove a mighty interesting one.

GUNBOAT SMITH STOCK GOES.

The showing made by Gunboat Smith Wednesday night in his bout with Joe Lanum was the talk of the town yesterday. Everywhere and everyone seemed agreed that the sailor boy had shown great improvement and that he had now graduated from the ranks of the struggling heavyweight novices. The Oakland Wheelmen club would like to match Smith again for their next show but will not do so unless they can select a suitable opponent for him, one whom the fans can rest assured will keep the Gunboat busy.

Yesterday the matchmaker got into communication with Jim Barry in the hope of giving the sailor the much longed for chance of redeeming himself for the defeat that Barry handed him at the Piedmont pavilion some time ago. Smith wants the chance to meet Barry so if the conqueror of the Gunboat will agree the match will be made.

GREAT BOXWORK OF KNIGHT BRINGS NO RESULTS

(Cont. from Preceding Page.)

Delhi had an easy time hanging the signs on the three Oak batters who tried in the final of the 18th. Hetling, first up, fanned. Mitze poled to Daly and Tideman, batting for night, missed three in a row and the game was over.

OAKS GATHER IN THE OPENING ROUND.

After the Mayor, Frank K. Mott, had tossed the first ball over the plate to I. H. Clay amid the cheers of the thousands of fans, Maggart went to bat and poled the second ball pitched to centerfield for a single. Wares stood around with that crouch of his and was ticketed to first base. Hoffman tried hard enough and but for a pretty catch of Daley's in centerfield might have broken into the hit column. Bowser hung around long enough to be passed over to first, filling up the bags.

It was up to Monte Pfyl and he bounced one to Metzger that was too hard to handle and Maggart beat it to the plate, ariving in safety. Wares moved over to third and when Stadille made the unexcusable play of catching a foul ball with a man on third base Clyde beat it to the plate.

Bowser had gotten as far as third on this play and then went to sleep at the bag. While he was enjoying his nap Abbott whipped the ball to Akin and Reddy was out a city block.

After that Oakland failed to get on the score board, and with that lead a little better support should have been given Knight. It wasn't, though, and he lost a game that rightfully belonged to him through no fault of his. Following are the figures:

Diamond Dust

Oakland fans showed their loyalty to the national game at Freeman's park yesterday afternoon, fully 6000 being on hand to bid welcome to the Wolverines on their first appearance of the season on the home grounds.

It was a gala opening day, too. After a reception at the Saddle Rock and a parade around the business streets which were lined with cheering fans, there were more ceremonies at the ball park.

Mayor Frank K. Mott was asked to pitch the first ball over the plate and performed his services in fine style. I. H. Clay was behind the bat and ably received the pellet. Then both gentlemen made speeches extolling the beauties of basball and ended up with a request for three cheers for the two teams and baseball and they were loudly given.

The Mayor and Mr. Clay then started for the stand to take their seats like the rest of the fans, but one arose with a demand for three cheers for the Mayor and it was a toss up which got the loudest, the Mayor or baseball, but both were gratifying to the Mayor and to the men that promote our national game.

* * *

If ever the jinks — if that's what you want to call it—was behind a pitcher that jinks was behind Kitty Knight. The fans might talk about their Livelys and their Mosers, but Kitty is a better pitcher than either of these two ever dared to be.

With seven rank errors behind him, all at critical moments of the game, he never faltered once and was trying just as much in the last inning as in the first and while he is credited with a defeat every fan on that lot knows that he was entitled to the glories.

* * *

To Delhi, too, you must pay homage for this big husky from the southland pitched baseball all the time he was on the mound but any pitcher could have won with the support that was behind him. Three times Daley went out of his way to pull down skyscrapers. Several times Akin at third cut off hits while Metzger was a star at shortstop and some of his plays were simply marvelous.

* * *

A word about this Los Angeles bunch. Don't any one get the idea into their heads that these fellows can't play ball. Dillon has a nifty bunch parading around the diamond right now and when Bernard and Howard join that team he is going to have a couple more. Delmas, Metzger and Akin form a pretty infield and Smith was no slouch at first base yesterday. Abbott is a clever backstop and Daley and Moore handle themselves nicely in the outfield.

* * *

Catcher Abbott of the Angels fell for the old hidden ball trick in the 12th inning. He laced a single to left field and took second on Delhi's sacrifice. Akin flew out to Bowser and Red tossed the ball to the infield. Wares took the ball and tossed it to Knight, at least that is what everybody thought he did. Kitty went to the box and Wares to his position. Off the bag stepped Abbott and Wares touched him out. This is the third time Clyde has worked that trick, twice on the Boston team and once on the Angels.

* * *

A kind word for the poor down trodden umpire. McGreevey's work yesterday was all to the good and there was hardly a complaint throughout the whole game. Once Wolverton walked over from the third base coaching line to kick at a strike called on Wares. McGreevey asked Harry how he could see a strike from third base. The answer wasn't to the liking of the ump and to the bench he ordered Harry. Harry refused to move fast enough and it was out of the game for him.

The fact that Wolverton played the game from the club house wasn't of use to the team and he should curb his temper alittle in the pinches as it is, for he would have helped a whole lot had he never remained with the team.

* * *

Through the defeat of the Oaks and the victory of the Seals, our pennant hopes dropped into third place and Cal Ewing's men took the front seat. It's a long lane though that has no turning so let's not be discouraged.

* * *

Hetling worke up after the 11th inning and began to play baseball as it should be played and many of his stops were marvelous. Up to this time, though, he loafed several times and had the fans on the anxious seat.

* * *

Delhi had a peculiar experience at the bat. Seven times he faced Knight. Three times he fanned, twice he hit safely, once he sacrificed and once he flew out to center.

* * *

Maggart was evidently afraid several times that Bowser would drop a fly ball for he ran over into Reddy's territory and took balls that rightfully belonged to him.

* * *

In the 16th inning Moore hit to left for two bases. Daley next up hit to Wares and instead of throwing to Pfyl, Clyde threw to Cutshaw and nabbed Moore off second. It was an unexpected play and showed quick thinking on the part of Wares.

* * *

One time Percy told us that Cameron was the greatest ball player around first base and would not give one Cameron for three Pfyles. Wonder if he is of the same opinion after seeing Monte play that bag yesterday.

* * *

Delmas can thank Maggart that he broke into the hit column in the second inning. Bertie hit a weak fly to center that was an easy catch by all means. Maggy loafed on the ball and it dropped safely to the ground.

* * *

Daley and Delmas stole bases for the Angels while Mitze and Hetling gathered for the Oaks. Both catchers were on the job in the hurling line but Honus was awful otherwise.

* * *

Sacramento, Portland, San Francisco and Vernon each made a boot in their contests of yesterday. Los Angeles booted five times and the Oaks seven times.

* * *

The records show that Delhi held the Oaks runless for 17 innings, a notable piece of pitching. At that the Oaks should have had a couple of more runs and the game long before the 18th inning rolled around.

* * *

Harry Sutor went after the Coast League and world's professional baseball league's strike out record at Sacramento yesterday and sent 17 batsmen back to the bench by the fant route in eight innings.

What a pity he coulcn't have finished the game and made it 19.

* * *

Wonderful! Lerchen went through his first game in the Coast League without a boot yesterday.

McArdle at short for San Francisco yesterday had but one chance in all the game, and he booted that.

McCARTHY TO MAKE A HARD FIGHT TO WIN TONIGHT

(Con. from Preceding Page)

asking that his white hope, Ed Hagen, be given the next chance with Smith.

Burns says he will match his man with the Gunboat, winner take all or on any basis that he may ask and will give him a good sized side bet if he wishes. Burns is very confident that the Seattle heavyweight can take the measure of Smith and if given half a chance he says he will prove his confidence.

On Saturday night a week hence Vic Hansen will meet Jack Cordell in a 20 round contest at Taft. Hansen has been trying to get on with one of the local clubs but for reasons the men of his weight have sine-tracked him.

After the Taft contest Hansen will return in the hope of getting a chance in some show here.

DEATH SENTENCE FOR THE HOBBLE

Mrs. Thomas A. Driscoll Has Placed Her Ban Upon the Garment.

SAN FRANCISCO, April 7.—Sentence of death has been passed upon the hobble skirt by Mrs. Thomas A. Driscoll of Hillsborough, wife of Burlingame's famous polo team captain and an expert horsewoman and athlete.

Something awful almost happened between Mrs. Driscoll and the dreadful hobble at San Mateo yesterday, and the judgment and order of the social matron will be executed without compromise.

Mrs. Driscoll had been driven to the station by her husband to take a train to the city. Like all trains it was on the dot and pulled into the depot just as the trap with Mrs. Driscoll and the polo captain drove up.

There was no time to waste. The train started off again as Mrs. Driscoll leaped out of the trap and ran across the cement passenger yard. The society leader was well in the lead and with an inch more reach her hand would have grappled the brass rod on the side of the car, when horrors!

The hobble tripped her.

A freight clerk who was watching the race sprang to the rescue and prevented Mrs. Driscoll from falling. His strong arm bundled her aboard the speeding train, but the hobble skirt was doomed the moment she took her seat.

COLONEL TAKES A NEEDED REST

Roosevelt Smiles When He Is Informed of Rainer's Resolution.

CLEELUM, Wash., April 7. — Theodore Liliuokalani and the old Hawaiian monthe quiet of his special car. He spent a good part of the morning in his stateroom, reading. He will arrive in Spokane late this evening. He has no address to deliver until tomorrow.

Roosevelt's attention was called today to Congressman Rainer's resolution, introduced at Washington yesterday calling for an investigation of the acquisition of the Panama canal zone because of the former president's remarks on that subject during his present tour.

Roosevelt had no comment to make, though he smiled at the news. Every time he has mentioned the canal in his speeches Roosevelt has declared himself quite willing to be the subject of investigation or debate with regard to it "so long as they go on digging the canal."

Former Chief Justice to Hear Complaint of the Young Wife.

NEW YORK, April 7.—Former Associat Chief Justice Leventritt was appointed a referee to take testimony in the suit of Mary W. Gates for a divorce from Charles W. Gates.

No papers were filed with the order, which is the first official information of the suit, but it was stated in court that Mrs. Gates mentioned a young actress in a light opera now having a Broadway run.

Mrs. Gates was Miss Beatty Martin of St. Louis and is a stepdaughter of a wealthy St. Louis manufacturer. The defendant is the son of John W. Gates. They were married thirteen years ago.

The services will be conducted by Rev. Dr. Floyd Tompkins of Holy Trinity Protestant Episcopal Church. The inquest will be held tomorrow.

DEFECTS ARE FOUND IN HAM HALL TITLE

SAN FRANCISCO, April 7.—Proceedings on the part of the city to acquire the Ham Hall lands in the Cherry Creek basin, an option on which is held by the city, have been temporarily halted by a report from the city attorney to the effect that a search of the title of the Ham Hall lands shows defects. Prior filings have been found on the land to those held by Ham Hall, one being held by the National Park Electric Company. The city attorney's office advises that the title should not be considered acceptable unless the selling company agree to guarantee it. This the Ham Hall Company has not shown a willingness to do.

CELEBRATES HIS 87TH ANNIVERSARY

SAN FRANCISCO, April 7. — Colonel A. Andrews, one of the earliest pioneers of San Francisco, veteran of the Mexican war and known throughout the State as a jeweler, is celebrating his eighty-seventh birthday today. Messages of congratulation are being received from all over the country at the Andrews home on Leavenworth street. This evening there will be a dinner at the residence at which forty friends will pledge the health of the veteran jeweler with toasts and speeches reminiscent of early San Francisco. The table will be decorated entirely in red roses and the blossoms will be banked in riotous profusion throughout the house.

What a wonderful invention the Coal Oil Lamp was considered a generation ago. Now it is mostly confined to isolated rural districts.

Miles of pipes and wires are today supplying the city dwellers with Gas and Electricity, not only for lighting purposes, but for a score of tasks that are part of everyday life.

If modern machinery, efficient employees and care in every department count for anything, the cities of Alameda County will always lead in modern lighting and heating facilities.

CALLED ON CARPET BY HIS SUPERIOR

Copyist Given a Pleasant Surprise by County Recorder Bacon.

County Recorder George W. Bacon today summoned the copyists of his office into an ante-room and in the presence of all called Charles A. Gregory "upon the carpet." He said:

"It has not been long since I had the women of this office before me to administer to them a lecture. In this case I have a serious charge to make against Mr. Gregory. As he is one of the oldest employes of the office, I will begin with him.

"There is evidence that I desire to present in the case, and it is now before you."

At that moment one of the clerks wheeled into the room a brand new baby carriage, and in behalf of all the employes of the office and himself, Bacon presented it to Gregory, who was greatly surprised as to the outcome of the session. He responded, thanking all for the gift, and admitted that a new boy had come to his household a few days ago.

In the baby carriage was a robe, the handiwork of a fellow copyist, M. R. Baxter. The needlework was neatly and cleverly done and was admired by all.

Divorce Granted in Chicago Is Upheld by Court of Appeals.

ALBANY, N. Y., April 7.—The divorce granted Grace G. Guggenheim from William Guggenheim in Chicago in March, 1901, was upheld today by the court of appeals. When the divorce was granted Mrs. Guggenheim was paid $150,000 in satisfaction of claims for alimony.

In 1908 she brought action against Guggenheim for a divorce under the laws of New York state, claiming that as neither party was a resident of Chicago the Illinois divorce was illegal and the defendant should maintain her.

CHICAGO WHEAT PIT IS DEPRESSED

Predictions of Large World Shipments Quickly Affects Market.

CHICAGO, April 7.—Signs that world shipments will reach a large total this week had a depressing effect today on the price of wheat. Forwardings were especially heavy from Australia and the Argentine. European crop conditions also showed improvement. Opening figures were ⅛c to ⅝c down. May started at 85⅛c to 85¼c, a decline of ¼@⅜c to ½c, dropped to 84⅞@85c, and rallied to 85¾@85½c.

Buying at Minneapolis for millers helped prices upward, as did green bugs in Southern Kansas. The close was strong, with May at 87@87⅛c, a net gain of 1¾1½c.

Corn was easy. Commission houses were the chief sellers. May opened ⅛c to ¼c off at 47½c to 47⅝c, and kept within that limit.

Storm predictions led to a rally. The close was strong at 48¼@48⅜c for May, ½@⅝c higher than last night.

Oats were slow. May started a shade to ⅛c lower at 30⅛@30¼c and failed to display much power to recover.

Provisions were steady. First sales were 2½@5c lower to a shade up, with May at $15 for pork, $7.85 for lard and $8.45 for ribs.

The closing quotations were as follows:

Wheat—May, 87@87⅛c; July, 85⅝@85¾c; September, 85¾@85⅞c.

Corn—May, 48¼@48⅜c; July, 49⅝@49¾c; September, 50⅞@51c.

Oats—May, 30⅝@30¾c; July and September, 30⅞c.

Pork—May, $15.20; July, $14.92½.

Lard—May, $7.97½; July, $8.05; September, $8.10.

Ribs—May, $8.50@8.52½; July, $8.10; September, $7.97@8.

CANADIAN PACIFIC 'CHANGE FEATURE

Rise of More Than Point Follows Similar Gain in London.

NEW YORK, April 7.—The only feature of the stock market at the opening today was a rise in Canadian Pacific of more than a point following a gain of a similar amount in London. The rest of the list was virtually unchanged from yesterday's closing figures.

Speculative interest in the stock market dwindled steadily until there was prolonged intervals when the ticker did not even register a sale. None of the favorite stocks varied more than a point from their initial opening and obscure specialties furnished the only medium for scalping profits. There was an active and higher market for bonds, with some large operations in Seaboard Air Line adjustment 5s and Southern Railway 4s. Virginia Certificates jumped 4 points to 63½. Associated Oil gained 2 points.

The report of the Copper Producers' Association for March, which showed an increase on hand of 5,370,104 pounds, caused some scattered liquidation in Amalgamated Copper, which went down nearly a point. The rest of the active list was unaltered from the midday level. Seaboard Air Line adjustment 5s continued to be heavily bought and touched 78¾, a gain of 2⅜. Wabash Terminal Certificates were liquidated freely meanwhile and fell 1½.

Stocks receded slightly in mid-afternoon. Erie and Missouri Pacific went off a considerable fraction.

NEW YORK, April 7.—Gibson says: While the market continues largely professional there is some increase in pool buying and manipulation in a few stocks. This is usually the case at the beginning of an advance. One stock after another is taken up and advanced and then allowed to rest while others are given attention. Of course, it is not possible to tell just what securities will be chosen, as in many instances the bidding up is based more upon manipulative possibilities or a scarcity of floating supply than upon unusual merit. The idea is to start the ball rolling as cheaply and as early as possible until public interest is aroused. The thing to look out for is not to be in too much of a hurry to realize when a movement does start in the desired quarter.

We make it a point never to exaggerate our merchandise, as our reputation is at stake. It is far better to say nothing at all than to say what is *untrue*; better not to advertise at all, unless the goods back up the advertising. So in telling you that our

GIRL THROWN OFF RUNAWAY HORSE

Animal Falls Over Bank and Is Found With Broken Neck.

NILES, April 7. — Becoming frightened at a passing train, a horse ridden by Miss Helena Roach ran away down the steep hill leading from the bridge on the old county road and into a large field of vegetables, where it threw its rider and started off again in a wild dash toward the Alameda creek.

Miss Roach, who is considered one of the best horsewomen in this part of the county, escaped with but a slight shock.

The horse was found later lying at the bottom of the creek bed with a broken neck. It had stumbled over the bank at one of its steepest places.

BUSINESS MEN HEAR COMMITTEE REPORTS

MELROSE, April 7. —On acocunt of the non-appearance of some of the members, the Melrose Business Men's club meeting, which was to be one of the largest in its history, was postponed until next meeting night. Only the reports of the various committees were received last night and the club is still waiting for a report from the Southern Pacific railroad in regard to the proposed parking of the square in front of the depot at Melrose.

Some uneasiness has been betrayed by some of the members in regard to the proposed plan of the railroad in running a new line through the upper portion of the town. Although the line has already been surveyed, and many tracts of land purchased along the right-of-way, rumors have been circulated to the effect that the road intends to abandon the present line and build further in the hills.

"KATZENJAMMER PICNIC" SCHEDULED AT HAYWARD

HAYWARD, April 7. — "The Katzenjammer Picnic," one of the most comical farces that has ever been written around these two funny little German boys, will be prseented tonight and tomorrow night by more than 150 public school children of Hayward in the Native Sons' hall. The production, which will be under the direction of Miss Ethel Moore of Oakland, has been rehearsed for the past two months and every minor part has been prepared to guarantee a hit.

Hal Angus, one of the most popular amateur actors in this county, and a former member of Ye Liberty stock company of Oakland, will have one of the leading roles.
